You who have dreamed of finding the love worth fighting for, the friends worth fighting with, and the secrets of the martial arts: dream no longer. Welcome to Shen Zhou: a China that never was, a land of mysteries and adventures, appearing for the first time in the Legends of the Wulin Role Playing Game. Welcome to the Wulin itself to the "world of martial arts," where the dreams and ambitions of heroes collide. Become a wuxia hero, with a grander-than-life personality, capable of great joy and overwhelming melancholy. Step outside the accepted order of things: it cannot contain the immense passions and inspirations that move you. Take up your blade and join your martial brothers. Master an array of new and powerful kung fu styles and learn the deep mysteries of the secret arts. It's time to become a legend. Guard the Sun and Moon. Weave the Divine Iron Web. Invoke the Hell-Pattern Judgment. Practice the Hidden Execution Strike. Recite the Mantra of Immolation. Call upon the Iron Buddha's Disapproval. Fly like the Golden Crow. Wield the Lotus-Forged Needles. Master medicine, confound your enemies with the secret arts of intrigue, and read from the sacred registers. Inflict curses and blessings. Practice extraordinary Daoist techniques. Carry the lightning of Heaven hidden in your hand.

'85-'20 Haynes Repair Manual

This How to Restore Norton Commando manual is aimed at owners and enthusiasts of the legendary Norton Commando, and covers all areas of restoration from the sourcing of the bike to its completion as a fully restored machine. Starting with advice on the different models, spares availability and where best to source a bike to restore, the book then covers the complete dismantling and restoration of the bike. Describing the engine, frame, gearbox, wheels, suspension and forks, brakes, ancillaries, bodywork, and electrics, the text is illustrated with hundreds of clear colour photos. What really sets this manual apart is the style in which it is written: not as some dull and distant workshop manual but in a friendly, humorous manner by an enthusiast of many years who is able to involve and entertain the reader, as well as providing a thorough and detailed restoration guide. This is the fourth restoration guide from an author whose previous works have been a massive hit with mechanics, enthusiasts and restorers throughout the world.
