**Side of Lost**

Cambridge University Press  
A YA romance—with a sparkling commercial voice and a dash of science—that explores a relationship over six years. The moment Spencer meets Hope the summer before seventh grade, it's something at first sight. The pair become fast friends, climbing trees and planning world travels. After years of being outshone by his older

brother and teased because of his Tourette syndrome, Spencer finally feels like he belongs. But as Hope and Spencer get older and life gets messier, the clear label of “friend” gets messier, too. Through sibling feuds and family tragedies, new relationships and broken hearts, the two grow together and apart, and Spencer, an aspiring scientist, tries to map it all out using his trusty system of taxonomy.

He wants to identify and classify their relationship, but in the end, he finds that life doesn't always fit into easy-to-manage boxes, and it's this messy complexity that makes life so rich and beautiful.

Experience the Star Wars saga reimaged as an Elizabethan drama penned by William Shakespeare himself, complete with

authentic meter and verse, and theatrical monologues and dialogue by everyone from Darth Vader to R2D2. Return once more to a galaxy far, far away with this sublime retelling of George Lucas's epic Star Wars in the style of the immortal Bard of Avon. The saga of a wise (Jedi) knight and an evil (Sith) lord, of a beautiful princess held captive and a young hero coming of age, Star Wars abounds with

all the valor and villainy of Shakespeare's greatest plays. Authentic meter, stage directions, reimagined movie scenes and dialogue, and hidden Easter eggs throughout will entertain and impress fans of Star Wars and Shakespeare alike. Every scene and character from the film appears in the play, along with twenty woodcut-style illustrations that depict an Elizabethan version of the Star Wars

galaxy. Zounds! This is the book you're looking for. *Irin Chronicles Book Three* HarperCollins In this heart-wrenching tale of love and loss, a young Marine and his best friend's sister plunge into a forbidden love affair while he's home on leave. When a Marine Chaplain knocks on her door, Jessa's heart breaks—some one she loves is dead. Killed in action, but is it Riley or Kit? Her brother or her

boyfriend... Three months earlier, Marine Kit Ryan finds himself back home on leave and dangerously drawn to his best friend Riley's sister, Jessa—the one girl he can't have. Exhausted from fighting his feelings, Kit finally gives in, and Jessa isn't strong enough to resist diving headfirst into a passionate relationship. But what was just supposed to be a summer romance develops into something far

greater than either of them expected. Jessa's finally found the man of her dreams and Kit's finally discovered there's someone he'd sacrifice everything for. When it's time for Kit to redeploy, neither one is ready to say goodbye. Jessa vows to wait for him and Kit promises to come home to her. No matter what. But as Jessa stands waiting for the Marine Chaplain to break her heart, she

can't help but feel that Kit has broken his promise... Riley or Kit? Kit or Riley? Her brother or her boyfriend? Who's coming home to her?

A USA TODAY BESTSELLER!  
A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing and the power of our

own stories. The smallest items can hold centuries of secrets... Inara Erickson is exploring her deceased aunt's island estate when she finds an elaborately stitched piece of fabric hidden in the house. As she peels back layer upon layer of the secrets it holds, Inara's life becomes interwoven with that of Mei Lein, a young Chinese girl mysteriously driven from her home a century before.

Through the stories Mei Lein tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson. *Irin Chronicles Book Seven* Harper Collins At the gates between worlds...In a war outside of time...He fights for us.Reclusive

college student Jonathan Tibbs wakes in a pool of blood, not a scratch on him. His life is about to undergo a massive shift. A violent and monstrous alien enemy unleashes slaughter in the streets, calling out in a language only he understands. And it is seeking its challenger. In order to defeat the threat, Jonathan must become a temporal weapon, while remaining completely

anonymous. Unfortunately, harnessing off-world powers has its own special challenges...The Never Hero is the first installment in The Chronicles of Jonathan Tibbs -- a mind-bending, genre crossing, action-adventure trilogy."Thought provoking, action packed, psychological and smart."

Amazon Reviewer, Sam G - See full review below."I have a feeling I will be mulling over the philosophical ideas presented in this book for a very long time. Interesting, thought provoking, inspiring. Write faster, we need more books that pull on heart strings and keep the reader totally involved."

Amazon Reviewer, Laura Lee - See full review below."The Never Hero is a book I wish I hadn't read -- so I could read it for the first time. Hodges has crafted a superb story about a hero who isn't. But he is. Even though he isn't. He has created a literary landscape equal to the task; a story that comes upon you slowly, then grabs you by the throat and refuses to let go. I can highly recommend both this title and author. If you enjoy scifi, this will thrill you. If you enjoy being surprised, this will catch you completely off guard. I was upset it was over. I want more!"

Amazon

Reviewer, Joe  
 - See full review below."Say Joss Whedon's Buffy The Vampire Slayer got together with Christopher Nolan's Inception and made a baby. Then, M. Night Shyamalan's Unbreakable got together with Orson Scott Card's Ender's Game and made a baby. Then those two babies grew up, eloped and had a love child, who they put up for adoption, and was raised by the surrogate

parent's of Sylvester Stallone's Rocky and the Wachowski Brother's Matrix, but had a crazy Uncle they all called The Karate Kid... Then you might get something as awesome as The Never Hero." Amazon Reviewer, Scott Baker - See full review below."I think it's only a matter of time before 'The Never Hero' becomes a Sci-Fi bestseller and a blockbusting movie. The story is more

than gripping, it's throat clutching." Amazon Reviewer, Maria Stoica - See full review below.Get your copy and start reading today!

 Independently Published  
 For every athlete or sports fanatic who knows she's just as good as the guys. This is for fans of The Running Dream by Wendelin Van Draanen, Grace, Gold, and Glory by Gabrielle Douglass and Breakaway: Beyond the

Goal by Alex Morgan. The summer before Caleb and Tessa enter high school, friendship has blossomed into a relationship . . . and their playful sports days are coming to an end. Caleb is getting ready to try out for the football team, and Tessa is training for cross-country. But all their structured plans derail in the final flag game when they lose. Tessa doesn't want to end her career as

a loser. She really enjoys playing, and if she's being honest, she likes it even more than running cross-country. So what if she decided to play football instead? What would happen between her and Caleb? Or between her two best friends, who are counting on her to try out for cross-country with them? And will her parents be upset that she's decided to take her hobby to the next level? This summer Caleb and

Tessa figure out just what it means to be a boyfriend, girlfriend, teammate, best friend, and someone worth cheering for. "A great next choice for readers who have enjoyed Catherine Gilbert Murdock's Dairy Queen and Miranda Kenneally's Catching Jordan."—SLJ "Fast-paced football action, realistic family drama, and sweet romance...[will I have] readers looking for

girl-powered sports stories...find[ing] plenty to like.”—Booklist “Tessa's ferocious competitiveness is appealing.”—Kirkus Reviews “[The Football Girl] serve[s] to illuminate the appropriately complicated emotions both of a young romance and of pursuing a dream. Heldring writes with insight and restraint.”—The Horn Book *The Destiny* Penguin In spite of all the papers that others

have written about the manuscript, there is no complete survey of all the approaches, ideas, background information and analytic studies that have accumulated over the nearly fifty-five years since the manuscript was discovered by Wilfrid M. Voynich in 1912. This report pulls together all the information the author could obtain from all the

sources she has examined, and to present it in an orderly fashion. The resulting survey will provide a firm basis upon which other students may build their work, whether they seek to decipher the text or simply to learn more about the problem.

 If what you see is what you get, Jules is in serious trouble. The suspenseful first in a series from the New York Times bestselling author of the Wake trilogy. Jules lives with her family above their restaurant, which means she smells like pizza most of the time and drives their double-meatball-

shaped food truck to school. It's not a recipe for popularity, but she can handle that. What she can't handle is the recurring vision that haunts her. Over and over, Jules sees a careening truck hit a building and explode...and nine body bags in the snow. The vision is everywhere—on billboards, television screens, windows—and she's the only one who sees it. And the more she sees

it, the more she sees. The vision is giving her clues, and soon Jules knows what she has to do. Because now she can see the face in one of the body bags, and it's someone she knows. Someone she has been in love with for as long as she can remember. In this riveting start to a gripping series from New York Times bestselling author Lisa McMann, Jules has to act—and act fast—to keep

her vision from becoming reality. *The Lies They Tell* The SeekerIrin Chronicles Book Seven Summo ned to the Gulf Coast of Louisiana, Rhys of Glast, scribe of Istanbul, must convince a legendary Irina singer to trust him. Meera didn't call for Rhys's help, and she doesn't think she needs it. THE SEEKER is the seventh book in the Irin Chronicles, a romantic contemporary

fantasy series. The SecretIrin Chronicles Book Three The Shadowhunter s must catch a killer in Edwardian London in this dangerous and romantic sequel to the #1 New York Times bestselling novel Chain of Gold, from New York Times and USA TODAY bestselling author Cassandra Clare. Chain of Iron is a Shadowhunter s novel. Cordelia Carstairs seems to have

everything she ever wanted. She's engaged to marry James Herondale, the boy she has loved since childhood. She has a new life in London with her best friend Lucie Herondale and James's charming companions, the Merry Thieves. She is about to be reunited with her beloved father. And she bears the sword Cortana, a legendary hero's blade. But the truth is far grimmer. James and Cordelia's

marriage is a lie, arranged to save Cordelia's reputation. James is in love with the mysterious Grace Blackthorn whose brother, Jesse, died years ago in a terrible accident. Cortana burns Cordelia's hand when she touches it, while her father has grown bitter and angry. And a serial murderer is targeting the Shadowhunters of London, killing under cover of darkness, then vanishing

without a trace. Together with the Merry Thieves, Cordelia, James, and Lucie must follow the trail of the knife-wielding killer through the city's most dangerous streets. All the while, each is keeping a shocking secret: Lucie, that she plans to raise Jesse from the dead; Cordelia, that she has sworn a dangerous oath of loyalty to a mysterious power; and James, that he is being drawn

further each night into the dark web of his grandfather, the arch-demon Belial. And that he himself may be the killer they seek.

Pinnacle Books

So, you've just discovered that the person who has tormented, mocked and humiliated you for the past three years is lying in the school parking lot, bleeding internally from a hit and run accident. No

one else is around and you need to get to a life-and-death family emergency of your own before it is too late. What would you do? Oh, did I mention you have the secret ability to heal others just by touching them? This is just one of the many situations 13-year-old Willow Krimble must face in this Web Novel, *A Girl Named Willow Krimble*. Willow lives with her mother and older brother,

Wyatt; she loves hanging out with her best friend, the feisty and sarcastic Razzel Fiora, and she has a close relationship with her grandmother. Seems pretty normal, right? It might be if the two most popular girls in middle school, Shayla Stergus and Snella Burenbine, did not taunt and remind her, on a daily basis, that she was born without her left leg. Forced to maneuver through obstacles

most teenagers would not need to tackle, Willow is suddenly blessed (or cursed?) with the unusual power to heal others through touch. Ever selfless, Willow's desire to help the injured and sick thrusts her into a world where she is given immense responsibility, putting the needs of others before her own, all the while trying to maintain her secret. Willow's adolescent journey takes

her through an emotional cyclone where she finds joy and purpose in helping an array of patients, from an old man with Alzheimer's, to a mauled animal in a pet store. But Willow soon finds out there are limitations to her ability and, no matter how hard she might try, she cannot save everyone. Through the intermingling of joy and pain, Willow is repeatedly tested to discover just how strong

she can be, how strong she has been her entire life, and how everyone possesses the ability to effect another person's world, with or without a secret power. Hellion HarperCollins BONUS: This edition contains an excerpt from Helen Grant's The Glass Demon. After Pia's grandmother dies in a freak accident, the neighbors in her little German hometown of Bad Münstereifel

glance at Pia with wary eyes. But then something else captures the community's attention: the vanishing of Katharina Linden. Katharina was last seen at a parade, dressed as Snow White. Then, like a character in a Grimm's fairy tale, she disappeared. Ten-year-old Pia and her only friend, the unpopular StinkStefan, suspect that Katharina has been spirited away by the supernatural. Their

investigation is inspired by such local legends as that of Unshockable Hans, visited by witches in the form of cats, or of the knight whose son is doomed to hunt forever. Then another girl vanishes, and Pia is plunged into a new and unnerving place, one far away from fairy tales—and perilously close to adulthood.

 Girl Online meets Wild in this emotionally charged story of girl who takes to the wilderness to rediscover herself and escape the superficial persona she created on

social media. Mari Turner's life is perfect. That is, at least, to her thousands of followers who have helped her become an internet starlet. But when she breaks down and posts a video confessing she's been living a lie—that she isn't the happy, in love, inspirational online personality she's been trying so hard to portray—it goes viral and she receives a major backlash. To get away from

it all, she makes an impulsive decision: to hike the entire John Muir Trail. Mari and her late cousin Bri were supposed to do it together, to celebrate their shared eighteenth birthday. But that was before Mari got so wrapped up in her online world that she shut anyone out who questioned its worth—like Bri. With Bri's boots and trail diary, a heart full of regret, and a group of strangers that she meets

along the way, Mari tries to navigate the difficult terrain of the hike. But the true challenge lies within, as she searches for the way back from to the girl she fears may be too lost to find: herself.

### THE SECRET

HarperCollins Jordan Shaw is one of the Mohiri's best young warriors. Fearless and bold, she's passionate about completing every job and living life to the fullest, even if that

means breaking all the rules. When Jordan encounters a demon believed to have been killed off centuries ago, her discovery sends ripples up to the highest levels of the Mohiri. While they discuss how to face the biggest threat to humanity yet, she prepares herself for the mission of her life. She's not afraid of danger or dying, and she'll fight to the last breath to save her family. There's

just one problem - the frustratingly fierce male warrior who calls to her demon. In her heart, Jordan knows he's her perfect match, but she has things to do before she's bound to a mate. Like saving the world.

To become the first female Jewish Supreme Court Justice, the unsinkable Ruth Bader Ginsburg had

to overcome countless injustices. Growing up in Brooklyn in the 1930s and '40s, Ginsburg was discouraged from working by her father, who thought a woman's place was in the home. Regardless, she went to Cornell University, where men outnumbered women four to one. There, she met her husband, Martin Ginsburg, and found her calling as a lawyer. Despite discrimination

against Jews, females, and working mothers, Ginsburg went on to become Columbia Law School's first tenured female professor, a judge for the US Court of Appeals, and finally, a Supreme Court Justice. Structured as a court case in which the reader is presented with evidence of the injustice that Ginsburg faced, Ruth Bader Ginsburg is the true story of how one of America's most

“notorious” women bravely persevered to become the remarkable symbol of justice she is today.

Abigail Sutton's beloved husband walks out one night, doesn't return, and two years later is found dead, a victim of a long ago crime. It's made her sympathetic to the missing and their families. Starting her new life, Abigail moves

to small town and buys a fixer-upper house left empty when old Edna Summers died. Once it was also home to Edna's younger sister, Emily, and her two children, Jenny and Christopher, who, people believe, drove away one night, thirty years ago, and just never came back. But in renovating the house Abigail finds scraps of paper hidden behind baseboards and tucked beneath the

porch that hint the three could have been victims of foul play. Then she finds their graves hidden in the woods behind the house and with the help of eccentric townspeople and ex-homicide detective, Frank Lester, she discovers the three were murdered. Then she and Frank try to uncover who killed them and why...but in the process awaken the ire of the murderer. \*\*\* murder, murder mystery,
