A thorough book for guitarists on the applications and understanding of chords. Ed Sheeran Guitar Chord Songbook Solana Press

The study of classic ragtime guitar is very challenging. For this set of lessons for the intermediate and advanced guitarist we have picked four ever-popular rags. You

have the advantage in this series of learning from three different teachers, each with his own individual approach. 32 page tab/music book with three compact discs. LESSON ONE: The classic rag that started the "ragtime revival" was The Entertainer. This was used in the soundtrack for the film The Sting. It is a lyrical four part classic rag written by Scott Joplin. This lesson is taught by Stefan Grossman. LESSON TWO: One of the most popular classic rags written by Scott Joplin was his Maple Leaf Rag. Duck Baker teaches his arrangement to this highly syncopated and energetic classic rag. This

is followed by Silver Swan. Stefan Grossman is your teacher for this beautiful classic rag. LESSON THREE: Our last lesson is a tour de force in ragtime arranging and playing. It is James Scott's Hilarity Rag. This is a four part classic rag taught by Leo Wijnkamp Jr.

*Classic Ragtime Guitar* A&C Black Pianist George Shearing is that rare thing, a European jazz musician who became a household name in the US, as a result of the "Shearing sound"—the recordings of his historic late 1940s quintet. Together with his unique "locked hands" approach to playing the piano, Shearing's quintet

with guitar and vibraphone in close harmony to his own playing revolutionized small group jazz, and ensured that after seven years as Melody Maker's top British pianist, he achieved even greater success in America. His compositions have been recorded by everyone from Sarah Vaughan to Miles Davis, and his best known pieces include "Lullaby of Birdland", "She" and "Conception". His story is all the more remarkable because Shearing was born blind. His candid reminiscences include a behind the scenes experience of New York's 52nd Street in its heyday, as well as memories of a vast roll-call of professional colleagues that includes all the great names in jazz.

Hymns for Fingerstyle Guitar contains twenty five well-known hymns arranged for fingerstyle guitar in standard tuning. The arrangements are designed for easy sight reading, with the potential to embellish them on the fly to create more complex arrangements in your own style. In addition to the hymn arrangements, the book includes tips and suggestions on adding your own introductions and endings as well as improvising variations. Recordings of all hymns are available as a free download. From the author's Introduction: This book grew out of a need. Recently, I was asked to play during several funerals, with the request being to "just play some hymns." When I began looking for material, I found a wealth of wonderful arrangements for fingerstyle guitar, but none of them were going to work for me in this situation. Naturally, I had only a few days' notice, so I wasn't going to learn and memorize complex arrangements, no matter how beautiful they were. Even the simplest arrangements I found were many pages

long, and I didn't want to be turning pages during a funeral service, the way I would if I tried to read the music rather than memorize it. I also realized that in this setting, the focus wasn't on me, or how clever or complex the music was. I just needed to play appropriate music for the occasion that helped set the mood and that didn't detract from the service. Uncomplicated, melodic arrangements would be a plus. My solution forms the basis of this book - my own arrangements that are simple, almost "sketches" of an arrangement. What I decided I needed was a type of book known as a "fake book" in jazz circles - but for hymns - and designed for solo fingerstyle guitar. Jazz fake books are typically limited to just chord names and perhaps melody. I wanted a bit more than that - basically easily-playable arrangements with no complicated parts, and designed to be extended on the fly. Hymns: Abide With Me Amazing Grace A Mighty Fortress is Our God Be Thou My Vision Blessed Assurance Come Thou Fount of Every Blessing Fairest Lord Jesus Faith of Our Fathers For the Beauty of the Earth He Leadeth Me Holy, Holy, Holy I Have Decided to Follow Jesus In the

Hal Leonard Corporation (Book). More than a method or exercise book, this guide challenges jazz guitarists

to increase originality in their thinking and playing. Master player Larry Coryell takes readers deep inside the music to make connections between ideas and the guitar fretboard, helping them unlock their own creativity. This book/CD set builds logically from basic ideas to more advanced techniques, which Coryell explains in fine detail. He highlights musical ways to understand complex jazz concepts and presents his unique approach to improvisation by providing exciting new ways to play scales, intervals, arpeggios, melody and chords. Emphasizing group interaction and solos that sizzle, Coryell taps his decades of experience as a performer to offer insights into inventive, powerful ensemble playing. "This book should open the door to a better understanding in our quest for advanced guitar playing." Al DiMeola
