The House On Gulf Margaret Peterson Haddix *OMB No. 3249283016917* edited by

MYLA JAMARI

Double Identity Vintage

Finalist for the International Booker Prize and the National Book Award A haunting Orwellian novel about the terrors of state surveillance, from the acclaimed author of *The Housekeeper and the Professor*. On an unnamed island, objects are disappearing: first hats, then ribbons, birds, roses. . . . Most of the inhabitants are oblivious to these changes, while those few able to recall the lost objects live in fear of the draconian Memory Police, who are committed to ensuring that what has disappeared remains forgotten. When a young writer discovers that her editor is in danger, she concocts a plan to hide him beneath her floorboards, and together they cling to her writing as the last way of preserving the past. Powerful and provocative, *The Memory Police* is a stunning novel about the trauma of loss. ONE OF THE BEST BOOKS OF THE YEAR THE NEW YORK TIMES * THE WASHINGTON POST * TIME * CHICAGO TRIBUNE * THE GUARDIAN * ESQUIRE * THE DALLAS MORNING NEWS * FINANCIAL TIMES * LIBRARY JOURNAL * THE A.V. CLUB * KIRKUS REVIEWS * LITERARY HUB American Book Award winner

Simon and Schuster

Lindsay, a former child star who suffered a nervous breakdown after developing the ability to hear what anyone says about her, comes to see this as an asset when, after her father's death, she learns that she is not alone.

GONE WITH THE WIND

Simon and Schuster

In a war-torn future United States, fifteen-year-old Tessa, her childhood friend Gideon, now a traumatized military hero, and Dek, a streetwise orphan, enter enemy territory and discover the shocking truth about a war that began more than seventy-five years earlier.

Bubble Trouble Simon and Schuster

I'm the new kid. I am tuf. This morning I beat up a kid. It's only the first day of school for Dexter, but he's already mad at the principal, and the secretary, and the janitor, and the kids who laugh at him. When his teacher tells the class to write a story, Dexter writes about how tough he is—and how he's already gotten into a fight. Is any of Dexter's story true? Why was the other boy crying before Dexter hit him? And why would the other boy still want to be Dexter's friend? Even Dexter doesn't know the answers to some of those questions. But as he deals with family problems, a persistent teacher, and a boy who's strangely interested in floor wax, he discovers many surprises hidden in his own tale.

THE HOUSE ON THE GULF

Andersen Press USA

New York Times bestselling author Margaret Peterson Haddix, the master of cliffhangers, delivers a pulse-pounding mystery perfect for fans of Jacqueline West and Kat Yeh, full of secrets, surprises, and the power of family. One minute they're there: laughing and having fun at the house next door. The next minute, the teens are gone. Like magic. Marin can't believe her eyes. Who are they? Can anyone else see them? What makes them so happy? Marin is lonely in this new town of hers and eager to figure out more. Then she meets Charley, who reveals that he knows about them, too. He calls them the "Remarkables." Charley warns her to stay away from the Remarkables—and him. Charley and Marin both have painful secrets they're holding on to, but could solving the mystery of the Remarkables help them both? In addition to building an intriguing world filled with mystery, Haddix also grounds the story with real issues that many children face. Characters deal with the complexities of bullying, the guilt children experience when parents have addiction issues, and the uplifting power found in strong families of all shapes and sizes.

Late Migrations Simon and Schuster

This retelling of a beloved fairy tale finds 15-year-old Ella discovering that accepting the Prince's

proposal ensnares her in a suffocating tangle of palace rules and royal etiquette.

Among the Brave HarperCollins

Ten-year-old girls don't wear wigs. So why is Anya wearing one? That's what Keely wants to know. But when Anya's wig falls off in front of the whole class, Keely realizes what she really wants is to help Anya, even though she's not sure how—and even though it means she'll have to do something she's afraid of: stand up to her friends. As for Anya, she just wants her hair to grow back, but no one can tell her whether it ever will. How can she learn to accept her disease when she can't even look in the mirror?

THE ALWAYS WAR

Simon and Schuster

A rising-star historian offers a significant new global perspective on the Revolutionary War with the story of the conflict as seen through the eyes of the outsiders of colonial society Winner of the Journal of the American Revolution Book of the Year Award • Winner of the Society of the Cincinnati in the State of New Jersey History Prize • Finalist for the George Washington Book Prize Over the last decade, award-winning historian Kathleen DuVal has revitalized the study of early America's marginalized voices. Now, in *Independence Lost*, she recounts an untold story as rich and significant as that of the Founding Fathers: the history of the Revolutionary Era as experienced by slaves, American Indians, women, and British loyalists living on Florida's Gulf Coast. While citizens of the thirteen rebelling colonies came to blows with the British Empire over tariffs and parliamentary representation, the situation on the rest of the continent was even more fraught. In the Gulf of Mexico, Spanish forces clashed with Britain's strained army to carve up the Gulf Coast, as both sides competed for allegiances with the powerful Chickasaw, Choctaw, and Creek nations who inhabited the region. Meanwhile, African American slaves had little control over their own lives, but some individuals found opportunities to expand their freedoms during the war. *Independence Lost* reveals that individual motives counted as much as the ideals of liberty and

freedom the Founders espoused: Independence had a personal as well as national meaning, and the choices made by people living outside the colonies were of critical importance to the war's outcome. DuVal introduces us to the Mobile slave Petit Jean, who organized militias to fight the British at sea; the Chickasaw diplomat Paymataha, who worked to keep his people out of war; New Orleans merchant Oliver Pollock and his wife, Margaret O'Brien Pollock, who risked their own wealth to organize funds and garner Spanish support for the American Revolution; the half-Scottish-Creek leader Alexander McGillivray, who fought to protect indigenous interests from European imperial encroachment; the Cajun refugee Amand Broussard, who spent a lifetime in conflict with the British; and Scottish loyalists James and Isabella Bruce, whose work on behalf of the British Empire placed them in grave danger. Their lives illuminate the fateful events that took place along the Gulf of Mexico and, in the process, changed the history of North America itself. Adding new depth and moral complexity, Kathleen DuVal reinvigorates the story of the American Revolution. Independence Lost is a bold work that fully establishes the reputation of a historian who is already regarded as one of her generation's best. Praise for Independence Lost "[An] astonishing story . . . Independence Lost will knock your socks off. To read [this book] is to see that the task of recovering the entire American Revolution has barely begun."—The New York Times Book Review "A richly documented and compelling account."—The Wall Street Journal "A remarkable, necessary—and entirely new—book about the American Revolution."—The Daily Beast "A completely new take on the American Revolution, rife with pathos, double-dealing, and intrigue."—Elizabeth A. Fenn, Pulitzer Prize-winning author of Encounters at the Heart of the World

Remarkables Simon and Schuster

Jonah, thirteen, and Katherine, eleven, travel through time to 1918 Russia just as Alexei, Anastasia, and the rest of Tsar Nicholas II's family is about to be executed.

In Over Their Heads DigiCat

From New York Times bestselling author Margaret Peterson Haddix comes the first book in a "crisp, intriguing, and thought-provoking" (Booklist, starred review) new series about twins who are on a quest to discover the secrets being kept by their new family. Nick and Eryn's mom is getting remarried, and the twelve-year-old twins are skeptical when she tells them their lives won't change much. Well, yes, they will have to move. And they will have a new stepfather, stepbrother, and stepsister. But Mom tells them not to worry. They won't ever have to meet their stepsiblings. This news puzzles Nick and Eryn, so the twins set out on a mission to find out who these kids are—and why they're being kept hidden.

House Beautiful Fireplaces HarperCollins

In the third installment of Haddix's series about a futuristic society in which families are forbidden to have more than two children, Nina, a secondary character in *Among the Impostors*, is falsely accused of treason and imprisoned by the Population Police. Her interrogator gives her an ultimatum: either she can get three other child prisoners, illegal third-borns like Nina, to reveal who harbored them and where they got their fake identification cards, or she will be executed. Nina sees a chance to escape the prison and, taking the prisoners with her, quickly discovers their street smarts. But when their food supply runs out, Nina seeks the boy she knew as Lee.

What if school was sports, and sports were school? A talented teen athlete questions reality—and the role she plays in it—when a mysterious injury upends her world. Athletics are everything for eighth-grader KT Sutton. She's a softball star, and she's on track to get a college scholarship and achieve international fame. Then one day during a championship game—in the middle of an important play—she suddenly blacks out. When she wakes up, she's in a different world. One where school is class after class of athletic drills, and after-school sports are replaced by popular academic competitions. One where KT is despised for her talent, and where her parents are fixated on her brother's future athletics career rather than KT's softball hopes. KT is desperate to get back to reality as she knew it, but bits and pieces of disturbing memories and dreams make her wonder if something truly awful happened there. What if she's lost something a lot more important than a softball game? From New York Times bestselling author of *Sent* and *Sabotaged*, an engaging and highly relevant exploration of society's debate of smarts versus sports.

Palace of Mirrors The House on the Gulf

HIDE OR FIGHT? Matthias, an illegal third child, is caught in the cross fire between rebels and the Population Police. When he unwittingly saves a Population Police officer, Matthias is brought to Population Police headquarters to train as an officer himself. There he meets Nina, another third-born who enlists his help in a plot to undermine the Population Police. But Matthias is under constant scrutiny, and he has no idea whom he can trust. What can one boy do against a wicked bureaucracy?

TWO CAN PLAY

Simon and Schuster

The terms of 50-year-old Lily McVay's divorce settlement are quirky at best: live in her ex-husband's house, restore her mother-in-law's garden, & host her small town's annual soiree. Lily sets out to lay old ghosts to rest and grow a new life.

War: How Conflict Shaped Us Frances Lincoln Children's Books

Insightful and heart-wrenching, *Where the Angels Lived* is the true story of a woman's relentless determination to pick up the pieces of her family's fragmented history throughout the Hungarian Holocaust. Straddling memoir and reportage, past and present, this story reminds us all that we can escape a country, but we can never escape history.

Under Their Skin Simon and Schuster

Is peace an aberration? The New York Times bestselling author of *Paris 1919* offers a provocative view of war as an essential component of humanity. NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW "Margaret MacMillan has produced another seminal work. . . . She is right that we must, more than ever, think about war. And she has shown us how in this brilliant, elegantly written book."—H.R. McMaster, author of *Dereliction of Duty* and *Battlegrounds: The Fight to Defend the Free World* The instinct to fight may be innate in human nature, but war—organized violence—comes with organized society. War has shaped humanity's history, its social and political institutions, its values and ideas. Our very language, our public spaces, our private memories, and some of our greatest cultural treasures reflect the glory and the misery of war. War is an uncomfortable and challenging subject not least because it brings out both the vilest and the noblest aspects of humanity. Margaret MacMillan looks at the ways in which

war has influenced human society and how, in turn, changes in political organization, technology, or ideologies have affected how and why we fight. *War: How Conflict Shaped Us* explores such much-debated and controversial questions as: When did war first start? Does human nature doom us to fight one another? Why has war been described as the most organized of all human activities? Why are warriors almost always men? Is war ever within our control? Drawing on lessons from wars throughout the past, from classical history to the present day, MacMillan reveals the many faces of war—the way it has determined our past, our future, our views of the world, and our very conception of ourselves.

RONALD REAGAN AND MARGARET THATCHER

Simon and Schuster

A Quaker's faith is tested during the War of 1812 in this "stunning work of historical fiction" (Kirkus Reviews, starred review). Mark Greenhow, a naive and peaceful Quaker, lands on the shores of North America on the eve of the War of 1812, thinking only of finding the missing sister, a missionary whose adventurous spirit he has always admired. His pursuit begins by hitching a ride with the voyageurs who have canoed the rivers, transporting the tons of furs that feed the trade that has made the region a battleground of the French and British empires. Though Mark enters this brave new world with his conscience clean and his convictions sound, his encounters with a place and people he never could have imagined test his rigid upbringing. The backwoods of Canada have certainly led his sister astray; she has been excommunicated from the Society of Friends for running off with a non-Quaker. After her child is stillborn she runs again, deep into Indian country. On this increasingly desperate search, Mark finds himself among spies and domestic warriors, displaced natives, infidels, and the pious each engaged in their own battles to maintain their particular way of life. With Elphinstone's crisp and effortless prose, coupled with her riveting, organic way with description, her fully drawn characters, and the history of the region, she "brings the landscapes and peoples of 1800s Canada back to thrilling life in her pacy, colorful and intelligent epic: the finest trip along these rivers since Brian Moore's great *Black Robe*" (The Independent).

The House on the Gulf Simon and Schuster

[If only] Bran would stop acting weird....Probably he had a perfectly reasonable explanation for everything. I just couldn't imagine what it would be. When Britt's older brother, Bran, lands a summer job house-sitting for the Marquises, an elderly couple, it seems like a great opportunity. Britt and Bran have moved to Florida so their mother can finish college, and the house-sitting income will allow their mom to quit her job and take classes full-time. Having never lived in a real house before, Britt is thrilled. There's only one problem: Britt starts to suspect her family isn't supposed to be there. She's been noticing that Bran is acting weird and defensive -- he hides the Marquises' mail, won't let anyone touch the thermostat, and discourages Britt from meeting any of the neighbors. Determined to get to the bottom of things, Britt starts investigating and makes a startling discovery -- the Marquises aren't who Bran has led her and their mom to believe. So whose house are they staying in, and why has Bran brought them there? With unexpected twists and turns, award winner Margaret Peterson Haddix has again crafted a thriller that will grip readers until its stunning conclusion.
