TYRESE DALTON

Fairy Tales of Oscar Wilde Pavilion Children's
Wilde's tales are adapted
into a comic book format
and use fairy tale
elements and Christian
symbolism.

The Selfish Giant A&C
Black

When the Selfish Giant
sees the children in his
garden, he is angry and
he builds a high wall. Now
the children have
nowhere to play. Spring
comes, but in the Giant's
garden it is still winter.
One morning the Giant

wakes up and he has a
wonderful surprise. What
does the Giant see in his
garden that morning? And
how does it change him
forever?

THE GREEN GIANT

OUP Oxford
A selfish giant reforms his
ways when the laughter of

children brings the beauty of spring to his garden. Victorian author Oscar Wilde is known both as a playwright and prose author. Among his most famous works are *The Picture of Dorian Gray*, his only novel, the plays *An Ideal Husband* and *The Importance of Being Earnest*, and the short story collections *Lord Arthur Savile's Crime and Other Stories* and *The Happy Prince and Other Stories*. HarperPerennial Classics brings great works of literature to life in digital format,

upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library. *In the Garden of the Selfish Giant* Armadillo After seven years, the Giant has nothing left to say to his friend the Cornish ogre, and so he returns home to his castle—only to find that in his absence, the children have been playing in his beautiful garden. At once

the selfish Giant builds a high wall to keep the children out of the garden. Winter turns into Spring all over the country—but not in the selfish Giant's garden. Across the country Spring turns into Summer and then to Autumn—but in the selfish Giant's garden, the trees refuse to bloom and the birds refuse to sing; they miss the children. The selfish Giant lies shivering in his large bed while Hail, Snow, North Wind, and Frost dance across the garden. But one morning the Giant

hears a beautiful noise—what could it be? An unexpected ending gives the story a poignant, wistful quality, and Bill Bell's dazzling illustrations breathe new life into this classic tale. And adults familiar with Oscar Wilde's work will enjoy seeing this gentler, softer side of Wilde. The *Selfish Giant* is a beautiful book for parents and children to read together during any season.

Language-Book The Selfish Giant

"If you're grumpy or sad, frustrated or mad, just

give a shout, and hug it out." With the healing power of a hug and an act of kindness, little Hugga Loula diffuses all sorts of situations. Featuring colorful illustrations and charming refrain, Hugga Loula gives us an adorable hero offering care, comfort, and love to a world that desperately needs all three.

The Selfish Giant and the Star Child HarperCollins Musical / Characters: 5 female, 4 male (or 3f, 2m with doubling) Scenery: Unit Set When four bored children decide to play in

the Giant's garden, they are in for a nasty surprise. The Giant builds a fence to keep them out, and threatens anyone who tries to come in. But when winter comes and sees that no one is having any fun, it decides to stay forever. It's up to the new girl in town to take down the fence and teach the Giant a lesson in friendship. Based on the story by Oscar Wilde. The *Selfish Giant* was originally produced by the celebrated and critically-acclaimed Manhattan Children's Theatre. "The

Selfish Giant is a kids' show, but the theme is universal. Its simple message may influence your child, but its effect on you may be refreshingly unexpected."
-The Tribeca Tribune.

LOVE

Alma Classics

A selfish giant learns how to share and love.

The Selfish Giant

Helbling

A giant does not want to share his garden with the children of the town. He builds a big wall around the garden to stop the

children getting in. After that it is always winter in the garden. Can the children find a way back into the garden and make it summer again?

The Complete Collection Including the Happy Prince and the Selfish Giant

Black Cat-Cideb

The Selfish Giant Allen & Unwin

Hugga Loula Samuel French, Incorporated

In this new edition, which contains all of Wilde's fairy tales, his rich prose is evoked beautifully with the sumptuous, intricate

work of artist Isabelle Brent.

From a Story Dramatic Publishing

Winter envelopes the giant's garden until he welcomes the children to play in the splendor of the spring that accompanies them.

The Selfish Giant Allen & Unwin

Retells six classic children's stories from Oscar Wilde, including "The Devoted Friend," "The Remarkable Rocket," and "The Young King."

Armadillo
A once selfish giant welcomes the children to his previously forbidden garden and is eventually rewarded by an unusual little child.

Short Story

HarperCollins UK
A wonderful retelling of Oscar Wilde's classic story about a fierce, angry giant, who wants nothing to do with the children who play in his beautiful garden. But when he finds

himself miserable and alone in an eternal winter-land, it's an act of kindness to an unlikely friend that brings back Spring and, finally, happiness. Copper/Band 12 books provide more complex plots and longer chapters that develop reading stamina.

The Selfish Giant West Burke, Vt : Janus Press
All of the animals are afraid of the Selfish Crocodile - he never let's them into his river, and he's always so snappy! And so when the Selfish Crocodile finds himself in

terrible pain, no-one wants to help him - after all, what if he gobbles them up? But, to everyone's surprise, there is one animal in the forest who is willing to help . . . A brilliant tale of friendship, The Selfish Crocodile has become a picture book classic.

THE SELFISH GIANT

AND OTHER STORIES

Simon and Schuster
The Selfish Giant Before you is one of the most beloved Children's Classics of all time - The Selfish Giant. The children love to play in the Selfish Giant's beautiful garden. After building a wall to keep them out, Snow, Frost, the North Wind, and Hail come to take over the garden. The Selfish Giant eventually realizes he was wrong to keep the children away, and he resolves to break down the wall he has built. One

of the children that melt the giant's heart is a young child. We learn the young boy is actually the Christ child, who later takes the joyful giant to His home in Paradise.

From a Story by Oscar Wilde Capstone

One of comic art's most respected and pioneering

artists, well known for his opera adaptations and beautiful fantasy work, P. Craig Russell retells Oscar Wilde's famous fairy tales in a series of landmark volumes. In 'The Selfish Giant', the eponymous creature kicks a bunch of frolicking youngsters out of his garden, only to find

that frosty winter moves in to take their place. 'The Star Child' depicts a beautiful but mean, terribly vain boy who becomes physically repulsive when he rebuffs a ragged beggar with a hidden identity... Artistic talent meets literary genius - magical.'
