Praying the  
Psalms  
Westminster  
John Knox  
Press  
The creator of  
the  
groundbreakin  
g film The  
Psalms,  
featuring Bono  
and Eugene  
Peterson,

shows how the  
Psalms enable  
us to find a  
more  
transparent,  
resilient, and  
fearless life of  
faith. In 2016,  
David Taylor  
released a film  
of Eugene  
Peterson and  
U2's Bono  
discussing  
how the  
Psalms had  
shaped their  
work, helping

them make  
sense of life,  
art, metaphor,  
violence,  
suffering, and  
mortality.  
With more  
than one  
million views  
on YouTube,  
the film is a  
sensation and  
has helped  
people  
encounter God  
as he is  
presented in  
the Psalms: a

God of justice, grace, goodness, healing, power and refuge. Open and Unafraid goes even further, showing us how the Psalms become a guide to living faithfully. The Psalms have been central to God's people for millennia, across all walks of life and cultural contexts. In reading them, we discover that we are never alone in our joys, sorrows, angers, doubts, praises, or

thanksgivings. In them, we learn about prayer and poetry, honesty and community, justice and enemies, life and death, nations and creation. Open and Unafraid shows us how to read the Psalms in a fresh, life-giving way, and so access the bottomless resources for life that they provide. [A Song from Ancient Israel](#) InterVarsity Press  
Do others look to you for leadership? Do you face a

major task or shoulder heavy responsibilities? Do you want to take your leadership skills to a higher level? When Nehemiah confronted the task of rebuilding Jerusalem's wall, he was heartbroken by the damage he saw and nearly overwhelmed by the task that lay before him. Yet through the application of timeless leadership principles, Nehemiah

completed this nearly impossible project, and laid a pattern for success which is just as valid for us today. Charles Swindoll brings his sensible and straightforward style to offer a deeply spiritual approach to the role of leader. Whatever the context, secular or ministerial, he demonstrates how to size up a task, organize and motivate a team, and respond to inevitable obstacles such

as these:  
Unforeseen setbacks  
Unrelenting deadlines  
Criticism and outside resistance  
Personality conflicts  
Financial pressures and temptations  
The insights that Swindoll draws from Nehemiah's wise administration will change your approach to leadership forever.  
**Psalms**  
Kregel  
Academic  
Dietrich  
Bonhoeffer presents the Psalms as the prayer of the Church of

which Jesus Christ is Head, having their place alongside the 'Our Father', the prayer which Jesus taught. Bonhoeffer considers who it is who prays in the Psalms, as well as various themes to be found within them, such as creation and the history of salvation, life and suffering. The Psalms provide words with which we can address God and in which we can hear God speaking to us.

both understanding and faith.

### **HANDBOOK ON THE WISDOM BOOKS AND PSALMS**

W. W. Norton & Company  
A valuable resource for pastors and students, second volume in the HOTE series begins by explaining the nature of Hebrew poetry and the purpose of the Psalms. Old Testament scholar Mark Futato next explores issues related to properly

interpreting Israel's songbook, and concludes with a sample of moving from interpretation to proclamation. A glossary is included. *Psalms A&C* Black  
An indispensable resource for students and scholars, The Oxford Handbook of the Psalms features a diverse array of essays that treat the Psalms from a variety of perspectives. Classical scholarship and

approaches as well as contextual interpretations and practices are well represented. The coverage is uniquely wide ranging. **Encountering the Book of Psalms A Book of Psalms** Selections Adapted from the Hebrew A Book of Psalms Selections Adapted from the Hebrew Harper Collins

### **READING THE PSALMS WITH LUTHER**

Oxford University Press

Jesus died with a psalm on his lips. For millennia, humans have been shaped by the Psalms. And before the Nazis banned him from publishing, German theologian Dietrich Bonhoeffer published this book on the Psalms. What comfort is found in the Psalter? What praise, and what challenge? What threat? In the pages of Psalms: The Prayer Book of the Bible, discover the richness this

book of Scripture held for Bonhoeffer, and learn to pray psalms along with Christ. First published in 1940, this classic reveals how the Psalms are essential to the life of the believer and offers Bonhoeffer's reflections on psalms of thanksgiving, suffering, guilt, praise, and lament. Now with an introduction by Walter Brueggemann and excerpts from the Psalms, Bonhoeffer's

timeless work offers contemporary readers ancient wisdom and resources for the living of these days. Includes a biographical sketch of Bonhoeffer written by his friend and biographer Eberhard Bethge. *Discovering Hope in the Psalms* Mohr Siebeck No one is more qualified to write on the Psalms than John Eaton. He is a distinguished Old Testament scholar and has spent a

lifetime studying the Psalms. This commentary is addressed to the wide readership. There is a long and highly readable introduction giving a background to the Psalms; then follow the 150 Psalms, each in Eaton's translation. He explains the background to the Psalms and their content in a way which makes them interesting and relevant to the present. The discussion of each psalm ends with a

related Christian prayer, either from the tradition or written by Eaton himself. John Eaton is recognised as one of the world's leading experts on Psalms: this commentary is the culmination of his life's work.

### **THE PSALMS**

Tyndale House Publishers, Inc. A commented new translation of the Book of Psalms seeks to preserve and convey its

powerful message and musical rhythms while lending insight into the text's obscurities, in a volume by the acclaimed translator of the Five Books of Moses. 30,000 first printing. *A Reader's Guide for Discovery and Engagement* Wm. B. Eerdmans Publishing This book discusses the theory that the Psalter was compiled with the specific intention that it should be used as a book for

private spiritual reading. It is argued that if this were so, the work of the final editors would not have been confined to arranging the psalms in a particular order but would have included additions and interpolations intended to give the whole book a new orientation. An investigation of selected psalms shows that although the Psalter may have become a book for private devotion not

long after its compilation, there is little evidence that it was compiled for that purpose. *Encountering the Book of Psalms* Chalice Press The psalms often stretch and perplex readers as they teach, but they also open a divine window on prayer. This collection features meditations on more than 75 psalms and offers brief thoughts and background as well as suggested ways to use the psalms in

prayer.

### **EXPLORING THE OLD TESTAMENT**

A&C Black  
The Psalms:  
Language for  
All Seasons of  
the Soul  
brings  
together  
essays from  
eighteen Old  
Testament  
scholars  
discussing the  
latest in  
Psalms  
scholarship  
and applying  
exegetical  
insights to the  
life of faith.  
These essays  
explore the  
full range of  
emotion  
expressed in  
the  
Psalms—from  
relation to

distress—while weaving together observations from biblical scholarship and theology. The reader will gain valuable insights into how the Psalms speak to his or her soul. The book is divided into five sections that: Give an overview of Psalms studies in the 21st century Discuss psalms of praise Explore psalms of lament Look at the big picture of the Psalter as a book Present sermons on

the Psalms that are models of evangelical engagement with the text. A Select Bibliography for Psalms Study is included at the end of the book.

**A LITERARY  
AND  
THEOLOGICAL  
INTRODUCTION**

Abingdon Press  
Martin Luther loved the Psalter. This is noticeably evident in his short introductions to the psalms as he allows

readers a glimpse into his theology and prayer life. Luther's writings demonstrate how he saw the Psalter as a Christ-centered model for Christian prayer. He classifies each psalm and applies the message of the text to the life lived under the cross. Using the text of the psalms from the English Standard Version, coupled with classic prayers, readers use this edition to

familiarize themselves with this beloved book of the Bible. This devotional also helps readers deepen their understanding of the Christological aspect of the psalms and Luther's perspective on them. Open Reading the Psalms with Luther today for a fresh look at one of Luther's favorite Old Testament books.

**The Book of Psalms for Singing**

Baker Academic

Merton shows us how to draw out the richness of worship from the psalter and to use it to achieve "the peace that comes from submission to God's will and from perfect confidence in him".....Catholic Review Service

**HOW TO READ THE PSALMS**

Random House Digital, Inc.

"What an incredibly unique and creative Bible study! It's multilayered, dimensional,

theologically rich, touching the senses—enlightening the mind, capturing the heart." —Kay Arthur, cofounder of Precept Ministries International "I love the encouragement, inspiration, and delightful details woven throughout."

—Darlene Schacht, Time-Warp Wife and bestselling author of Messy Beautiful Love This Isn't Your Average Bible Study Explore God's Word on a deeper level

and engage with his truth in fresh ways! This study of 10 psalms of hope invites you to discover the incredible design and purpose of inspired Hebrew poetry. Perfect for group discussion or personal reflection, *Discovering Hope in the Psalms* offers compelling teachings, motivating devotions, and plenty of creative options for interacting with the psalms—including beautiful

artwork to color. This discovery book will show you how to... rejoice in God's mercy when sin knocks you down request help with hope when troubles surround respond with thanksgiving for each answered prayer Immerse your mind, heart, and soul in the hope flowing through the psalms.

**The Oxford Handbook of the Psalms**

Campbell Publications This book is the result of a lifetime of

study of the Hebrew Bible by a mature scholar whose love of the Tanakh, and especially of the Psalter, shines through on every page.

**A CREATIVE BIBLE STUDY EXPERIENCE**

Wm. B. Eerdmans Publishing William Brown introduces a new method of exegesis, particularly for biblical poetry, that attends to the metaphorical contours of the Psalms. His method as proposed and

demonstrated in this book supplements traditional ways of interpreting the Psalms and results in a fresh understanding of their original context and contemporary significance.

**Exploring the Prayers of Ancient Israel**

Moody Publishers  
Introduction to the Psalms: A Song from Ancient Israel seeks to provide the reader with a solid introduction to the Hebrew Psalter, one that is

informed by an interest in its shape and shaping. The author, Nancy deClaisse-Walford, provides an up-to-date study on the poetic style of the psalms in the Psalter, their Gattungen or genres, the broad shape of the book, and the history of its shaping. She introduces each of the five books of the Psalter, providing a detailed examination of those individual psalms that are either key

to the shaping of the Psalter or interesting studies in poetic style. In the final chapter, deClaisse-Walford draws conclusions about the shape of the Psalter and about its story and message. She proposes a way to read the Psalms as a unified whole and in relationship to one another rather than as individual pieces, giving an inclusive, all-encompassing shape to the Psalter. Included are two

appendices that provide a listing of the superscriptions and Gattungen of the psalms in the Hebrew Psalter and an explanation of many of the technical terms found in their superscriptions.
