Living a Life of Fire is more than simple facts about an evangelist's life, it is filled with adventures from the heart of Africa, real life dramatic stories of people and places that will leave you on the edge of your seat, and powerful

demonstrations of the Holy Spirit working in the here and now. Reinhard Bonnke's life is a model for generations of preachers to come, and his story inspires Christians everywhere to believe for God's maximum.

"Beginning with basic Bible teaching about the

Lord Jesus Christ, Duncan Heaster proceeds to deconstruct the popular Trinitarian view of Jesus. But the author doesn't leave us with nothing in its place. He explores at great depth the character of the Lord Jesus, using close study of the Biblical text to perform a kind of archaeology of ancient personality. And he relentlessly pursues to the end his cardinal point: that knowing the real Christ is the essence of true Christianity, both now and eternally."--p. 4 of cover.

Tanzanian Adventism exemplifies one of the most fascinating shifts in the history of religions: the growth of Christianity in Africa. Most striking in this account is the analysis of a minority denomination's transformation to a veritable "folk church."

### **HOW TO MAKE THE BEST POSSIBLE IMPRESSION**

Peacemaker  
Lynn Lovelock is a curvy, sexy, incredible-looking

banker; she grew up in a small town near Kansas State. Her life was ordinary until she met Matt, a funny, handsome, and very hardworking man who was passionate about providing his financial expertise all over the world. At thirty years old, she was wishing for the happy-ever-after of life, but Matt was on and off, which led her to ask the status of their relationship. Matt told her he was still playing field and was not ready for a serious relationship with Lynn or any other woman.

Her heart was broken, and her hopes dissolved. She could not see life without him. So she left the town she was born and raised in and moved to the city with no thought of seeking any other special person. While in the city, however, life circumstances brought her an unavailable man, a cheater, a lifetime bachelor, and a homosexual. She gave up the idea of happy endings. Finally, she met Ajay, an international student who reminded her that true love existed on

earth at any age. She let him be the captain of love, sailing in their love boat to blissful shores. On their way, racial storms and cultural waves made their journey challenging. Would they let interracial dating sink their love? Or would they overcome all the tribulations and tie the knot?

**Ellen G. White Special Testimonies Series: A and B** TEACH Services, Inc.

From about 1890 to 1910, there were some 230 articles of Ellen G. White published in two groups of

tracts/pamphlets which became known as Ellen G. White Special Testimonies Series: A and B. These counsels from the Lord were directed to various levels of leadership of the Seventh-day Adventist Church concerning the tumultuous church events of those years—the 1888 Righteousness by Faith crisis; 1901 Church reorganization, General Conference move to Washington, D. C.; fiery judgments of health and publishing institutions at Battle Creek; loss of Dr. John Harvey Kellogg and

Battle Creek Sanitarium to apostasy; establishment of Loma Linda as an educational center; and establishment of multiple other sanitariums and schools. In addition to the important history covered by these 31 tracts, there is much spiritual and confidence inspiring counsel confirming that indeed God is in charge of His work. Regardless of difficulties, and discouraging appearances, He will lead His work to a successful completion.

Independently Published On August 14, 2011, when I was in Kandergrund in the Bernese Highlands in Switzerland an important connection became very clear to me. I recognized a spiritual cause for why we are losing part of our youth. I was very shocked. I thought of my children and grandchildren. Since then I have been intensively occupied with this

subject. Now I believe that the same spiritual cause is behind many of our problems; specifically the personal problems, in the local churches and the world-wide church. It is the lack of the Holy Spirit. If this is the cause, then we should urgently address this issue. If the cause can be eliminated or considerably reduced, then many problems will become superfluous or will be resolved.

This work gives a detailed history and defense of the Advent Movement of the 1840's known as Millerism, the movement from which the Seventh-day Adventist

denomination sprang. The book is based on original sources, William Miller's correspondence, contemporaneous books, pamphlets, journals, newspapers. The first half is devoted to the history of the movement, and the second half to an examination of charges made against the Advent believers, such as that they wore ascension robes, that the Millerite preaching filled the asylums, and so forth.

 Seven years ago, Moriyah  
 was taken captive in  
 Jericho and branded with  
 the mark of the Canaanite  
 gods. Now the Israelites  
 are experiencing peace in  
 their new land, but  
 Moriyah has yet to find  
 her own peace. Because

of the shameful mark on  
 her face, she hides behind  
 her veil at all times and  
 the disdain of the  
 townspeople keeps her  
 from socializing. And  
 marriage prospects were  
 out of the question . . .  
 until now. Her father has  
 found someone to marry  
 her, and she hopes to use  
 her love of cooking to  
 impress the man and his  
 motherless sons. But  
 when things go horribly  
 wrong, Moriyah is forced  
 to flee. Seeking safety at  
 one of the newly-  
 established Levitical cities  
 of refuge, she is wildly

unprepared for the dangers she will face, and the enemies--and unexpected allies--she will encounter on her way.

Examining sites that are familiar to many modern tourists, Valerie Warrior avoids imposing a modern perspective on the topic by using the testimony of the ancient Romans to describe traditional Roman religion. The ancient testimony recreates the social and historical contexts in which Roman religion was practised. It shows, for example, how, when confronted with a foreign

cult, official traditional religion accepted the new cult with suitable modifications. Basic difficulties, however, arose with regard to the monotheism of the Jews and Christianity. Carefully integrated with the text are visual representations of divination, prayer, and

sacrifice as depicted on monuments, coins, and inscriptions from public buildings and homes throughout the Roman world. Also included are epitaphs and humble votive offerings that illustrate the piety of individuals, and that reveal the prevalence of magic and the occult in

the spiritual lives of the ancient Romans.
