#MeToo and the Global Fight for Women's Rights Riptide Publishing
'YOU'LL BE MOVED BY THE BRAVE WOMEN IN AWAKENING' MALALA YOUSAFZAI 'AWAKENING GOES WHERE NO BOOK HAS GONE BEFORE. INSPIRING, INSIGHTFUL, PROFOUNDLY MOVING' HILLARY RODHAM CLINTON #MeToo #EnaZeda #MieuPrimeiroAssedio #tystnadtagnig #ArewaMeToo All over the world, #MeToo inspired generations of women to fight in new ways for their rights. Yet so far, the news is dominated by narratives of celebrities and politicians in the US and UK. These are the stories you haven't heard. Stories of campaigning in the face of censorship, arrest and murder. Stories from favelas, film sets and feted institutions. Stories of passing groundbreaking laws against sexual harassment. For these women, #MeToo was not the beginning - and it is not the end. In Nigeria, women rise up against systemic abuse in universities and megachurches. Chinese activists drown out internet censors and defy arrests. In Egypt, protestors remain tenacious even as their president calls them terrorists. Pakistani actresses confront accused predators in court. Brazilian women run for office at the risk of intimidation and murder. And in Sweden, a country prided on its commitment to gender equality, the movement rocks citizens to their core. Some had been campaigning for years on feminist causes; some were galvanised by a movement that spread like wildfire on social media. Awakening brings together personal stories with

expert political analysis to champion their courage, understand their societies and gauge the battles yet to be won. It will open your eyes to the greatest global reckoning on women's rights in history.

After breaking his arm on set, Wolf's Landing stuntman Ginsberg Sloan finds himself temporarily out of work. Luckily, Bluewater Bay's worst B&B has cheap long-term rates, and Ginsberg's not too proud to take advantage of them. Derrick Richards, a grizzled laid-off logger, inherited the B&B after his parents' untimely deaths. Making beds and cooking sunny-side-up eggs is hardly Derrick's idea of a man's way to make a living, but just as he's decided to shut the place down, Ginsberg shows up on his doorstep, pitiful and soaking wet, and Derrick can hardly send him packing. Not outright, at least. The plan? Carry on the B&B's tradition of terrible customer service and even worse food until the pampered city boy leaves voluntarily. What Derrick doesn't count on, though, is that the lousier he gets at hosting, the more he convinces bored, busybody Ginsberg to try to get the B&B back on track. And he definitely doesn't count on the growing attraction between them, or how much more he learns from Ginsberg than how to put out kitchen fires.

THE FLESH CARTEL, SEASON 2: AUCTION

Faber & Faber
It was supposed to be paradise... After creating advanced mapping technology that intelligence agencies itch to add to their arsenals, Ivy MacLeod can't turn down the perfect opportunity to test it: mapping a vast World War II battle site in the islands of

Palau. The historic survey is more than an all-expenses-paid trip to paradise, it's also an opportunity to distance her reputation from her traitorous ex-husband. Disaster strikes when her ex-husband's allies attempt to steal the equipment, but the man she turns to for help might be the bigger threat to her mission, her country, and her every waking thought. Is he protecting her as he claims...or is he a foreign agent? Her compass is skewed by the magnetic pull of him and further thrown off when she learns her own government has betrayed her. Stranded on a tropical island with a man whose motives remain a mystery, Ivy must decide who is the spy, who is the protector, and who is the ultimate villain. Choose right, and she gets to keep her country's secrets—and her life. Choose wrong...and she risks nothing short of all-out war. Topics: military thriller, political thriller, political romance, contemporary romance, romantic suspense, thriller, mystery, hot romance, women's romance, action and adventure, special forces, espionage, spies, special ops romance, underwater archaeology, historical archaeology, World War II history, archaeological mapping, spy technology, alpha hero, strong heroine, scientist heroine, genius heroine, spy hero, international, Palau, Russia, enemies to lovers, Rachel Grant, Evidence Series.

"Sexy, hot, funny and sweet, Heated Rivalry is a game changer in sexy sports romance." —All About Romance Nothing interferes with Shane Hollander's game—definitely not the sexy rival he loves to hate. Pro hockey star Shane Hollander isn't just crazy talented, he's got a spotless reputation. Hockey is his life. Now that he's captain of the Montreal Voyageurs, he won't let anything jeopardize that, especially the sexy Russian whose hard body keeps him awake at night. Boston Bears captain Ilya Rozanov is everything Shane's not. The self-proclaimed king of the ice, he's as cocky as he is talented. No one can beat him—except Shane. They've made a career on their legendary rivalry, but when the skates come off, the heat between them is undeniable. When Ilya realizes he wants more than a few secret hookups, he knows he must walk away. The risk is too great. As their attraction intensifies, they struggle to keep their relationship out of the public eye. If the truth comes out, it could ruin them both. But when their need for each other rivals their ambition on the ice, secrecy is no longer an option... One touch will break an ancient curse... Helen Browning's hands safeguard mothers and guide babies into the world. From the ashes of a painful childhood loss, she's built a career nurturing new families. One touch will awaken the passion of a lifetime... A lifelong obsession with an ancient statue--the stone figure of a man, imploring, anguished, and beautiful--draws Helen far from home to see it in person. Compelled by irresistible need, she reaches out, over the velvet ropes, to lay hands on the stone. One touch will change the fate of the world... Helen's single rebellious act throws her into the center of a violent clash

between warring factions of an ancient and powerful race. By her side, the one man who can tip the balance of power in favor of Light. One touch will jeopardize the future... She's awoken the one man who sets her soul on fire, but can she bear the cost of their forever? "In this fun, sexy adventure, Mandy Dawson introduces an unforgettable world of magic, myth, and passion." - Cameron D. Garriepy, author of *Damselfly Inn: A Thornton Vermont Novel*.

An Elemental Novel Houghton Mifflin Harcourt

Brandon McKinney is a man reborn. Newly awakened to the notion of consensual power exchange and the submissive urges inside him, he begs for a second chance from the man who opened his eyes to this world: Silicon Valley superstar Jonathan Watkins. But no birth is absent pain, and Brandon's is no exception. He fears he's not strong enough to see it through. Jonathan knows better. He's seen the iron core inside his new submissive, and the wounded heart inside him too. He means to teach Brandon to heal the one with the other. They have five months left on their contract, after all, and Jonathan has done more with less before. It's tough to stay objective, though, when you're falling in love. Shame Brandon doesn't feel the same. He's only there for the three-million-dollar payout at contract's end--a fact that Jonathan, nursing his own wounded heart, reminds himself of each day. For even as Brandon's barriers break and his mind expands, even as he grows to love his place at Jonathan's feet, he'll never love life with a sadist--especially one who cannot escape the public eye. "This title is #2 of the Power Play series." "Reader discretion advised. This title contains the following sensitive themes: heavy kink."

You Play the Girl St. Martin's Essentials

Four years after the collapse of the Inner circle, the Asterian Order is functioning as Aspen and the late Magistrate envisioned; containment centers have been shut down, antiquated laws have been abolished, and free elections for a new Prime Minister are underway. In the meantime, Aspen and her fiancé, Aiden, have been enjoying their peaceful life out of the spotlight and away from the Order. However, in the absence of containment and conviction, the line between freedom and secrecy has been blurred; amid the turmoil, a fresh wave of Elemental Supremacism is threatening to take hold of the Asterian Parliament. To combat this, Ori announces his bid to become Minister. If he loses, his radical opponent will be turning dangerous rhetoric into a stark reality that poses a direct threat to the entire human race. While he and Aspen embark on a crucial political mission, Aiden, Eileen, and Sophia are joined by an old nemesis to carry out their own top-secret quest: scouring the globe for rogue Elementals with extraordinary powers. If they succeed in recruiting these hundreds of Wilders to their cause, they'll have a slew of newcomers to support Ori's campaign. But if they fail, their adversary will have access to the greatest army of Elementals the world has ever seen. The stakes have never been higher for Aspen and her friends... and losing has never been more dangerous.

My Darling from the Lions: Poems T&C

Brought to live with the George family as a child, all anyone knew about enigmatic Rachel was that she worked hard, making herself indispensable to the plantation. And she remained a mystery until the day she disappeared, even to her husband. Especially to her husband. Henry was Rachel's opposite, gregarious where she was quiet, fanciful where she was pragmatic. After years of marriage, Rachel left Henry and their oldest son without explanation and set off on a steamer for New

York City with their other four children. Was her flight the ultimate act of betrayal or one of extraordinary courage? Eight characters connected by blood and circumstance reconstruct Rachel's inexplicable vanishing act.

The Flesh Cartel, Season 16: To the Victor Carina Press
 "Rachel Macy Stafford's post "The Day I Stopped Saying Hurry Up" was a true phenomenon on The Huffington Post, igniting countless conversations online and off about freeing ourselves from the vicious cycle of keeping up with our overstuffed agendas. Hands Free Mama has the power to keep that conversation going and remind us that we must not let our lives pass us by." --Arianna Huffington, Chair, President, and Editor-in-Chief of the Huffington Post Media Group, nationally syndicated columnist, and author of thirteen books
<http://www.huffingtonpost.com/> DISCOVER THE POWER, JOY, AND LOVE of Living "Hands Free" If technology is the new addiction, then multi-tasking is the new marching order. We check our email while cooking dinner, send a text while bathing the kids, and spend more time looking into electronic screens than into the eyes of our loved ones. With our never-ending to-do lists and jam-packed schedules, it's no wonder we're distracted. But this isn't the way it has to be. In July 2010, special education teacher and mother Rachel Macy Stafford decided enough was enough. Tired of losing track of what matters most in life, Rachel began practicing simple strategies that enabled her to momentarily let go of largely meaningless distractions and engage in meaningful soul-to-soul connections. She started a blog to chronicle her endeavors and soon saw how both external and internal distractions had been sabotaging her happiness and preventing her from bonding with the people she loves most. Hands Free Mama is the digital society's answer to finding balance in a media-saturated, perfection-obsessed world. It doesn't mean giving up all technology forever. It doesn't mean forgoing our jobs and responsibilities. What it does mean is seizing the little moments that life offers us to engage in real and meaningful interaction. It means looking our loved ones in the eye and giving them the gift of our undivided attention, leaving the laundry till later to dance with our kids in the rain, and living a present, authentic, and intentional life despite a world full of distractions. So join Rachel and go hands-free. Discover what happens when you choose to open your heart—and your hands—to the possibilities of each God-given moment.

Power Play Simon and Schuster

WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD FOR CRITICISM A FINALIST FOR THE PEN/DIAMONSTEIN-SPIELVOGEL AWARD FOR THE ART OF THE ESSAY "If Hollywood's treatment of women leaves you wanting, you'll find good, heady company in You Play the Girl."—ELLE As a kid in the 1970s and 80s, Carina Chocano was confused by the mixed messages all around her; messages that told her who she could be—and who she couldn't. Dutifully absorbing all the conflicting information the culture has to offer on how to be a woman, Chocano grappled with sexed up sidekicks, princesses waiting to be saved, and morally infallible angels who seemed to have no opinions of their own. She learned that "the girl" is not a person, but a man's idea of what a woman should be—she's whatever the hero needs her to be in order to become himself. It wasn't until she spent five years as a movie critic, and was laid off just after her daughter was born, however, that she really came to understand how the stories the culture tells us about what it means to be a girl limit our lives and shape our destinies. She resolved to rewrite her own story. In *You Play the Girl*, Chocano blends formative personal stories with insightful and emotionally powerful analysis. Moving from Bugs Bunny to Playboy Bunnies, from Flashdance to Frozen, from the progressive '70s through the backlash '80s, the glib '90s, and the

pornified aughts—and at stops in between—she explains how growing up in the shadow of "the girl" taught her to think about herself and the world and what it means to raise a daughter in the face of these contorted reflections. In the tradition of Roxane Gay, Rebecca Solnit, and Susan Sontag, Chocano brilliantly shows that our identities are more fluid than we think, and certainly more complex than anything we see on any kind of screen.

As prince of a war-torn human province, Freyrik could ill afford to fall for an enemy. And Ayden, an elven warrior with three hundred years of bitterness in his heart, wanted no part of love. Yet they came together despite themselves and the wills of their peoples, joining hearts and minds to fight.

THE FLESH CARTEL, SEASON 6: BROTHERHOOD

Riptide Publishing

Barbara Kingsolver's acclaimed international bestseller tells the story of an American missionary family in the Congo during a poignant chapter in African history. It spins the tale of the fierce evangelical Baptist, Nathan Price, who takes his wife and four daughters on a missionary journey into the heart of darkness of the Belgian Congo in 1959. They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King James Bible - is calamitously transformed on African soil. Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to redemption. The *Poisonwood Bible* was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. It continues to be read and adored by millions worldwide.

The Flesh Cartel, Season 17: Boxed In Llewellyn Publications

Explains how to find freedom in the love of Jesus, detailing the story of Lazarus to demonstrate that this love is separate from personal accomplishments, and includes a Bible study for group and individual reflections.

ELEMENTAL AWAKENING
