In addition to the thousands of comic books from such publishers as Marvel, DC, Dark Horse, and Image, this collector-friendly reference includes listings for comic books from independent publishers, underground publishers, and more!

The Magical Mimics in Oz McFarland

In which three emerald necklaces cause everyone in Oz to forget all about Princess Ozma, the Wizard, and Glinda the Good and acknowledge instead a fat old king named Skamperoo as supreme rule! The mystic enchantment is responsible as well for the appearance of the glorious Wishing Horse, the most magnificent white steed imaginable. Only Dorothy and Pigasus, the flying poetical pig, can save the realm... "...Where the young stay young and the old grow young forever—these books are for readers of all ages."—Ray Bradbury "The Land of Oz has managed to fascinate each new generation...the Oz books continue to exert their spell...and those who read [them] are

often made what they were not—imaginative, tolerant, alert to wonders, life.”—Gore Vidal “I was raised with the Oz books, and their enchantment, humor and excitement remain with me. They are still a joy and a treasure. I welcome this Oz revival.”—Stephen R. Donaldson

The Road to Oz e-artnow

Mayre Griffiths, nicknamed Trot, or sometimes Tiny Trot, is a little girl who lives on the coast of southern California. Her father is the captain of a sailing schooner, and her constant companion is Cap'n Bill...

The Wishing Horse of Oz Standard Ebooks

Describes and lists the values of popular collectible comics and graphic novels issued from the 1950s to today, providing tips on buying, collecting, selling, grading, and caring for comics and including a section on related toys and rings.

The 101 Best Graphic Novels The Enchanted Apples of Oz The Magic of Oz is the thirteenth Land of Oz book written by L. Frank Baum. Published on June 7, 1919, one month after the author's death, The Magic of Oz relates the unsuccessful attempt of the Munchkin boy Kiki Aru and former Nome King Ruggedo to conquer Oz.

Graphic Novels Independently Published

This is an encyclopedic work, arranged by broad categories and then by original authors, of literary pastiches in which fictional characters have reappeared in new works after the deaths of the authors that created them. It includes book series that have continued under a deceased writer's real or pen name, undisguised offshoots issued under the new writer's name, posthumous collaborations in which a deceased author's unfinished manuscript is completed by another writer, unauthorized pastiches, and "biographies" of literary characters. The authors and works are entered under the following categories: Action and Adventure, Classics (18th Century and Earlier), Classics (19th Century), Classics (20th Century), Crime and Mystery, Espionage, Fantasy and Horror, Humor, Juveniles (19th Century), Juveniles (20th Century), Poets, Pulps, Romances, Science Fiction and Westerns. Each original author entry includes a short biography, a list of original works, and information on the pastiches based on the author's characters.

The Official Overstreet Ballantine Books

Attract comic book collectors like a magnet Packed with nearly 100,000 classic and contemporary comics and more than 1,000 illustrations, collectors will find updated listings and prices for Acclaim, Classics Illustrated, Dark Horse, D.C., Marvel and much more. Special sections are devoted to the highly collectible Golden Age, Color Comics, Black & White Comics, and Underground Comics. Each listing is cross-referenced and includes issue number, title, date, artist and current collector value in US dollars. Collectors can accurately evaluate and value their collections with the grading guide, current market report and tips for buying, selling, and preserving comic books.

A Brief Guide To OZ First Comics Incorporated

“A totally captivating, hilarious, and clever look on the magical kingdom of Manhattan, where kissing frogs has never been this fun.”—Melissa de la Cruz, author of *The Au Pairs* Katie Chandler had always heard that New York is a weird and wonderful place, but this small-town Texas gal had no idea how weird until she moved there. Everywhere she goes, she sees something worth gawking at and Katie is afraid she's a little too normal to make a splash in the big city. Working for an ogre of a boss doesn't help. Then, seemingly out of the blue, Katie gets a job offer from Magic, Spells, and Illusions, Inc., a company that tricks of the trade to the magic community. For MSI, Katie's ordinariness is an asset. Lacking any bit of magic, she can easily spot a fake spell, catch hidden clauses in competitor's contracts, and detect

magically disguised intruders. Suddenly, average Katie is very special indeed. She quickly learns that office politics are even more complicated when your new boss is a real ogre, and you have a crush on the sexy, shy, ultra powerful head of the R&D department, who is so busy fighting an evil competitor threatening to sell black magic on the street that he seems barely to notice Katie. Now it's up to Katie to pull off the impossible: save the world and—hopefully—live happily ever after.

Meet the writers, artists, colorists, and letters who bring the stories to life. This book offers wide page margins for autographs and sketches. It's perfect for comics conventions, signings and store appearances.

Literary Afterlife Marvel Entertainment

The Enchanted Castle is a novel for young readers by Edith Nesbit, who was writing in the late Victorian and early Edwardian era in Britain. As in her other children's books, it begins in the everyday world but quickly brings in the fantastical and magical. A large part of the delight of Nesbit's books is that her children

behave in quite ordinary ways, getting into scrapes, getting dirty and their clothes torn, making decisions which seem right to them at the time but which are generally wrong-headed. It's the contrast between the ordinariness of the children and the magical adventures they become involved in which makes the books so charming. The Enchanted Castle was originally serialized in The Strand Magazine alongside stories by Rudyard Kipling and Arthur Conan Doyle. The first book edition was published in 1907. In the story, Kathleen and her brothers Gerald and Jimmy find a way into a remarkable garden designed to create a Palladian landscape, full of statues and pseudo-Classical temples and buildings. It is not long before they come across a sleeping Princess. They wake her, and she introduces them to an item of real magical value, a ring which makes its wearer invisible. But once on, the ring won't come off! "Those of my readers who have gone about much with an invisible companion will not need to be told how awkward the whole business is," comments the author, which is indicative of the simple and direct language she uses, and the humor of the books. Even the invisibility ring, however, is not quite as simple as it seems; and many interesting and amusing adventures follow. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

The Official Overstreet Comic Book Companion Berkley Publishing Group

"This book provides synopses and basic bibliographical information for the forty Oz books in the original series and a number of related books by the Royal Historians of Oz; synopses and credits for live performances, radio shows, performances on audiobook or vinyl records; educational films; comic adaptations, electronic games; websites; and scenes on TV or in movies"-- Provided by publisher.

The Road to Oz e-artnow

In The Magical Mimics in Oz by Jack Snow based on L. Frank Baum's Wizard of Oz, Princess Ozma, and Glinda the Good are planning to leave Oz to attend the Grand Council of the fairy queen Lurline, held in the Forest of Burzee every 200 years. Dorothy Gale is surprised when Ozma appoints her to rule Oz during their absence, but Ozma reminds Dorothy that she is a princess of Oz. Excerpt: "Toto," called Princess Ozma of Oz, as a small black dog trotted down the corridor past the open door of her study in the Royal Palace of the Emerald City, "Toto, will you do me a favor?" "Certainly," answered the little dog, his bright eyes regarding the Princess questioningly. "What can I do for your Majesty?" Ozma smiled. "I wonder if you would go to Dorothy's room and ask her to join me here as soon as possible." "That'll be easy, Ozma," said Toto, "I was just on my way to see Dorothy. It's time for our morning romp in the garden." "Well," laughed Ozma, "I shall keep Dorothy for only a few minutes, then she can join you in the garden for your play." "Thank you, Ozma," replied Toto as he turned and trotted down the corridor leading to Dorothy's suite of rooms."

Comic book heroes are taking over the popular culture world. This title includes a brief overview of the industry, a grading guide, and features an interview with a comic book insider.

The Blue Witch of Oz McFarland

The first of its kind, this annotated guide describes and evaluates more than 400 works in English. Rothschild's lively annotations discuss important features of each work-including the quality of the graphics, characterizations, dialogue, and the appropriate audience-and introduces mainstream readers to the variety and quality of graphic novels, helps them distinguish between classics and hackwork, and alerts experienced readers to material they may not have discovered. Designed for individuals who need information about graphic novels and for those interested in acquiring them, this book will especially appeal to librarians, booksellers, bookstore owners, educators working with teen and reluctant readers, as well as to readers interested in this genre.
