Springtime in Noisy Village New York
Review of Books

It's a sunny Easter Sunday in Sweden and the farmer's family are having breakfast, when suddenly their bull, Goran, breaks loose. Can anyone get him back under control?

Emil's Clever Pig Turtleback

David Piper has always been an outsider. His parents think he's gay. The school bully thinks he's a freak. Only his two best friends know the real truth: David wants to be a girl. On the first day at his new school Leo Denton has one goal: to

be invisible. Attracting the attention of the most beautiful girl in his class is definitely not part of that plan. When Leo stands up for David in a fight, an unlikely friendship forms. But things are about to get messy. Because at Eden Park School secrets have a funny habit of not staying secret for long , and soon everyone knows that Leo used to be a girl. As David prepares to come out to his family and transition into life as a girl and Leo wrestles with figuring out how to deal with people who try to define him through his history, they find in each other the friendship and support they need to navigate life as transgender teens as well as the courage to decide for themselves what normal really

means.

Astrid the Unstoppable Knopf Books for Young Readers

Downton Abbey meets *The Tale of Peter Rabbit* in this heartwarming chapter book about a mouse discovering where she belongs. When Mona the mouse stumbles across the wondrous world of the Heartwood Hotel in the middle of a storm, she desperately hopes the staff will let her stay. As it turns out, Mona is precisely the maid they need at the grandest hotel in Fernwood Forest, where animals come from far and wide for safety, luxury and comfort. But it's not all acorn soufflé and soft, moss-lined beds. Danger lurks nearby, and as it approaches, Mona has to use all her wits to protect the place she's come to love. Because this hotel is more than a warm

shelter for the night. It might also be a home. This delightfully enticing story of friendship, courage and community, sweetly illustrated by Stephanie Graegin, kicks off a new chapter-book series by the author of the *Magical Animal Adoption Agency* books.

The Day Adam Got Mad Farrar Straus Giroux

THE LOST MASTERPIECE FROM ASTRID LINDGREN'S CHILDREN'S CLASSIC Pippi Moves In marks the first time that the legendary Pippi Longstocking comics by the famed children's author and creator Astrid Lindgren and Danish illustrator Ingrid Vang Nyman will be published

outside of Scandinavia in thirty years, as well as their first ever publication in English. The outspoken strong-girl with the carrot-colored pigtails and the mismatched socks has enthralled generations of children the world over with her fabulous exploits at Villa Villekulla, where she lives with her horse and monkey. Countless translations of the chapter books are available in more than sixty languages. Pippi is Sweden's best-known children's export, making it all the more remarkable that D+Q has discovered what will be a three-volume series. The comics are re-imaginings of the classic chapter book stories and were originally published in the Swedish magazine Humpty Dumpty in 1957–1959, a decade after the original books. The comics spotlight both

Lindgren's brilliant writing and Vang Nyman's bold bright colors that seem presciently and eerily modern. The original illustrator for the chapter books, Vang Nyman was an avant-garde champion of the importance of children's literature who insisted that art in children's books needed to meet the same esthetic standards as art in any other medium. Sadly Vang Nyman never achieved international success, and tragically committed suicide in 1959 due to mental health issues, while Lindgren went on to become one of the world's best-loved writers with more than 145 million books sold worldwide. Similar to D+Q's 2005 unearthing of the Tove Jansson's Moomin comic strip, which has more than 100,000 units in print, these mid-century classics are waiting to be

discovered and enjoyed by the world's legions of Pippi fans, both young and old. The Children of Noisy Village Knopf Books for Young Readers
Five-year-old Lotta certainly isn't going to sit quietly on her own in her room when the whole world seems against her.

THE COUNTRY CHILD

Bethlehem Books
There's a rat running amok in Emil's house, and he's determined to capture it. But hiding the rat trap just under his father's bed probably isn't ideal . . . That's just the start of Emil's adventures, which, once begun, never stop. Hens, dogs, little sisters - and adults - all flee his path. But Emil doesn't mean to be bad, it's just that trouble - and fun -

follow him wherever he goes. A collection of utterly engaging tales from one of the world's best-loved children's authors.

Lotta Says 'No!' Doubleday Books for Young Readers

Pippi Longstocking meets Heidi meets Anne Shirley in this tale of an irrepressible girl in a mountain village who navigates unexpected changes with warmth and humor. Speed and self-confidence, that's Astrid's motto.

Nicknamed "the little thunderbolt," she loves to spend her days racing down the hillside on her sled, singing loudly as she goes, and visiting Gunnvald, her grumpy, septuagenarian best friend and godfather, who makes hot chocolate from real chocolate bars. She just wishes there were other children to share her hair-raising adventures with. But Astrid's

world is about to be turned upside down by two startling arrivals to the village of Glimmerdal: first a new family, then a mysterious, towering woman who everyone seems to know but Astrid. It turns out that Gunnvald has been keeping a big secret from his goddaughter, one that will test their friendship to its limits. Astrid is not too happy about some of these upheavals in Glimmerdal — but, luckily, she has a plan to set things right.

Emil in Lönneberga *Enfant*

Six-year-old Anna Pellowski's older siblings, Jacob, Franciszek, Barney, Mary and Pauline are exposed to English at school, but only Polish is spoken at home. The younger children—Anna, Julian, Anton barely know a word of their new country's language, but then

neither do many of their neighbors. When the family goes to town to celebrate the 100th birthday of the United States, the speaker gives his speech in a mix of German, Polish, Bohemian and Norwegian! Some years before, in the mid 1800's, Anna's mother, father and brother Baby Jacob had come from Poland to live in a tiny sod house in Western Wisconsin and establish the very first farm in the entire Latsch Valley. Now the growing family lives in a real house, with neighbors on every side, and the world for quietly curious Anna is filled with fascinating possibilities—as well as lots of hard work. Sometimes she dreams of going back to the Poland she is always hearing about, but increasingly she realizes that life in Latsch Valley, with its rich cultural

rhythm of work, play and religious faith, holds everything she could possibly want.
