**Report** Casemate The award-winning historian provides a provocative new analysis of the Battle of the Alamo—including new information on the fate of Davy Crockett. Contrary to legend, we now know that the defenders of the

Alamo during the Texan Revolution died in a merciless predawn attack by Mexican soldiers. With extensive research into recently discovered Mexican accounts, as well as forensic evidence, historian Phillip Tucker sheds new light on the famous battle, contending that the traditional myth is even more off-base than we thought. In a startling revelation, Tucker uncovers that the primary fights took place on the plain outside the fort. While a number of the Alamo's defenders

hung on inside, most died while attempting to escape. Capt. Dickinson, with cannon atop the chapel, fired repeatedly into the throng of enemy cavalry until he was finally cut down. The controversy surrounding Davy Crockett still remains, though the recently authenticated diary of the Mexican Col. José Enrique de la Peña offers evidence that he surrendered. Notoriously, Mexican Pres. Gen. Antonio López de Santa Anna burned the bodies of the Texans who had dared stand against

him. As this book proves in thorough detail, the funeral pyres were well outside the fort—that is, where the two separate groups of escapees fell on the plain, rather than in the Alamo itself.

Parliamentary Papers  
IF YOU DON'T KNOW  
SIMON SCARROW, YOU  
DON'T KNOW ROME! THE

EAGLE IN THE SAND is the action-packed seventh novel in Simon Scarrow's bestselling Eagles of the Empire series. Essential reading for fans of Bernard Cornwell. 'Scarrow's [novels] rank with the best' Independent Judaea in AD 46. Roman centurions Cato and Macro have been posted to Judaea for a 'hearts and minds' operation. The Empire needs to win over the locals after some of their religious figures have started revolts - and since the Romans crucified the

last charismatic Judean leader, the natives' rebellions have become bolder. Not only are these small villages causing trouble, but there are also thousands of Parthians eager to fight Rome. With the threat of suicide attacks and even all-out war, Cato and Macro have their peace-keeping work cut out...
