Oxford Practice
Grammar Advanced is
divided into 17 units
which provide a review
of the grammar of
contemporary English.
Within each unit there
are separate sections
on specific features
e.g. Present Perfect or
Past Simple. As well as
the types of exercises
you will be used to
there are some
exercises specifically
designed for students
who are becoming

more advanced in
English. These include:
summary exercises,
dictionary exercises,
matching and editing
activities. You can
either start at the
beginning and work
through to the end or
choose the order in
which you want to
study the grammar
topics, perhaps starting
with those that
are giving you
problems. Two-page
tests at the end of
each unit or section
mean you can see how
much you have learned
and decide if you need
more practice. For
those unsure of some
of the terminology
there is also a Glossary
explaining the meaning
of all the grammatical
terms.

Oxford Practice Grammar Advanced with answers Oxford University Press, USA
 Oxford Practice Grammar knows that students need different types of explanation and practice at each stage of their study. Advanced gives challenging practice activities and in-depth explanations. Great for classroom or self-study and it helps you prepare for standard exam questions asked in CAE, CPE, TOEFL, IELTS and other advanced-level exams.

practice activities to stretch your language skills ; extended texts for your analysis, reference and practice ; tasks that challenge you to work out the grammar rules for yourself, reactivating the grammar you know ; the exit test that shows if you are ready to take a higher-level exam ; and the Practice-Plus CD-ROM that gives you interactive exercises and tests.

OXFORD PRACTICE GRAMMAR

Oxford Practice Grammar Basic with answers
 This book has been designed by combining the goodness of the original Wren & Martin text, High School Grammar & Composition, and specialized content

developed by a panel of competitive examination experts in the area of the English language. The USP is therefore adapting a classical text to the needs of the various admission and recruitment competitive examination aspirants. Its exhaustive coverage ensures that virtually no competitive examination remains untouched. Students preparing for descriptive tests such as UPSC (Compulsory English and General English Papers of Main Exams) and state PCS examinations, Judicial Services examination, Indian Forest Service examination, Statistical Services and many other examinations in which subjective papers/tests are mandatory will find this

book immensely useful. The book is also a boon for those students who are preparing for objective tests such as Banking and Insurance, SSC, UPSC preliminary, Defence Services, Law entrance, Business School entrance examinations, and many other admission and recruitment examinations. A unique feature of this book is demonstration of the connectedness of the concepts and their applications visually, with the help of arrows and pointers. The aspirant will also find questions from recent examinations on virtually every page of the book. An index of examination-wise questions has been included so that the aspirant can choose the sections according

to the targeted examination and focus more. Topic-wise distribution of questions in English examination papers - both descriptive and objective - will also help aspirants to undertake a very well directed test-prep program using the book.
