Alfred's Basic Prep Course, Lesson Book A

is specifically designed for beginners who

are five years old and up. Through the use

of appealing music and attractive

illustrations, it is no wonder that Lesson

Book A is the most widely used young

beginner's piano book now available. This

course takes into consideration the normal

attention span, as well as the small-sized

hands of the young beginner. Shortly after

beginning, the young student will be able

to play "Merrily We Roll Along." A

companion CD is included. The complete

Prep Course consists of six books (Levels A

through F). This course is most effective

when used under the direction of a piano

teacher or experienced musician.
