Broaden your knowledge with sentence rewrites and creative writing prompts ● Test your overall comprehension with a comprehensive review section

**50 Very Short Conversations** McGraw Hill Professional

The Gramming Guide to English Grammar is a resource book on the grammar of Standard British English. It is intended for intermediate to advanced students of English as a second or foreign language who have already studied the basic grammar of English. It covers the most important areas of English grammar and concentrates on structures which may cause difficulty at an intermediate level or above. The book starts with a pretest that helps you identify the areas you need to work on. The pretest is followed by eleven chapters, broken down to a number of subchapters that each deal with a specific grammar point. The related explanations are accompanied by real-life sample sentences, timeline diagrams, tables, and quotes. If a similar point or the same point is discussed in a different part of the book, you will find cross-references to that point. Where appropriate, chapters begin with guiding questions and end with revision

questions. Most of the chapters are followed by exercises, including multiple choice, sentence transformation, error correction, gap filling and matching exercises, as well as communicative tasks that can be done in language lessons. At the end of the book, there is an appendix which contains a list of the most common irregular verb forms and the most important spelling rules; a list of the quotes that appear in the book; and a glossary that defines grammatical terms frequently used in the explanations. The chapters in this book are not arranged in order of difficulty. This way, the book can be used for quick reference on specific points of interest, as well as for systematic study, either as a self-study grammar book or as additional material in an ESL/EFL course. No matter which way you use the book, it is recommended that you follow the cross-references, which will lead you to further information on a given item. The exercises, which come with suggested answers, are best done using pen and paper. These exercises will not only help you to practise grammar but also to tie grammatical forms to real-world meaning. *Writing Better English for ESL Learners,*

*Second Edition* McGraw Hill Professional All the English verbs you need to know in one place! This comprehensive guide is your one-stop resource for learning English verbs. It includes 555 of the highest frequency verbs--unlike Barron's 501, which excludes common verbs such as "answer" and "wash"--with conjugations and sample sentences. The Big Book of English Verbs also has a list of all complement types that are used by each verb, as well as all the common phrasal verb constructions that the verb can be used with in a sentence. The CD-ROM contains more than 200 interactive practice exercises, plus diagnostic and review tests to assess competency.

**Functional Grammar in the ESL Classroom** Scarborough, Ont. : Prentice Hall Regents Canada

Practice Makes Perfect helps you put your English vocabulary and grammar skills together! You may have all the vocabulary down pat and every grammar point nailed--but without the skill of knowing how to put these elements together, communicating in your second language would be nearly impossible. Practice Makes Perfect: English Sentence Builders

picks up from where other grammar books leave off, showing you the variety of structures and how to combine them to make solid sentences. And like every Practice Makes Perfect title, these books feature crystal-clear explanations, numerous realistic examples, and dozens of opportunities to practice, practice, practice!

*English Tenses Instant Practical Learning Guide* Speedy Publishing LLC

Tackle head-on all the hurdles that you find hard about learning English as an ESL student Practice Makes Perfect: English Problem Solver doesn't pretend that learning English is easy. Instead of covering the entirety of the language, it hones in on those areas where you might have difficulty--areas such as definite vs. indefinite articles, little vs. few, using get, and restrictive and non-restrictive relative clauses. Features: A variety of extensive exercises for practice Practical and high-frequency vocabulary Answer key provided for reference and quick feedback Don't sweat those troublesome grammar areas any more! Practice Makes Perfect: English Problem Solver is your perfect learning tool for ironing out your troubles.

*Practice Makes Perfect Intermediate English Grammar for ESL Learners* AuthorHouse

The Compendium of American English Grammar: For Advanced ESL Speakers is an easy-to-use grammar reference book for nonnative English speakers who have progressed beyond the classroom. Topics include: • definite and indefinite articles • noun categories • twelve official verb tenses • two unofficial verb tenses • gerunds and infinitives • stative verbs • phrasal verbs • correct placement of adverbs • negation • question formation • individual function words • standard numbers and shortcuts • formal and informal language • mistakes that native speakers make • pronunciation and grammar • and much more Filled with examples and detailed explanations of the trickiest sentence patterns, The Compendium of American English Grammar is the ideal book for students, business executives, new and longtime US residents, and others who want to perfect their English skills.

*Pedagogical Grammar for ESL Made Easy (Penerbit USM)* McGraw Hill Professional Master 188 irregular verbs in English As an

experienced student of English, you know the language can be a tricky one to learn thanks to its complex verb forms, like irregular verbs. Written by ESL guru Mark Lester--author of *Grammar and Usage in the Classroom*--this authoritative reference unravels the mystery of this verb form so you can take your English-language skills to the next level. For each entry, you'll get example sentences and conjugations, a complete listing of complements, the most important phrasal verb constructions, and common expressions--all in an easy-to-understand format. In no time you'll master irregular verbs and converse like a native English speaker!

### **PRACTICE MAKES PERFECT ENGLISH GRAMMAR FOR ESL LEARNERS, 2ND EDITION**

McGraw Hill Professional Updated and revised with more examples and expanded discussions, this second edition continues the aim of providing teachers with a solid understanding of the use and function of grammatical structures in American English. The book avoids jargon and presents essential grammatical structures clearly and

concisely. Dr. DeCapua approaches grammar from a descriptive rather than a prescriptive standpoint, discussing differences between formal and informal language, and spoken and written English. The text draws examples from a wide variety of authentic materials to illustrate grammatical concepts. The many activities throughout the book engage users in exploring the different elements of grammar and in considering how these elements work together to form meaning. Users are encouraged to tap into their own, often subconscious, knowledge of grammar to consciously apply their knowledge to their own varied teaching settings. The text also emphasizes the importance of understanding grammar from the perspective of English language learners, an approach that allows teachers to better appreciate the difficulties these learners face. Specific areas of difficulties for learners of English are highlighted throughout.

**Practice Makes Perfect English Sentence Builder, Second Edition**

McGraw Hill Professional
