## **DEITY (THE THIRD COVENANT NOVEL)**

Defender Pub Llc

The spellbinding fourth novel in the acclaimed Covenant series from #1 New York Times bestselling Jennifer L. Armentrout. Enter the world of Covenant... Alex has Awoken and become the Apollyon. She has connected with Seth and now the thing she feared most has happened: her true self has been lost. But love is stronger than fate, and Aiden St. Delphi will do anything to break

the connection and get Alex back. And then there's the fact that the whole Alex-and-Seth combination is pretty dangerous: if Seth drains Alex of her power, he'll become the God Killer and the most powerful being on the planet. The one person needed to stop the impending destruction has been dead for centuries - and Alex will have to search for him in the Underworld. Finding her way into the Underworld to search for one soul among countless millions will be hard enough. Returning will be even harder. Alex needs to prevent Seth from becoming the God Killer...but the cost will be higher than she ever imagined.

**Antichrist is Born / Before They Were Left Behind** Cosimo, Inc.

2004 Christy Award finalist! The scattered Tribulation Force is drawn toward the Middle East, as are all the armies of the world, when human history culminates in the battle of the ages. During the last year of the Great Tribulation, safe houses are no longer safe and the world has become a powder keg of danger. Except for those already in Petra, everyone has been forced to relocate as the Antichrist ratchets up the pressure in the world's most treacherous game. As the Trib Force waits for the coming of Christ, Chloe Williams is drawn out of the safe house to investigate something suspicious. Buck and Tsion travel to Jerusalem while Nicolae Carpathia orders an attack on the city, and Rayford becomes seriously injured outside Petra. Who will survive Armageddon? A repackaged of the eleventh book in the

New York Times best-selling Left Behind series.

The Twelfth Imam: Rise of the Antichrist Tyndale House Publishers, Inc.

A history of the common people and the Industrial Revolution: "A true masterpiece" and one of the Modern Library's 100 Best Nonfiction Books of the twentieth century (Tribune). During the formative years of the Industrial Revolution, English workers and artisans claimed a place in society that would shape the following centuries. But the capitalist elite did not form the working class—the workers shaped their own creations, developing a shared identity in the process. Despite their lack of power and the indignity forced upon them by the upper classes, the working class emerged as England's greatest cultural and political force. Crucial to contemporary trends in all aspects of society, at the turn of the nineteenth century, these workers united into the class that we recognize all across the Western world today. E. P. Thompson's magnum opus, *The Making of the English Working Class* defined early twentieth-century English social and economic history, leading many to consider him Britain's greatest postwar historian. Its publication in 1963 was highly controversial in academia, but the work has become a seminal text on the history of the working class. It remains incredibly relevant to the social and economic issues of current times, with the Guardian saying upon the book's fiftieth anniversary that it "continues to delight and inspire new readers."

On the Brink of Armageddon Tyndale House Publishers, Inc.

Judd and Lionel entrust their safety to the son of a Global Community officer, while Vicki and the others in the Young Trib Force search to find Melinda before she can turn them in.
