Tales That Tell the Truth Teach children about two extraordinary events in history when the God of the Bible proved himself to be the one true God. Kids today are faced with a huge range of different views on who God is (or isn't). How can they be sure who's got it right? This beautifully illustrated hardback storybook for children aged 3-6 is written by the team behind *The Garden, the Curtain and the Cross*. It retells two extraordinary events in history when the God of the Bible proved himself to be the one true God. First it takes children back to Elijah's time and the gripping "God contest" between the God of the Bible, Yahweh, and the false god Baal. Then it fast-forwards to a different mountain and another "God contest" at an empty tomb. Once the evidence is examined, it invites kids, in a world of so many options, to

decide with confidence to join Team Jesus.

Jacqueline Keys was ostracized from her small hometown of Pine Springs, Texas when she was seventeen, sent away because she was gay. Her family was the largest employer in the county, owning Pine Springs Lumber, and her father was mayor of this small town. Her mother could not accept the fact that her only child was gay, could not tolerate the gossip about her family. So, with a hundred dollars in her pocket and a one-way bus ticket out of town, Jacqueline was told not to come back until she had come to her senses. And that included being prepared to marry the son of a business associate of the family. Fifteen years later—long after she'd hitch-hiked to Los Angeles, long after she'd worked nights to put herself through college, and long after she'd written her first best seller, *No Place For Family*—Jacqueline is persuaded to go back to the tiny town of Pine Springs after her father's death. The quick trip she'd envisioned for the funeral turns into weeks as she learns her father's business is suddenly hers

to manage. And she is also again face-to-face with the woman who, as a teen, had been Jackie's first crush. She and Kay had been inseparable as kids, and later as teens. They find themselves falling back into their old habits, and Jackie is soon fighting the same feelings she'd had when she was seventeen. But living behind the pine curtain, Kay is afraid of her love for Jackie, afraid of what her family will say, afraid of how the town will react. Jackie refuses to hide, refuses to crawl back into the closet, so once again, she leaves Pine Springs...alone.

### **A TRUE STORY OF HOW YOU CAN TALK WITH GOD**

Hill and Wang  
In this 2006 text, Daniel M. Gurtner examines the meaning of the rending of the veil at the death of Jesus in Matthew 27:51a by considering the functions of the veil in the Old Testament and its symbolism in Second Temple and Rabbinic Judaism. Gurtner incorporates these elements into a compositional exegesis of the rending text in Matthew. He concludes that the rending of the

veil is an apocalyptic assertion like the opening of heaven revealing, in part, end-time images drawn from Ezekiel 37. Moreover, when the veil is torn Matthew depicts the cessation of its function, articulating the atoning role of Christ's death which gives access to God not simply in the sense of entering the Holy of Holies (as in Hebrews), but in trademark Matthean Emmanuel Christology: 'God with us'. This underscores the significance of Jesus' atoning death in the first gospel.

La Biblia para niños – Historias de Jesús edición especial bilingüe cuenta la historia que subyace detrás de todas las otras historias de la Biblia. En el centro de la misma se encuentra un niño, el niño del cual dependería todo. Cada relato susurra su nombre. Desde los tiempos de Noé, Moisés y el gran rey David, toda historia apunta hacia él. Es como la pieza que falta en un rompecabezas... la pieza que hace que todas las demás encajen en su lugar. Desde el Antiguo

Testamento hasta el Nuevo Testamento, conforme la historia se desenvuelve, los niños recogerán los indicios y armarán el rompecabezas. Siendo una Biblia como ninguna otra, la Biblia para niños – Historias de Jesús invita a los niños a unirse en la mayor de todas las aventuras para descubrir por sí mismos que Jesús está en el centro de la gran historia divina de la salvación... y en el centro de la historia de ellos también.

NEW YORK TIMES BESTSELLER The New York Times bestselling author of George Washington's Secret Six and Thomas Jefferson and the Tripoli Pirates turns to two other heroes of the nation: Abraham Lincoln and Frederick Douglass. In The President and the Freedom Fighter, Brian Kilmeade tells the little-known story of how two American heroes moved from strong disagreement to friendship, and in the process changed the entire course of history. Abraham Lincoln was White, born impoverished on a frontier farm. Frederick Douglass was Black, a child of slavery who had risked his life

escaping to freedom in the North. Neither man had a formal education, and neither had had an easy path to influence. No one would have expected them to become friends—or to transform the country. But Lincoln and Douglass believed in their nation's greatness. They were determined to make the grand democratic experiment live up to its ideals. Lincoln's problem: he knew it was time for slavery to go, but how fast could the country change without being torn apart? And would it be possible to get rid of slavery while keeping America's Constitution intact? Douglass said no, that the Constitution was irredeemably corrupted by slavery—and he wanted Lincoln to move quickly. Sharing little more than the conviction that slavery was wrong, the two men's paths eventually converged. Over the course of the Civil War, they'd endure bloodthirsty mobs, feverish conspiracies, devastating losses on the battlefield, and a growing firestorm of unrest that would culminate on the fields of Gettysburg. As he did in George Washington's Secret Six, Kilmeade has transformed

this nearly forgotten slice of history into a dramatic story that will keep you turning the pages to find out how these two heroes, through their principles and patience, not only changed each other, but made America truly free for all.

Unicorn Island

The classic story of seven children with a longing to be on stage: the inspiration for actors from Maggie Smith to Eileen Atkins In the town of Fenchester, seven resourceful children are yearning to be famous. One day, they come across a disused chapel, and an idea is formed. With a lick of paint and the addition of a beautiful curtain (which, however much they try, won't "swish" as stage curtains ought), the chapel becomes a theatre - and The Blue Door Theatre Company is formed. The children go from strength to strength, writing, directing and acting in their own plays. But their schooldays are numbered, and their parents want them to pack it in and train for sensible jobs. It seems that The Blue Door

Theatre Company will have to go the way of all childhood dreams. But with a bit of luck, and the help of some influential friends, perhaps this is not the end, but only the beginning of their adventures in show business...
