BLACK TRILLIUM

D A W Books, Incorporated

Three fan-favorite authors present “a classic fantasy quest involving mysterious wizards, rites of passage, and the salvation of a kingdom” (Library Journal). Peace has long reigned in Ruwenda thanks to the magical protection of the Archimage Binah. The realm’s devoted guardian is aging, however, and her magic is weakening. When the kingdom’s triplet princesses were still infants, Binah gave each of them the mystical power of the Black Trillium. But the unthinkable occurs too soon, and Ruwenda is overrun by the ravaging armies of neighboring Labornok before the sisters, Haramis, Kadiya, and Anigel, have time to learn how to use their great gift. Forced to flee, the young princesses must follow their separate destinies through a dangerous and unfamiliar world of Oddlings and enemies—for only the combined power of three magical talismans can help them defeat the malevolent sorcerer who has brought chaos and death to their once-idyllic home. But it will take new kinds of strength and wisdom to confront the great evil that has descended on the World of the Three Moons. Marion Zimmer Bradley, Julian May, and Andre Norton, three of the most honored names in fantasy fiction, have joined forces to create an extraordinary world and culture in the first book of the remarkable Saga of the Trillium, a breathtaking tale of duty, peril, love, and magic.

A Companion to the Young Adult Literature Weiser Books

This is the novel of four who defied the powers of the matrix guardians - fanatics who protected those powers so that the planet of the ruddy sun might never fall beneath the influence of the materialistic Terrans. The four who found themselves fused into a terrifying unity in that defiance were two men and two women. The men were Damon Ridenow, a Comyn of the ruling caste, and Andrew Carr, the Earthman who had won for himself the right of clan-entry. The women were Ellemir, betrothed of Damon, and Callista, who foreswore her vows to seek the love of the alien from the stars. All the forces of the Ancient Darkover were to combine to resist this "unnatural" alliance - and the novel that grew out of this physical and psychic conflict displays the talent of Marion Zimmer Bradley at its finest! The story of the building of the Forbidden Tower - and its ultimate fate - will stand high in the bestselling Darkover saga.

Marion Zimmer Bradley's Darkover Viking Adult

In *The Mirror of Her Dreams*, the dazzling first volume of *Mordant's Need*, New York Times bestselling author Stephen R. Donaldson introduced us to the richly imagined world of Mordant, where mirrors are magical portals into places of beauty and terror. Now, with *A Man Rides Through*, Donaldson brings the story of Terisa Morgan to an unforgettable conclusion. . . . Aided by the powerful magic of Vagel, the evil Arch-Imager, the merciless armies are marching against the kingdom of Mordant. In its hour of greatest need, two unlikely champions emerge. One is Geraden, whose inability to master the simplest skills of Imagery has made him a laughingstock. The other is Terisa Morgan, transferred to Mordant from a Manhattan apartment by Geraden's faulty magic. Together, Geraden and Terisa discover undreamed-of talents within themselves—talents that make them more than a match for any Imager . . . including Vagel himself. Unfortunately, those talents also mark them for death. Branded as traitors, they are forced to flee the castle for their lives. Now, all but defenseless in a war-torn countryside ravaged by the vilest horrors Imagery can spawn, Geraden and Terisa must put aside past failures and find the courage to embrace their powers—and their love—before Vagel can spring his final trap.

Heartlight is the story of Bradley's greatest champion of good, Colin MacLaren, as he carries the banner of Light through the second half of the twentieth century. Ghostbuster, exorcist, student and teacher of the mystic arts, Colin meets Claire Moffat, who becomes his dearest friend, when he rescues her from a cult bent on human sacrifice. The leader of that cult, Toller Hasloch, becomes one of Colin's greatest enemies. Working behind the scenes for the next thirty years, Hasloch subtly manipulates politics and the economy to turn America away from the Light. Colin, busy saving lives and teaching the next generation of psychic warriors, realizes almost too late how Hasloch has warped America's promise. Now, Colin MacLaren is the only one who can face Hasloch and the hellhounds the younger man has unleashed. He must fight on, while the fate of America, and perhaps all mankind, hangs in the balance.
