What Jesus Demands from the World Zondervan

Malls, stadiums, and universities are actually liturgical structures that influence and shape our thoughts and affections. Humans--as Augustine noted--are "desiring agents," full of longings and passions; in brief, we are what we love. James K. A. Smith focuses on the themes of liturgy and desire in *Desiring the Kingdom*, the first book in what will be a three-volume set on the theology of culture. He redirects our yearnings to focus on the greatest good: God. Ultimately, Smith seeks to re-vision education through the process and practice of worship. Students of philosophy, theology, worldview, and culture will welcome *Desiring the Kingdom*, as will those involved in ministry and other interested readers.

GOD'S AMAZING GRACE

Crossway

Everyone wants to be significant. To a certain extent, this is natural and good—evidence of our God-given desire for meaning and purpose. However, our longing for significance can easily twist into an insatiable craving for approval, recognition, and praise—and, if left unchecked, this craving will enslave us. In *Glory Hunger*, pastor JR Vassar challenges Christians to reevaluate their priorities when it comes to leaving a legacy,

pointing to the gospel as the key to freedom from the bondage of narcissism and insecurity. Addressing cultural obsessions such as physical beauty and the goal of cultivating a “perfect” digital reputation via social media, this book will help readers refocus on what really matters: living a life marked by the passionate pursuit of God’s glory above all else.

What happens in the heart when it experiences real saving faith? John Piper argues that faith in Christ is not saving unless it includes an “affectional dimension of treasuring Christ.” Nor is God glorified as he ought to be unless he is treasured in being trusted. Saving faith in Jesus Christ welcomes him forever as our supreme and inexhaustible pleasure. *What Is Saving Faith?* explains that a Savior who is treasured for his all-satisfying worth is more glorified than a Savior who is only trusted for his all-forgiving competence. In this way, saving faith reaches its God-appointed goal: the perfections of Christ glorified by our being satisfied in him forever.

Each of us is hard-wired to pursue our happiness. We long for significant, profound joy. Some try to satisfy it with exotic vacations, high-tech gadgets, career success, sports, academics, drug experimentation, even ascetic rigors. Yet the longing remains. Why? In *The Dangerous Duty of Delight*, John Piper turns our heart toward the one true object of human desire and happiness: God. Piper shows from Scripture that pursuing our happiness in Christ is not optional for the Christian, but essential. Come along on a journey from desperate desire to infinite delight. Learn how you were created for ultimate satisfaction in Him, and how this new perspective will change your attitudes toward worship, relationships, material goods—and everything. “Our hearts are restless until they find their rest in Thee.” --Saint Augustine

Does God Desire All to Be Saved? St. Martin's Griffin

Since the days of the early church, Christians have struggled to understand the relationship between two seemingly contradictory concepts in the Bible: law and gospel. If, as the apostle Paul says, the law cannot save, what can it do? Is it merely an ancient relic from Old Testament Israel to be discarded? Or is it still valuable for Christians today? Helping modern Christians think through this complex issue, seasoned pastor and theologian Sinclair Ferguson carefully leads readers to rediscover an eighteenth-century debate that sheds light on this present-day doctrinal conundrum: the Marrow Controversy. After sketching the history of the debate, Ferguson moves on to discuss the theology itself, acting as a wise guide for walking the path between legalism (overemphasis on the law) on the one side and antinomianism (wholesale rejection of the law) on the other.

Are There Two Wills in God? Divine Election and God's Desire for All to Be Saved In this short, theological essay, John Piper builds a scriptural case that God's unconditional election unto salvation is compatible with God's genuine desire and offer for all to be saved. Helping us to make sense of this seemingly paradoxical relationship, Piper wisely holds both truths in tension as he explores the Bible's teaching on this challenging topic, graciously responds to those who disagree, and motivates us to passionately proclaim the free offer of the gospel to all people.

The term New Birth has been devalued by the multitudes who claim to be 'born again' while living like everybody else. The New Testament defines new birth and new life completely differently.

Treasuring God in Our Traditions Simon and Schuster

God is the treasure of our lives. He is part of everything we do, think, act, and say—literally, he is a part of us. This precious heirloom of Christ himself must be passed on to future generations. But how? *Treasuring God in Our Traditions* presents the importance of passing along Christ-centered traditions and a Bible-saturated legacy in Christ to future generations. Noël Piper helps her readers recognize how the “everyday” routines of life and the “especially” celebrations of holidays and dates can be practically passed down to future generations. When parents and grandparents seek to pass along the treasure of God to their children and grandchildren, they will develop and deepen their love for him. When family traditions are rooted in the Bible, the next generations will see that the greatest treasure that anyone can have is the treasure of God.

Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. *Not Yet Married* is not about waiting quietly in the corner of the world for God to bring you “the one,” but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

Made to Crave A Hunger for God

There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: “This much, O God, I want you.” Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: “If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great.” If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.

A HUNGER FOR GOD

Thomas Nelson

What would happen if you started listening to your cravings instead of trying to silence them? If you're tired of the same old messages of eat less and move more, this book is what you've been missing. You know "how to" get healthy... but now there's finally a book to help you find your "want to"- the lasting emotional and spiritual motivation to meet your goals and stay healthy. The reality is we were made to crave. Craving isn't a bad thing. But we must realize God created us to crave more of him. Many of us have misplaced that craving by overindulging in physical pleasures instead of lasting spiritual satisfaction. New York Times bestselling author of *It's Not Supposed to Be This Way*, *Uninvited*, and *The Best Yes*, Lysa TerKeurst, invites you to find the missing link between a woman's desire to be healthy and the spiritual empowerment necessary to make that happen. In this book, Lysa will help you: Break the cycle of "I'll start again Monday" and feel good about yourself today. Stop agonizing over numbers on the scale and make peace with your body. Replace rationalizations that lead to failure with wisdom that leads to victory. Reach your healthy goals and grow closer to God through the process. This is not a how-to book. This is not the latest and greatest dieting plan. This book is the necessary companion for you to use alongside whatever healthy lifestyle plan you choose. This is a book and Bible study to help you find the "want to" in making healthy lifestyle choices.

The Quest for Spiritual Hunger Kevin Bart
