*Sabriel, Lirael, Abhorsen* Harper Collins

Game of Thrones fans will love the New York Times bestselling Abhorsen series. Sabriel, the first

installment in the trilogy, launched critically acclaimed author Garth Nix onto the fantasy scene as a rising star. Dark Secrets, Deep Love, and Dangerous Magic Sent to a boarding school in Ancelstierre as a young child, Sabriel has had little experience with the random power of Free Magic or the Dead who refuse to stay dead in the Old Kingdom. But during her final semester, her father, the Abhorsen, goes missing, and Sabriel knows she must enter the Old Kingdom to find him. She soon finds companions in Mogget, a cat whose aloof manner barely conceals its malevolent spirit, and

Touchstone, a young Charter Mage long imprisoned by magic, now free in body but still trapped by painful memories. As the three travel deep into the Old Kingdom, threats mount on all sides. And every step brings them closer to a battle that will pit them against the true forces of life and death—and bring Sabriel face-to-face with her own destiny. “Sabriel is a winner, a fantasy that reads like realism. Here is a world with the same solidity and four-dimensional authority as our own, created with invention, clarity and intelligence.” —Philip Pullman, author of His Dark Materials trilogy  
*Clariel* Harper Collins

Out-of-this-world magical adventure series for teens from the award-winning, New York Times bestselling author of Sabriel and the Old Kingdom series. Seven days. Seven keys. One very unlikely hero. Arthur must retrieve the Second Key from Grim Tuesday in order to save everything - an adventure that will force him to steal a sunship, survive a very weird work camp, befriend a bearlike spirit, and fight the void Nithlings. **Spiritual Notions in Garth Nix's Old Kingdom Trilogy** Hachette UK

The first book in the blockbuster series, The Keys to the Kingdom, by internationally acclaimed author Garth Nix. Moving between our familiar world and bizarre other realms where nothing is predictable, Nix delivers a thrilling adventure-fantasy of breathtaking scope and ingenuity. Arthur is safe - but his world is not. Along with the key comes a plague brought by bizarre creatures from another realm. A stranger named Mister Monday, his avenging messengers with blood-stained wings, and an army of dog-faced Fetchers will stop at nothing to get the key back - even if it means destroying Arthur and everything around him. Desperate, Arthur ventures into a mysterious house - a house that only he can see. It is in this house that Arthur must unravel the secrets of the key - and discover his true fate.

Emily Bird was raised not to ask questions. She has perfect hair, the perfect boyfriend, and a perfect Ivy-League future. But a chance meeting with Roosevelt David, a homeland security agent, at a party for Washington DC's elite leads to Bird waking up in a hospital, days later, with no memory of the end of the night. Meanwhile, the world has fallen apart: A deadly flu virus is sweeping the nation, forcing quarantines, curfews, even martial law. And Roosevelt is certain that Bird knows something. Something about the virus--something about her parents' top secret scientific work--something she shouldn't know. The only one Bird can trust is Coffee, a quiet, outsider genius who deals drugs to their classmates and is a firm believer in conspiracy theories. And he believes in Bird. But as Bird and Coffee dig deeper into what really happened that night, Bird finds that she might know more than she remembers. And what she knows could unleash the biggest government scandal in US history.

“Outstanding...Amid a space opera resurgence, Bear’s novel sets the bar high.” —Publishers Weekly (starred review) A space salvager and her partner make the discovery of a lifetime that just might

change the universe in this wild, big-ideas space opera from Hugo Award-winning author Elizabeth Bear. Halmey Dz and her partner Connla Kurucz are salvage operators, living just on the inside of the law...usually. Theirs is the perilous and marginal existence—with barely enough chance of striking it fantastically big—just once—to keep them coming back for more. They pilot their tiny ship into the scars left by unsuccessful White Transitions, searching for the relics of lost human and alien vessels. But when they make a shocking discovery about an alien species that has been long thought dead, it may be the thing that could tip the perilous peace mankind has found into full-out war. Energetic and electrifying, *Ancestral Night* is a dazzling space opera, sure to delight fans of Alastair Reynolds, Iain M. Banks, and Peter F. Hamilton—“Bear's ability to create breathtaking variations on ancient themes and make them new and brilliant is, perhaps, unparalleled in the genre” (Library Journal, starred review).

*Have Sword, Will Travel* Harper Collins

Everyone is after Arthur Penhaligon including strange pirates, shadowy creatures, and Drowned Wednesday, whose gluttony threatens both her world and Arthur's.

*Summer and Bird* Allen & Unwin

Rin, Razo's little sister, is haunted by the forest she has always loved. When Razo invites her back to the city to be one of Queen Ani's waiting women, she happily accepts . . . only to end up on the adventure of her lifetime, following the queen, Enna and Dasha into the countryside in search of a fire-starting enemy that no one can see. As she learns more about the three women's magical talents, she finds her own strength comes from places both expected - the forest - and unexpected - the sound of her own voice. A brilliant addition to the Books of Bayern, this book is a treat for fans of this series, and stands alone for readers who might be discovering the joys of Shannon Hale's writing for the first time.

## SABRIEL

Harper Collins

The New York Times bestselling first novel in the Bone Season series, an epic fantasy about a young woman fighting to use her powers and stay alive in an England entirely different from our own. In 2059, Scion has taken over most of the world's cities, promising safety for all the citizens it deems worthy and wiping out clairvoyants wherever it can find them. Paige Mahoney, though, is a clairvoyant--and a criminal just for existing. Paige is determined to fight Scion's power, and as part of the Seven Seals, Paige has found a use for her powers: she scouts for information by breaking into others' minds as they dream. But when Paige is captured and arrested, she encounters a power more sinister even than Scion. The voyant prison is a separate city, controlled by a powerful, otherworldly race. These creatures, the Rephaim, value the voyants highly-as soldiers in their army. Paige is assigned to a Rephaite keeper, Warden, who will be in charge of her care and training. He is her master. Her natural enemy. But if she wants to regain her freedom, Paige will have to learn something of his mind and his own mysterious motives. The Bone Season introduces a compelling heroine-a young woman learning to harness her powers in a world where everything has been taken from her. It also introduces an extraordinary young writer, with huge ambition and a teeming imagination. Samantha Shannon has created a bold new reality in this riveting debut.

Nevertheless she must undertake a desperate mission under the growing shadow of an ancient evil—one that threatens to break the very boundary between Life and Death itself. With only her faithful companion, the Disreputable Dog, to help her, Lirael must find the courage to seek her own hidden destiny. Abhorsen: The Abhorsen Sabriel and King Touchstone are missing, leaving only Lirael—newly come into her inheritance as the Abhorsen-in-Waiting—to stop the Destroyer. With only a vision from the Clayr to guide her, Lirael must search in both Life and Death for some means to defeat the evil destructor—before it is too late. . . . Clariel: Clariel is the daughter of one of the most notable families in the Old Kingdom, with blood relations to the Abhorsen and, most important, to the King. She dreams of living a simple life but discovers this is hard to achieve when a dangerous creature is loose in the city and there is a plot brewing against the King. When Clariel is drawn into the efforts to find and capture the creature, she finds hidden sorcery within herself, yet it is magic that carries great dangers.
