CCH's Federal Tax

Compliance Manual (formerly published under title, "CCH Federal Tax Manual") is a comprehensive source for explanations, practical examples, filled-in tax return forms, key tax facts, federal tax tables and other information that will assist practitioners in accurately complete federal tax returns. This convenient and authoritative resource covers the preparation of tax returns and tax compliance -- providing helpful guidance on the basic federal tax rules and forms affecting individuals and businesses. The rules applied to everyday business and personal income tax decisions are thoroughly discussed with special emphasis on how these issues should be

handled on the return. Among the topics covered are: - Individuals - Corporations - Pass-Through Entities - Income, Deductions and Credits - Tax Accounting Rules - Dividends, Interest, Rents and Royalties - Retirement Plans and Distributions - Depreciation - Sales and Exchanges - Gains and Losses - Decedents, Estates and Trusts - Exempt Organizations - Foreign Income - Estimated Tax and Withholding - Returns, Refunds and Credits - Estate, Gift and Generation-Skipping Transfer Taxes - Tax Planning

The S Corporation Answer Book
Cengage Learning
Federal Taxation
Comprehensive Topics
is a popular teacher-

created combination first- and second-level tax course that offers comprehensive one-volume coverage of all the most important tax concepts and principles for a solid grounding in federal taxation. It offers clear and concise explanation of fundamental tax concepts in the framework of today's tax practice. Covering both planning and compliance, the book strikes an effective balance between AICPA model curriculum demands and the favored approaches of the majority of today's top tax teachers. Comprehensive Topics introduces students to the complex and absorbing study of federal taxation, covering a broad range of subjects beginning with basic concepts

and individual taxation. Once the fundamentals are covered, tax accounting and the taxation of partnerships and corporations become the focus. The final section of the book presents estate and gift taxation coverage, along with income taxation of trusts and estates. Deferred compensation, education savings, international tax, and state and local taxation are also addressed. Written by top tax teachers from across the country, Federal Taxation: Comprehensive Topics presents materials in straightforward language to improve student comprehension. Emphasis is given to the most important topics that have the

greatest real-world impact.
