"Death and the King's Horseman" by
Wole Soyinka was first published in
1975. The story of the play is based on a
real incident. The incident had taken
place in Nigeria during the British
colonial rule. There was an important

native chief who was going to commit
ritual suicide, but he was prevented from
doing so by the colonial authorities. On
one hand, the authorities prevented him
from committing suicide, but on the
other hand, the chief's own intention
comes under question in the play. Thus a
problem is posed before the community,
and it disturbs the community's
balance. Ready Reference Treatise:

English, abstract: This paper argues that the establishment of this moral paradox is particularly conditioned by Soyinka's conscious choice of writing this play in the form of the syncretic theatre because the Yoruba's psychology is perfectly portrayed through cultural texts and a shift of dominants concerning the dramatic devices which enables the reader to empathise with the Yoruba culture and its, for a European audience, barbaric and illegal practices. On that account, this paper reads Soyinka's play *Death and the King's Horseman* as a syncretic theatrical text par excellence and aims to demonstrate how the specific elements of this genre are 2 implemented in the text as this is necessary to demonstrate the effect those elements have on the establishment of a moral paradox

THE COSTUME DESIGN PROCESS

Methuen Drama

The sixth installment of Bernard Cornwell's New York Times bestselling series chronicling the epic saga of the making of England, "like Game of Thrones, but real" (The Observer, London)—the basis for *The Last Kingdom*, the hit television series. As the ninth century wanes, Alfred the Great lies dying, his lifelong goal of a unified England in peril, his kingdom on the brink of chaos. Though his son, Edward, has been named his successor, there are other Saxon claimants to the throne—as well as ambitious pagan Vikings to the north. Torn between his vows to Alfred and the desire to reclaim his long-lost ancestral lands in the north, Uhtred, Saxon-born and Viking-raised, remains the king's warrior but has sworn no oath to the crown prince. Now he must make a momentous decision that will forever

transform his life and the course of history: to take up arms—and Alfred's mantle—or lay down his sword and let his liege's dream of a unified kingdom die along with him.

A Novel Penguin

From the first Black winner of the Nobel Prize in Literature and one of our fiercest political activists—this political novel about the dangers of corruption, greed, and the desire for power is the follow-up to his acclaimed debut novel *The Interpreters*. An African nation's struggle for independence is interwoven with a tragic love story in this compelling novel. When Ofeyi, who writes advertising jingles for the Cocoa Corporation, is sent on a promotional tour of his unnamed country, he arrives at a coastal village whose remote location has long kept it insulated from the corrupt national government. Here Ofeyi discovers a traditional way of life that is still flourishing and he is inspired to spread its life-affirming values to his suffering country. But challenging the forces of greed and exploitation provokes a horrific response, and when Ofeyi's beloved wife goes missing, he must travel across a war-scarred landscape in search of her. Infusing the myth of Orpheus with his signature lyricism and moral profundity, Soyinka creates a dazzling story about the clash between idealism and reality.

a conversation between Wole Soyinka and Ulli Beier Taylor & Francis

A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • The first Black winner of the Nobel Prize in Literature gives us a tour de force, his first novel in nearly half a century: a savagely satiric, gleefully irreverent, rollicking fictional meditation

on how power and greed can corrupt the soul of a nation. In an imaginary Nigeria, a cunning entrepreneur is selling body parts stolen from Dr. Menka's hospital for use in ritualistic practices. Dr. Menka shares the grisly news with his oldest college friend, bon viveur, star engineer, and Yoruba royal, Duyole Pitan-Payne. The life of every party, Duyole is about to assume a prestigious post at the United Nations in New York, but it now seems that someone is determined that he not make it there. And neither Dr. Menka nor Duyole knows why, or how close the enemy is, or how powerful. *Chronicles from the Land of the Happiest People on Earth* is at once a literary hoot, a crafty whodunit, and a scathing indictment of political and social corruption. It is a stirring call to arms against the abuse of power from one of our fiercest political activists, who also happens to be a global literary giant. *a conversation between Wole Soyinka and Ulli Beier, May 1993* Methuen Publishing

A member of the unique generation of African writers and intellectuals who came of age in the last days of colonialism, Wole Soyinka has witnessed the promise of independence and lived through postcolonial failure. He deeply comprehends the pressing problems of Africa, and, an irrepressible essayist and a staunch critic of the oppressive boot, he unhesitatingly speaks out. In this magnificent new work, Soyinka offers a wide-ranging inquiry into Africa's culture, religion, history, imagination, and identity. He seeks to understand how the continent's history is entwined with the histories of others, while exploring Africa's truest assets: "its humanity, the quality and valuation of its own existence, and modes of managing its environment—both physical and

intangible (which includes the spiritual)."Fully grasping the extent of Africa's most challenging issues, Soyinka nevertheless refuses defeatism. With eloquence he analyzes problems ranging from the meaning of the past to the threat of theocracy. He asks hard questions about racial attitudes, inter-ethnic and religious violence, the viability of nations whose boundaries were laid out by outsiders, African identity on the continent and among displaced Africans, and more. Soyinka's exploration of Africa relocates the continent in the reader's imagination and maps a course toward an African future of peace and affirmation.

THE NORTON ANTHOLOGY OF DRAMA

Yale University Press

A transporting and illuminating voyage around the globe, through classic and modern literary works that are in conversation with one another and with the world around them *Featured in the Chicago Tribune's Great 2021 Fall Book Preview * One of Smithsonian Magazine's Ten Best Books About Travel of 2021* Inspired by Jules Verne's hero Phileas Fogg, David Damrosch, chair of Harvard University's department of comparative literature and founder of Harvard's Institute for World Literature,

set out to counter a pandemic's restrictions on travel by exploring eighty exceptional books from around the globe. Following a literary itinerary from London to Venice, Tehran and points beyond, and via authors from Woolf and Dante to Nobel Prize-winners Orhan Pamuk, Wole Soyinka, Mo Yan, and Olga Tokarczuk, he explores how these works have shaped our idea of the world, and the ways in which the world bleeds into literature. To chart the expansive landscape of world literature today, Damrosch explores how writers live in two very different worlds: the world of their personal experience and the world of books that have enabled great writers to give shape and meaning to their lives. In his literary cartography, Damrosch includes compelling contemporary works as well as perennial classics, hard-bitten crime fiction as well as haunting works of fantasy, and the formative tales that introduce us as children to the world we're entering. Taken together, these eighty titles offer us fresh perspective on enduring problems, from the social consequences of epidemics to the rising inequality that Thomas More designed Utopia to combat, as well as the patriarchal structures within and against which many of these books' heroines have to struggle—from the work of Murasaki Shikibu a millennium ago to Margaret Atwood today. *Around the World in 80 Books* is a global invitation to look beyond ourselves and our surroundings, and to see our world and its literature in new ways.

Death and the King's Horseman
Cambridge University Press

"King Baabu chronicles the debauched rule of General Basha Bash, who takes power in a coup and exchanges his general's uniform for a robe and crown. In the manner of Alfred Jarry's Ubu Roi,

this is a ferocious, crackpot satire of the plague of dictatorship on the African continent. Weaving together burlesque comedy, theatrical excess and storytelling, it has been hailed as a brilliant parody of political regimes in Africa and beyond." --Book Jacket.

DEATH AND THE KING'S HORSEMAN

GRIN Verlag

"One of the most vital and original novelists of her generation." —Larissa MacFarquhar, *The New Yorker* From the bestselling author of *Americanah* and *We Should All Be Feminists* Fifteen-year-old Kambili and her older brother Jaja lead a privileged life in Enugu, Nigeria. They live in a beautiful house, with a caring family, and attend an exclusive missionary school. They're completely shielded from the troubles of the world. Yet, as Kambili reveals in her tender-voiced account, things are less perfect than they appear. Although her Papa is generous and well respected, he is fanatically religious and tyrannical at home—a home that is silent and suffocating. As the country begins to fall apart under a military coup, Kambili and Jaja are sent to their aunt, a university professor outside the city, where they discover a life beyond the confines of their father's authority. Books cram the shelves, curry and nutmeg permeate the air, and their cousins' laughter rings throughout the house. When they return home, tensions within the family escalate, and Kambili must find the strength to keep her loved ones together. *Purple Hibiscus* is an exquisite novel about the emotional turmoil of

adolescence, the powerful bonds of family, and the bright promise of freedom.
