need to learn. The definitions are written in full sentences, using simple language, and the dictionary contains thousands of examples of real English, showing the learner how English is really used. Additional help is provided by the thousands of Kannada translations. Every sense, phrase and phrasal verb has a Kannada translation, which acts as a stepping stone from the student's first language to the wealth of information contained in the dictionary. With hundreds of line drawings illustrating key terms, the Cobuild Pocket English-English-Kannada Dictionary is ideal for learners of English.
