Extended Mathematics for
Cambridge IGCSE

provides for the second year of a two-year course leading to the Cambridge IGCSE Mathematics Extended Level examination from University of Cambridge International Examinations. This is the second of two books (Core and Extended), which together completely cover the syllabus for the Cambridge IGCSE Mathematics Extended Level. Students may either study the whole of the Core course in their first year, followed by the Extended in their second

year, or they may study 1 from Core followed immediately by 1 from Extended. Either way, the books are designed to be worked through sequentially and can be used both as classroom textbooks and for self-study.

 IGCSE English second edition is designed for students following the University of Cambridge International Examinations 0500 First Language English syllabus. Simple guidelines, advice from experienced examiners

and extensive use of examples taken from candidates' work make this a book that will genuinely help students raise their level of success and enjoyment in English. It includes a section entitled 'How writers achieve their effects', revised questions and mark schemes, and an extended section on coursework. This practical approach, with straightforward explanations backed by clearly analysed examples make it invaluable for all students taking any first-

level secondary English course. - Chapter 1 aims to improve and develop students' reading skills, to help them achieve the best possible grade in the Reading and Directed Writing paper. - Chapter 2 covers reading comprehension and other skills needed for the Directed Writing and Composition paper. - Chapter 3 aims to improve and develop students' writing skills, to help them achieve the best possible grade in the Directed Writing and Composition paper. -

Chapter 4 helps students practise the specific skills needed for the writing aspects of the extended Directed Writing and Composition paper. - Chapter 5 looks at the particular skills needed when writing a summary - a task which features in both Component 1 and Component 2. - Chapter 6 advises on continuous writing and is divided into two sections: one on composition writing, for those taking Component 3, and one on coursework. - Chapter 7 outlines the requirements of the

Speaking and Listening exam.
