Knowing Scripture Liturgical Press

Many people admire and even revere the Bible, but they simply do not understand what they read, much less how to study Scripture. Yet they wish they could. In this insightful and alternately amusing guide, Professor Mark Yarbrough shows how easy and gratifying it is to unlock the hidden truths of God's Word and to discover a world where reading the Bible doesn't just satisfy our curiosity, but changes our life. To do this, the reader will step into the seminary classroom and observe the practical principles-the tricks of the trade-for becoming a more effective student of the Bible. But Yarbrough has made sure that his writing style and general approach will be appealing to both academic students and those involved in lay-level Bible study. Real life is whacky and in-your-face. Studying Scripture should be too.

Appendices to the Updated American Standard Version Baker Academic

A hermeneutics book for the common person. Readers will appreciate the scholarly, yet readable style of Roy Zuck, former Professor of Bible Exposition at Dallas Theological Seminary.

The Making of Biblical Womanhood Moody Publishers

Though books on Paul's life and writing abound, very few works have examined the apostle's teaching techniques. In this companion to 'Teaching as Jesus Taught,' Roy Zuck probes Paul's pedagogy to discover principles for effective teaching today. According to Zuck, the apostle Paul stands as a master teacher. "Analyzing and following Paul's educational goals and strategies," Zuck writes, "can help us become better teachers of God's Word. Examining his pedagogy can acquaint us with a number of important principles and procedures in teaching." 'Teaching as Paul Taught' explores the many New Testament references to Paul's teaching as well as the historical and cultural context in which the apostle taught. Zuck carefully organizes this extensive material around fifteen key questions regarding the teaching ministry of Paul. Over twenty tables and questions for reflection at the end of each chapter aid readers in following Paul's example. The result is a comprehensive and practical handbook for everyone involved in a teaching ministry.

A Basic Guide to Interpreting the Bible Crossway

This completely revised edition helps readers identify various biblical genres, understand the meaning of biblical texts, and apply that meaning to

contemporary life.

Scripture as Communication Christian Focus

For the better part of fifteen centuries, Christians read Scripture on two complementary levels, the literal and the spiritual. In the modern period, the spiritual sense gradually became marginalized in favor of the literal sense. The Bible came to be read and interpreted like any other book. This brief, accessible introduction to the history of biblical interpretation examines key turning points and figures and argues for a retrieval of the premodern spiritual habits of reading Scripture.

UNDERSTANDING THE BIBLE

Ignatius Press

These Appendix chapters are arranged in subjects that will help the reader in multiple ways. First, it will help the reader get at what the author meant by the words that he used. Second, it will help them better understand features and footnotes in the Updated American Standard Version. Third, it will help them understand how the Bible came down to us and why it is trustworthy. Fourth, it will help the Christian defend God's inspired Word as fully inerrant, authoritative, authentic, and trustworthy. APPENDIX 1 Principles of Bible Translation for the Updated American Standard Version APPENDIX 2 Bible Texts and Versions - Why We Need to Know APPENDIX 3 Textual Studies of the Old Testament - Why We Need to Know APPENDIX 4 Textual Studies of the New Testament - Why We Need to Know APPENDIX 5 How to Interpret the Bible APPENDIX 6 Bible Backgrounds of the Old and New Testaments APPENDIX 7 Christian Apologetics APPENDIX 8 Christian Evangelism APPENDIX 9 Bible Difficulties Explained APPENDIX 10 The Divine Name in the Hebrew Scriptures

How to Read the Bible Like a Seminary Professor Langham Publishing

Though numerous volumes have been written on human observations about children, very few volumes present God's perspective on them as recorded in the Bible. Precious in His Sight fills the gap admirably. Not only is this volume unique, it is also comprehensive. The author covers all of the children in the Bible, intensively studying the biblical text as well as incorporating insights from the best historical works on childhood and child-rearing in ancient times. The author's sensitivity to the cultural and sociological factors impinging on families in biblical times is everywhere apparent.

In order to appreciate what the book of Proverbs says about children, for example, one must understand how children were treated and viewed in other cultures during Old Testament times. Everything the Bible says about children applies to contemporary childhood, according to the author. He finds biblical examples and abundant implications for children's physical, emotional, social, and spiritual development. The principles that can be garnered from this incisive work will help educators and parents in the teaching and training of children today.

A Practical Guide Zondervan Academic

Presents a clear, commonsense approach to studying Scripture Includes eleven practical rules for biblical interpretation The Bible is the written Word of God, and it is treasured by many. But it is also an ancient book about people and cultures very different from us. Thus, while we know we should read it, many of us have a hard time understanding the Bible. In this updated edition of *Knowing Scripture*, R. C. Sproul helps us dig out the meaning of Scripture for ourselves. The author says, "The theme of this book is not how to read the Bible but how to study the Bible." He presents in simple, basic terms a commonsense approach to studying Scripture, and gives eleven practical guidelines for biblical interpretation and applying what we learn. *Knowing Scripture* is a basic book for both beginning Bible readers and experienced students of Scripture.

A Basic Guide for Students and Ministers P & R Publishing

In this accessible guide to interpreting the Bible, senior New Testament scholar Robert Stein helps readers identify various biblical genres, understand the meaning of biblical texts, and apply that meaning to contemporary life. This edition has been completely revised throughout to reflect Stein's current thinking and changes to the discipline over the past decade. Students of the Bible will find the book effective in group settings. Praise for the first edition "Stein's work is both a fine introduction to the task of biblical hermeneutics for the novice and an innovative refresher for the veteran teacher or pastor."--Faith & Mission

In the Bible you can interact with a living God who wants a personal relationship with you. And in this unique workbook you will learn how to engage His words like never before. Based on the inductive study techniques outlined in the bestselling *Living by the Book*, this workbook creates the opportunity to grow in faith and knowledge through short, practical exercises and complete studies of the books of Ruth and James. In simple step-by-step fashion, you will learn to observe, interpret, and apply the Scripture to transform your life.

James ReadHowYouWant.com

Many people are often understandably intimidated or overwhelmed by the sheer size and complexity of the Bible. But now popular author and Boston University professor Peter Kreeft has written a clear road map of the Bible, focusing his keen insight and engaging wit on the core message of each book. It won't take long for you to understand why his guide to scripture has become a best-seller! Sparkling with intelligence and Kreeft's trademark humor, *You Can Understand the Bible* will transform dry study into spiritually satisfying adventures in God's Word. Regardless of how you approached- or didn't approach- the Bible before, you'll come away with a new appreciation of its depth and meaning. Kreeft also provides practical guidance for praying the scriptures every day, allowing the reader to delve into the messages of scripture in a manner that will surprise, delight, and reward.

Inductive Bible Study Ashgate Publishing, Ltd.

A unique and stimulating perspective on the history of interpretation. Provides a guideline for the use of dictionaries and word studies. The first title in the *Foundations of Contemporary Interpretation* series.

You Can Understand the Bible Baker Books

Following up Robert Traina's classic *Methodical Bible Study*, this book introduces the practice of inductive Bible study to a new generation of students, pastors, and church leaders. The authors, two seasoned educators with over sixty combined years of experience in the classroom, offer guidance on adopting an inductive posture and provide step-by-step instructions on how to do inductive Bible study. They engage in conversation with current hermeneutical issues, setting forth well-grounded principles and processes for biblical interpretation and appropriation. The process they present incorporates various methods of biblical study to help readers hear the message of the Bible on its own terms.

THE HARVEST HANDBOOK™ OF BIBLE PROPHECY

Baker Academic

Theological interpretation of Scripture is a growing trend in biblical interpretation, with an emphasis on the contexts of canon, creed, and church. This approach seeks to bridge the gap between biblical studies and theology, which grew wide with the ascendancy of critical approaches to Scripture. *Introducing Theological Interpretation of Scripture* is the first clear, systematic introduction to this movement for students. The book surveys the movement's history, themes, advocates, and positions and seeks to bring coherence to its various elements. Author Daniel Treier also explores what he sees as the greatest challenges the movement will have to address as it moves into the future. This helpful book is appropriate for pastors and lay readers interested in biblical interpretation.

A Basic Introduction to Biblical Interpretation EMBASSY ONE PUBLISHERS

Bruce Malina provides the foundation for in-depth biblical interpretation using the tools of cultural analysis. As one of the pioneers in this field of biblical studies, Malina has taken the work of sociologist Mary Douglas, interpreted her "Group/Grid" model of cultural analysis, and applied it admirably to biblical studies and interpretation. He refines a new methodology of scholarly biblical interpretation. Since cultures differ, proper interpretation of one culture by another requires a method to compare and contrast the cultures. He has designed such methods and models using the principles of the Douglas method of sociological study. Malina's charts, models, and illustrations serve as study tools for other biblical scholars. His careful thorough work will enable these scholars to incorporate these new models for study into their own methods of biblical interpretation.

A Practical Guide to Discovering Biblical Truth InterVarsity Press

Illustrated Bible Survey introduces all the books of the Bible from Genesis to Revelation. Based on more than thirty years of scholarly research and classroom teaching, editors Ed Hindson, Elmer Towns, and scholars from Liberty University provide a visually engaging, practical, readable, and insightful overview of God's Word and its eternal message. Ideally suited for undergraduate students, laymen, and pastors, this volume features:• More than 200 full-color photographs, maps, charts, and illustrations• Introductions to each book of the Bible, including background, date, author, outline, and message• Introductory chapters on the themes of the Bible, how we got our Bible, and the people and places of the Bible• Sidebars on the unique features, beneficial insights, and practical applications of biblical truths• Study questions and recommended further reading ECPA Gold Medallion award winners Hindson and Towns draw from a lifetime of teaching more than 100,000 students. They represent quality evangelical scholarship, along with a passion to make the Scriptures come to life as they open windows of insight into the biblical text. This exciting survey highlights the key elements of the literature, history, archaeology, and wisdom of the biblical text with an eye on the practical application of its timeless truths, moral principles, and theological insights so desperately needed in today's world.

Basic Bible Interpretation Zondervan

ENHANCED EDITION—Just as a rock climber's handhold enables him to master the mountain, a firm grasp on God's Word empowers us to traverse the challenging, risky slopes of life. Grasping God's Word helps college students, beginning seminary students, and other serious readers get a grip on the solid rock of Scripture—how to read it, how to interpret it, and how to apply it. Filling the gap between approaches that are too simple and others that are too technical, this book starts by equipping readers with general principles of interpretation, then moves on to apply those principles to specific genres and contexts. Features include: • VIDEOS: Section introductions by authors and master teachers J. Scott Duvall and J. Daniel Hays • VIDEOS: Concluding reflections on the end result of studying God's Word • Proven utility in classrooms across the country • Hands-on exercises to guide students through the interpretation process • Emphasis on real-life application • Supplemented by a website for professors providing extensive teaching materials • Accompanying workbook (sold separately) This third edition includes updated illustrations, appendices, bibliography, and assignments, and has been rearranged for clarity. In order to emphasize the redemptive narrative arc of the Bible and provide greater canonical correlation, the authors have modified the steps of the Interpretive Journey to include a fifth step throughout the book: 1. Grasp the text in their town. What did the text mean to the biblical audience? 2. Measure the width of the river to cross. What are the differences between the biblical audience and us? 3. Cross the principlizing bridge. What is the theological principle in this text? 4. Cross into the rest of Scripture. Does the rest of the canon's teaching modify or qualify this principle? 5. Grasp the text in our town. How should Christians today apply the theological principle in their lives? Grasping God's Word progresses through the following five sections: 1. How to Read the Book—Basic Tools; 2. Contexts—Now and Then; 3. Meaning and Application; 4. The Interpretive Journey—New Testament; 5. The Interpretive Journey—Old Testament.

Methodical Bible Study Baker Books

This inductive study in a simple, practical textbook in hermeneutics compares related Bible texts in order to let the Bible interpret itself.
