Introduce your students to strategic management with the
market-leading text that sets the standard for the most complete,
relevant presentation. Written by highly respected experts and
prestigious instructors, Hitt, Ireland and Hoskissons, STRATEGIC
MANAGEMENT: COMPETITIVENESS AND GLOBALIZATION,

CONCEPTS AND CASES, 10E provides an intellectually rich, yet
thoroughly practical, analysis of strategic management today.
This unique text is the only one that integrates the classic
industrial organization model with a resource-based view of the
firm to give students a complete understanding of how today's
businesses use strategic management to establish a sustained
competitive advantage. The authors combine the latest, cutting-
edge research and strategic management trends with ideas from
some of today's most prominent scholars. A strong global focus
and carefully selected examples from more than 600 emerging
and established companies place ideas into context within an
inviting, practical presentation. A wealth of learning features,
experiential exercises and more than 30 all-new compelling cases
examine a broad range of critical issues confronting managers
today. Engaging, updated video cases, CNOW online teaching

tools, and a complete electronic business library help keep issues current and relevant. STRATEGIC MANAGEMENT: COMPETITIVENESS AND GLOBALIZATION provides the solid understanding your students need to effectively apply strategic management tools and techniques to increase performance and their organization's competitive advantage. The Management of Strategy Cengage Learning

"With an emphasis on global advantage, the text offers a comprehensive examination of regional and international issues to provide a complete, accurate and up-to-date explanation of the strategic management process. New coverage on

environmental concerns and emerging technologies as well as examples and cases from Australia, New Zealand and Asia-Pacific serve to engage students while updated international content demonstrates how strategic management is used in the global economy. The text takes a 'resource-based' approach, which requires the examining of a firm's unique bundling of its internal resources." --Publisher's website.
