*An Account in Words
and Pictures The Incest
Diary*

Now in paperback, a
powerful and
inspirational memoir of
a shocking and
improbable journey
from torture to
recovery. Michelle
Stevens has a photo of
the exact moment her

childhood was stolen from her: She's only eight years old, posing for her mother's boyfriend, Gary Lundquist--an elementary school teacher, neighborhood stalwart, and brutal pedophile. Later that night, Gary locks Michelle in a cage, tortures her repeatedly, and uses her to quench his voracious and deviant sexual whims. Little does she know that this will become her new reality for the next six years. Stevens can also pinpoint the moment she reconstituted the splintered pieces of her life: She's in cap and gown, receiving her Ph.D. in psychology--and the university's award for best dissertation. The distance between

these two points is the improbable journey from torture, loss, and mental illness to healing, recovery, and triumph that is Stevens's powerful memoir, *Scared Selfless*. In this harrowing tale, Stevens, who was inspired to help others heal by becoming a psychotherapist, sheds light on the all-too-real threat of child sexual abuse, its subsequent psychological effects, and the best methods for victims to overcome their ordeals and, ultimately, thrive. *Scared Selfless* is both an examination of the extraordinary feats of the mind that are possible in the face of horrific trauma and Stevens's courageous testament to their power.

Such a Pretty Girl

Simon and Schuster
 Throughout her childhood and adolescence, the anonymous author of *The Incest Diary* was raped by her father. Beneath a veneer of normal family life, she grew up in and around this all-encompassing secret. Her sexual relationship with her father lasted, off and on, into her twenties. It formed her world, and it formed her deepest fears and desires. Even after she broke away, even as she grew into an independent and adventurous young woman, she continued to seek out new versions of the violence, submission and secrecy she had struggled to leave behind. In this graphic and harrowing memoir, the author revisits her early traumas and their

aftermath - not from a clinical distance, but from deep within - to explore the ways in which her father's abuse shaped her, and still does. As a matter of psychic survival, she became both a sexual object and a detached observer, a dutiful daughter and the protector of a dirty secret. And then, years later, she made herself write it down. With lyric concision, in vignettes of almost unbearable intensity, this writer tells a story that is shocking but that will ring true to many other survivors of abuse. It has never been faced so directly on the page.

IN THE SHADOW OF THE EMPRESS

Houghton Mifflin
 Through an intensive clinical study of forty incest victims and

numerous interviews with professionals in mental health, child protection, and law enforcement, Judith Herman develops a composite picture of the incestuous family. In a new afterword, Herman offers a lucid and thorough overview of the knowledge that has developed about incest and other forms of sexual abuse since this book was first published. Reviewing the extensive research literature that demonstrates the validity of incest survivors' sometimes repressed and recovered memories, she convincingly challenges the rhetoric and methods of the backlash movement against incest survivors, and the concerted attempt to deny the events they

find the courage to describe.

Absolute Darling absolutely is one."
 —Stephen King A brilliant and immersive, all-consuming read about one fourteen-year-old girl's heart-stopping fight for her own soul. Turtle Alveston is a survivor. At fourteen, she roams the woods along the northern California coast. The creeks, tide pools, and rocky islands are her haunts and her hiding grounds, and she is known to wander for miles. But while her physical world is expansive, her personal one is small and treacherous: Turtle has grown up isolated since the death of her mother, in the thrall of her tortured and charismatic father, Martin. Her social existence is confined to the middle school

(where she fends off the interest of anyone, student or teacher, who might penetrate her shell) and to her life with her father. Then Turtle meets Jacob, a high-school boy who tells jokes, lives in a big clean house, and looks at Turtle as if she is the sunrise. And for the first time, the larger world begins to come into focus: her life with Martin is neither safe nor sustainable. Motivated by her first experience with real friendship and a teenage crush, Turtle starts to imagine escape, using the very survival skills her father devoted himself to teaching her. What follows is a harrowing story of bravery and redemption. With Turtle's escalating acts of physical and

emotional courage, the reader watches, heart in throat, as this teenage girl struggles to become her own hero—and in the process, becomes ours as well. Shot through with striking language in a fierce natural setting, *My Absolute Darling* is an urgently told, profoundly moving read that marks the debut of an extraordinary new writer.

Surviving and Healing from Mother-Daughter Sexual Abuse

Simon and Schuster
A leading authority on abusive relationships offers women detailed guidelines on how to improve and survive an abusive relationship, discussing various types of abusive men, analyzing societal myths surrounding

abuse, and answers questions about the warning signs of abuse, how to identify abusive behavior, how to know if one is in danger, and more. Reprint.

Father-Daughter Incest

Simon and Schuster

"Brutally beautiful — not like anything else you'll read this year, or any other." - Cassandra Clare, #1 New York Times bestselling author of *Clockwork Angel* and *Fancy Cordelle* are sisters of the best kind: best friends, best confidantes, and best accomplices. The daughters of the infamous Bonesaw Killer, Kit and Fancy are used to feeling like outsiders, and that's just the way they like it. But in *Portero*, where the weird and wild run rampant, the Cordelle sisters are

hardly the oddest or most dangerous creatures around. It's no surprise when Kit and Fancy start to give in to their deepest desire—the desire to kill. What starts as a fascination with slicing open and stitching up quickly spirals into a gratifying murder spree. Of course, the sisters aren't killing just anyone, only the people who truly deserve it. But the girls have learned from the mistakes of their father, and know that a shred of evidence could get them caught. So when Fancy stumbles upon a mysterious and invisible doorway to another world, she opens a door to endless possibilities....

Power, Purity and Desire Sky Blue Press
Diary as Sin is the

powerful and evocative story of a blind girl, Rosanna Galvez. Confined to a private Catholic home in New Mexico, she unveils her beginnings as an incest baby - and moves through the odyssey beyond - with powerful incantatory language. Through poetic and often painful recall, Rosanna weaves a diary that will spellbind the reader with its imagistic and visionary prowess. Alexander cites Beckett, Bernhard and Goytisolo as an "ancestral trilogy" for the work, living up to his forebears with some aplomb.

1944-1947

Simon and Schuster
The vibrant, sprawling saga of Empress Maria Theresa—one of the most renowned women rulers in history—and

three of her extraordinary daughters, including Marie Antoinette, the doomed queen of France. Out of the thrilling and tempestuous eighteenth century comes the sweeping family saga of beautiful Maria Theresa, a sovereign of uncommon strength and vision, the only woman ever to inherit and rule the vast Habsburg Empire in her own name, and three of her remarkable daughters: lovely, talented Maria Christina, governor-general of the Austrian Netherlands; spirited Maria Carolina, the resolute queen of Naples; and the youngest, Marie Antoinette, the glamorous, tragic queen of France, and

perhaps the most famous princess in history. Unfolding against an irresistible backdrop of brilliant courts from Vienna to Versailles, embracing the exotic lure of Naples and Sicily, this epic history of Maria Theresa and her daughters is a tour de force of desire, adventure, ambition, treachery, sorrow, and glory. Each of these women's lives was packed with passion and heart-stopping suspense. Maria Theresa inherited her father's thrones at the age of twenty-three and was immediately attacked on all sides by foreign powers confident that a woman would to be too weak to defend herself. Maria Christina, a gifted artist who alone among her sisters

succeeded in marrying for love, would face the same dangers that destroyed the monarchy in France. Resourceful Maria Carolina would usher in the golden age of Naples only to face the deadly whirlwind of Napoleon. And, finally, Marie Antoinette, the doomed queen whose stylish excesses and captivating notoriety have masked the truth about her husband and herself for two hundred and fifty years. Vividly written and deeply researched, *In the Shadow of the Empress* is the riveting story of four exceptional women who changed the course of history.

THE DEFIANT LIVES OF MARIA THERESA, MOTHER OF MARIE ANTOINETTE, AND

HER DAUGHTERS

McGill-Queen's Press - MQUP

Vampires . . . they ache, they love, they thirst for the forbidden. They are your friends and lovers, and your worst fears. "A major new voice in horror fiction . . . an electric style and no shortage of nerve."—Booklist At a club in Missing Mile, N.C., the children of the night gather, dressed in black, look for acceptance. Among them are Ghost, who sees what others do not; Ann, longing for love; and Jason, whose real name is Nothing, newly awakened to an ancient, deathless truth about his father, and himself. Others are coming to Missing Mile tonight. Three beautiful, hip vagabonds—Molochai,

Twig, and the seductive Zillah, whose eyes are as green as limes—are on their own lost journey, slaking their ancient thirst for blood, looking for supple young flesh. They find it in Nothing and Ann, leading them on a mad, illicit road trip south to New Orleans. Over miles of dark highway, Ghost pursues, his powers guiding him on a journey to reach his destiny, to save Ann from her new companions, to save Nothing from himself. . . . “An important and original work . . . a gritty, highly literate blend of brutality and sentiment, hope and despair.”—Science Fiction Chronicle Univ. Press of Mississippi
Not long before her fiftieth

birthday, Mackenzie Phillips walked into Los Angeles International Airport. She was on her way to a reunion for One Day at a Time, the hugely popular 70s sitcom on which she once starred as the lovable rebel Julie Cooper. Within minutes of entering the security checkpoint, Mackenzie was in handcuffs, arrested for possession of cocaine and heroin. Born into rock and roll royalty, flying in Learjets to the Virgin Islands at five, making pot brownies with her father's friends at eleven, Mackenzie grew up in an all-access kingdom of hippie freedom and heroin cool. It was a kingdom over which her father, the legendary John Phillips of The Mamas & the Papas, presided, often

in absentia, as a spellbinding, visionary phantom. When Mackenzie was a teenager, Hollywood and the world took notice of the charming, talented, precocious child actor after her star-making turn in *American Graffiti*. As a young woman she joined the nonstop party in the hedonistic pleasure dome her father created for himself and his fellow revelers, and a rapt TV audience watched as Julie Cooper wasted away before their eyes. By the time Mackenzie discovered how deep and dark her father's trip was going, it was too late. And as an adult, she has paid dearly for a lifetime of excess, working tirelessly to reconcile a wonderful, terrible past in which she

succumbed to the power of addiction and the pull of her magnetic father. As her astounding, outrageous, and often tender life story unfolds, the actor-musician-mother shares her lifelong battle with personal demons and near-fatal addictions. She overcomes seemingly impossible obstacles again and again and journeys toward redemption and peace. By exposing the shadows and secrets of the past to the light of day, the star who turned up High on Arrival has finally come back down to earth -- to stay.

THE HISTORY OF TOM JONES, A FOUNDLING

Springer
Now a major Lifetime

movie event—Book Three of the Dollanganger series that began with *Flowers in the Attic*—the novel of forbidden love that captured the world’s imagination and earned V.C. Andrews a fiercely devoted fanbase. They hide the shocking truth to protect their children. But someone who knows their dark secret is watching. Christopher and Cathy have made a loving home for their handsome and talented teenager Jory, their imaginative nine-year-old Bart, and a sweet baby daughter. Then an elderly woman and her strange butler move in next door. The Old Woman in Black watches from her window, lures lonely Bart inside with

cookies and ice cream, and asks him to call her “grandmother.” Slowly Bart transforms, each visit pushing him closer to the edge of madness and violence, while his anguished parents can only watch. For Cathy and Chris, the horrors of the past have come home...and everything they love may soon be torn from them.

1977: July-December
Dell

First released in 2002, this provocative, critically acclaimed novel is now a major motion picture starring Bel Powley, Kristen Wiig, and Alexander Skarsgård. “I don't remember being born. I was a very ugly child. My appearance has not improved so I guess it was a lucky break when he was attracted by my youthfulness.”

So begins the wrenching diary of Minnie Goetze, a fifteen-year-old girl longing for love and acceptance and struggling with her own precocious sexuality. After losing her virginity to her mother's boyfriend, Minnie pursues a string of sexual encounters (with both boys and girls) while experimenting with drugs and developing her talents as an artist. Unsupervised and unguided by her aloof and narcissistic mother, Minnie plunges into a defenseless, yet fearless adolescence. While set in the libertine atmosphere of 1970s San Francisco, Minnie's journey to understand herself and her world is universal: this is the story of a young woman troubled

by the discontinuity between what she thinks and feels and what she observes in those around her. Acclaimed cartoonist and author Phoebe Gloeckner serves up a deft blend of visual and verbal narrative in her complex presentation of a pivotal year in a girl's life, recounted in diary pages and illustrations, with full narrative sequences in comics form. The *Diary of a Teenage Girl* offers a searing comment on adult society as seen through the eyes of a young woman on the verge of joining it. This edition has been updated by the author with an introduction reflecting on the book's critical reception and value as diary or novel, historical document or work of art. Also included in this revised

edition are supplementary photographs and illustrations from the author's childhood, including some of her own diary entries. "Phoebe Gloeckner... is creating some of the edgiest work about young women's lives in any medium."—The New York Times "One of the most brutally honest, shocking, tender and beautiful portrayals of growing up female in America."—Salon "It's the most honest depiction of sexuality in a long, long time; as a meditation on adolescence, it picks up a literary ball that's been only fitfully carried after Salinger."—Nerve.com

THE KISS

HMH

updated edition reviews over 3000 films and videos. As a companion to gay and lesbian cinema, it also covers homosexual directors, gay characters and plots, sympathetic film-makers and gay icons. Miss America by Day JB Duvane
Mother-Daughter Sexual Abuse MDSA
The ultimate betrayal of a child's trust. The taboo subject led by society's denial that abuse of this nature even occurs. Wilma survived 16 years of her mother Hellen's brutal, emotional, physical, and sexual abuse-including acts of torture. Manipulated, controlled, and violated from her earliest memories, Wilma despaired from the constant hunger, sexual abuse, violent

beatings, and strip searches. She feared suicide was her only option. The stigma and shame of the abuse silenced Wilma for years. As Wilma found the courage to speak her unspeakable secret-she was relieved by the support she received, after years of being convinced no one would believe her. MacLiver wrote her powerful, true story in this inspiring book from a daughter-survivor's point of view. *Life Behind the Masks* is a must-read to witness her miracle healing from the worst kind of sexual abuse- an unforgettable memoir [High on Arrival](#) Foxrock Best known for her long-running comic strip Ernie Pook's Comeek, illustrated fiction (*Cruddy*, *The Good Times Are Killing*

Me), and graphic novels (*One! Hundred! Demons!*), the art of Lynda Barry (b. 1956) has branched out to incorporate plays, paintings, radio commentary, and lectures. With a combination of simple, raw drawings and mature, eloquent text, Barry's oeuvre blurs the boundaries between fiction and memoir, comics and literary fiction, and fantasy and reality. Her recent volumes *What It Is* (2008) and *Picture This* (2010) fuse autobiography, teaching guide, sketchbook, and cartooning into coherent visions. In *Lynda Barry: Girlhood through the Looking Glass*, author Susan E. Kirtley examines the artist's career and contributions to the

field of comic art and beyond. The study specifically concentrates on Barry's recurring focus on figures of young girls, in a variety of mediums and genres. Barry follows the image of the girl through several lenses—from text-based novels to the hybrid blending of text and image in comic art, to art shows and coloring books. In tracing Barry's aesthetic and intellectual development, Kirtley reveals Barry's work to be groundbreaking in its understanding of femininity and feminism.

Penguin
Hailed by Sue Grafton as "a true original," ex-cop turned private eye

Carlotta Carlyle risks her neck in Boston's Combat Zone for two very different clients Six-foot-tall, redheaded ex-cop and Boston-based private eye Carlotta Carlyle is "the genuine article: a straightforward, funny, thoroughly American mystery heroine" (New York Post). Carlotta Carlyle is halfway through a pizza when her former boss, Lieutenant Mooney of the Boston Police, shows up at her door needing help even more than Carlotta needs a case. In a Combat Zone bar, Mooney got into a scrap with a stranger over a woman. Now the stranger is comatose, the woman has vanished, and Mooney has been suspended. He wants Carlotta to find the

blond hooker with a snake tattoo who witnessed the brawl, and who can exonerate him. Doing surveillance in the Zone, Carlotta gets a second case. A ritzy prep school kid with a bloody lip hires her to find his missing girlfriend. Drawn into two different yet equally dangerous worlds where dead bodies are showing up, Carlotta has only two weeks to save the most honest cop in Boston from going to jail, and to find a girl whose privileged parents don't seem to care that she's run away. The Snake Tattoo was named an outstanding book of the year by the London Times. The Snake Tattoo is the 2nd book in the Carlotta Carlyle Mysteries, but you may enjoy reading the

series in any order. [The Carlotta Carlyle Mysteries Volume One](#) Vintage Canada This is the shocking story of how I survived incest and rape and achieved healing and recovery. There are few darker figures in human history than the father who rapes his own daughters. I, along with my two sisters, was subjected to years of sexual abuse by our father from the age of three to early adulthood. I was also violently and forcefully raped by a neighborhood thug who went on to rape and murder a young mother a few months later. I am sharing my experiences and pain with others in the hope that my tale will let others know that they are not alone, and that they can succeed in

fulfilling their lives. Some of the images projected by this book may seem graphic, disgusting or horrific. There is no adjective to describe the torment and anguish that three innocent girls were forced to live with for their entire lives. This book is an examination of psychological terrorism and a look into the darkened bedrooms of America. It is also a journey into the darkest side of human nature. The broken lives, stolen innocence and betrayal of trust is overshadowed by a far greater tragedy. The failure to protect me and my sisters from the deprivations of a very sick man is one thing. The fact that he got away with it is another. This book is also a tale of hope, for I

was one of the lucky ones who achieved healing and recovery. If my story gives even just one victim hope and inspiration to move on, then I will count it as a personal victory.

SCARED SELFLESS

Open Road Media
The fourth volume of “one of the most remarkable diaries in the history of letters” (Los Angeles Times). The renowned diarist continues her record of her personal, professional, and artistic life, recounting her experiences in Greenwich Village for several years in the late 1940s, where she defends young writers against the Establishment—and her trip across the country in an old Ford to California and

Mexico. “[Nin is] one of the most extraordinary and unconventional writers of [the twentieth] century.”
—The New York Times Book Review Edited and with a preface by Gunther Stuhlmann

MY ABSOLUTE DARLING

HMH
Now in paperback comes Pia Pera's bestselling answer to "Lolita", where the novel is told not from the point of view of the seducer, Humbert

Humbert, but of the young girl herself.
Flowers in the Attic
Random House
The House of Incest, Anais Nin's famous prose poem, was first published in Paris in 1936 and immediately drew attention from the era's prominent writers, including Henry Miller and Lawrence Durrell. While written in English, it is considered a landmark work in the French surrealist tradition and one of the most unique books in 20th century literature.
