As editor-in-
chief of New
York's leading
fashion
magazine,
Fiona
Monaghan
was utterly
content with
her life, jetting
back and forth
between her
stylish
Manhattan
and
Europe—until
the sweltering
June day John
Anderson
strolled into
her office. A
widower with
two

daughters,
John was as
conservative
as Fiona was
freewheeling,
both amused
and appalled
by her world
of high-strung
designers,
anorexic
models, Fendi-
stuffed
closets, and
Sir Winston,
her snoring
bulldog. But
after Fiona
impulsively
invited John to
the Paris
couture
shows,
somewhere
between the
magic of the
runway and

the stroll along the Seine, she let him into her heart. And within weeks of their return to New York, John was making friends with Sir Winston—and Fiona was making room in her closets. It didn't take long for the dominoes to start falling. First, John introduced Fiona to his hostile daughters and their bloodthirsty Pekingese and snarling housekeeper. Then, after a disastrous

dinner party with John's biggest client, Fiona and John's relationship began to unravel with alarming speed. What happens next will set Fiona on a journey filled with pain, revelation, and awakening. When she risks everything and returns to Paris alone, an extraordinary series of events begins to unfold. And as the snow falls on the city of light, the curtain will rise on a

second act Fiona never saw coming. In a dazzling tale of modern misadventures and career-crossed relationships, Danielle Steel captures the heady magic of instant attraction, the challenges of change—and the hope that comes when we dare to do it all over again.

It was the maiden voyage of the Titanic, the greatest ship ever built, and in one fatal,

unforgettable night, the sea shattered the lives and future of an extraordinary family, the Winfields. Edwina Winfield, returning from her engagement trip to England with her fiancée and her family, instantly loses her parents, the man she loved and her dreams. Without even time to mourn, she courageously defies convention to run her family's California newspaper

and care for her five younger siblings. Unable to forget her fiancée Charles, she is determined never to marry, to keep her family together, and to fight to survive as a woman alone. But Phillip, her beloved oldest brother, sets out for Harvard and tragically betrays her trust. Madcap brother George turns to the excitement of Hollywood during its magical days,

not to the Winfield publishing empire. And lovely Alexis, who narrowly escaped death when the Titanic went down, grows into a troubled runaway whom even Edwina's love may not be able to save. The two youngest, Fannie and Teddy, remain with Edwina at home. Compelling and deeply moving, No Greater Love questions a woman's choices and the price she must pay for making them.

And in an unforgettable climax, it offers an answer—as Edwina confronts the ghosts haunting her and take an extraordinary risk for her future and her heart.

 A dedicated CIA agent becomes an unexpected ally to a woman haunted by the kidnapping of her family, in this thrilling novel from #1 New York Times

bestselling author Danielle Steel. Theodora Morgan is fashion royalty. Founder of a wildly popular online shopping service, she is one of the most successful businesswomen in the world, although she prefers to keep a low profile, especially over the last months. It was a year ago when the unthinkable struck her family, and her husband, industry mogul

Matthieu Pasquier, and their son were kidnapped and held for ransom—a nightmare that ended in tragedy. The case has gone cold, despite evidence linking the crime to Matthieu’s Russian competitors. Theo has reluctantly gone back to work running her company. On the flight to a launch party for one of her highly anticipated pop-up shops in New York City, she crosses paths with high-

society networker Pierre de Vaumont. Theo politely invites him to her event—unaware that Pierre has been flagged by the CIA. Senior supervising CIA operative Mike Andrews investigates Pierre’s suspicious Russian contacts and clears him to enter the country, but when he realizes that Theodora Morgan is on the same flight, he becomes concerned for her safety.

Posing as a lawyer, Mike begins a covert mission—starting with Theo’s opening party. When Mike and Theo meet, their connection is instant, but Theo is completely unaware of Mike’s true objective or identity... or that the life she is rebuilding is in grave danger. Sunset in St. Tropez Delacorte Press Four sisters, a Manhattan brownstone, and a tumultuous year of loss

and courage are at the heart of Danielle Steel’s new novel about a remarkable family, a stunning tragedy—and what happens when four very different young women come together under one very lively roof. Twenty-one-year-old Candy is blazing her way through Paris, New York, and Tokyo as fashion’s latest international supermodel. Her sister Tammy, twenty-nine,

has a job producing the most successful hit show on TV. In New York, oldest sister Sabrina, thirty-four, is an ambitious young lawyer, while Annie, at twenty-six, is an American in Florence, living for her art. One Fourth of July weekend, the four sisters come home to Connecticut for their family's annual gathering. But before the holiday is over, tragedy strikes and their world is utterly

changed. Suddenly, four sisters who have been fervently pursuing success and their own lives come together to share one New York brownstone, to support each other, and to pick up the pieces while one of them struggles to heal her shattered body and soul. A bustling house is soon filled with eccentric dogs, laughter, tears, friends, men . . . and the kind of honesty and

unconditional love only sisters can provide. But as the four women settle in, they are forced to confront the direction of their respective lives. With unerring insight and compassion, Danielle Steel tells a compelling story of sisters who are irrevocably woven into the fabric of one another's lives. Brilliantly blending humor and heartbreak, she delivers a powerful

message
about the
fragility—and
the
wonder—of
life.

Lorenzo's widow, Maylis, has transformed their home in St. Paul de Vence into a celebrated restaurant decorated with her late husband's paintings, and treats it as a museum. There, on a warm June evening, Theo first encounters Natasha, the most exquisite woman he has ever seen. And there,

Second Chance HarperCollins Australia The self-appointed mayor of a tiny Italian village is determined to save his hometown no matter the cost in this charming, hilarious, and

heartwarming debut novel. Vacuum repairman and self-appointed mayor of Prometto, Italy (population 212) Signor Speranza has a problem: unless he can come up with 70,000 euros to fix the town's pipes, the water commission will shut off the water to the village and all its residents will be forced to disperse. So in a bid to boost tourism—and revenue—he spreads a harmless rumor that movie star

Dante Rinaldi will be filming his next project nearby. Unfortunately, the plan works a little too well, and soon everyone in town wants to be a part of the fictional film—the village butcher will throw in some money if Speranza can find roles for his fifteen enormous sons, Speranza’s wistfully adrift daughter reveals an unexpected interest in stage makeup, and his hapless

assistant Smilzo volunteers a screenplay that’s not so secretly based on his undying love for the film’s leading lady. To his surprise—and considerable consternation, Speranza realizes that the only way to keep up the ruse is to make the movie for real. As the entire town becomes involved (even the village priest invests!) Signor Speranza starts to think he might be able to pull this off. But

what happens when Dante Rinaldi doesn’t show up? Or worse, what if he does? Every woman makes choices. And no one has made more difficult choices than Olivia Grayson. The enormously successful businesswoman missed out on much of her children's lives while she built her legendary home-furnishings empire. In Danielle Steel's character-rich new novel, Olivia faces the past, tries to balance the present, and makes amends where due, while still running her vastly successful business. THE SINS OF THE MOTHER As a way of making up to them for time lost, Olivia spends months every year planning a lavish holiday that everyone in her family will enjoy. This summer she has arranged a dream trip in the Mediterranean on a luxurious yacht, which she hopes will be the most memorable vacation of all. Her lavish gesture every year expresses her love for them, and regret at all the important times she missed during her children's younger years. Her younger daughter, Cassie, a hip London music producer, refuses the invitation altogether, as she does every year. Her older daughter, Liz, lives in her mother's shadow, with a terror of failure as she tries to recapture her dream of being a writer. And her sons, John and

Phillip, work for Olivia, for better or worse, with wives who wish they didn't. In the splendor of the Riviera, this should be a summer to remember, with Olivia's children, grandchildren, and daughters-in-law on board. But as with any family gathering, there are always surprises, and no matter how glamorous the setting things don't always turn out as ones hopes. Family dynamics are

complicated, old disappointments die hard, and as forgiveness and surprising revelations enter into it, new bonds are formed, and the future takes on a brighter hue. And one by one, with life's irony, Olivia's children find themselves committing the same "sins" for which they blamed their mother for so many years. It is a summer of compassion, important lessons, and truth. The Sins

of the Mother captures the many sides of family love: complex, challenging, funny, passionate, and hopefully enduring. Along the way, we are enthralled by an unforgettable heroine, a mother strong enough to take more than her fair share of the blame, wise enough to respect her children for who they really are, and forgiving enough to love them unconditionally. But when a chance encounter brings them together again, the time has finally come to make a choice, one that will have profound consequences for them both for the rest of their lives. Against a vivid backdrop of war and thrilling innovation, Danielle Steel breaths life into history, weaving an intensely human story that spans three

decades, of two intensely different people who, in spite of themselves, are irrevocably woven into the fabric of each other's lives. With rare insight and emotional power, she brings to life a tale of unconditional love, sacrifice, and compromise. The joining of two remarkable halves into a single far more powerful whole. It is a novel of extraordinary grace and compassion

from a master perhaps the best story she
storyteller, has told.
