Frank Binford Hole (1874-1964), evangelist, teacher and author, for many years edited and contributed to two periodicals: "Edification" and "Scripture Truth," and wrote and published books and pamphlets from the Central Bible Truth Depot. In 1937 he was invited, along with other leading teachers of the time in the Brethren movement, to contribute to a series of meetings over four consecutive days on Christians' attitudes, aspirations and activities as they wait for the return of the Lord Jesus Christ. Notes taken during the meetings were revised by the participants, then edited by MrHole, giving a unique insight into the character and content of the event. The thoroughly Bible-based approach to the subject has much to teach us today. With Bible in hand, follow each scripture as it is expounded, and learn what it really means to be Christ's letter to the world in the twenty-first century."

During Paul's ministry, Corinth was a newly rebuilt, bustling, important city in the Roman Empire. It was a place full of pride, individualism, wealth, and religious pluralism. No wonder its inhabitants held little regard for Paul's message! Sound familiar? Our contemporary culture has much in common with ancient Corinth. The relevance of this book to churches today is astounding. Paul delivers powerful theology that turns the values of the ancient Roman world upside-down-the grace of God, the centrality of the cross, and God's power made perfect in weakness. He challenges us to live counterculturally. In this commentary on 2 Corinthians, Pastor R. Kent Hughes carefully

examines this letter from the apostle Paul to the church in Corinth, continuing to provide rich biblical insight for the body of Christ. Part of the Preaching the Word series.

Most Bible commentaries take us on a one-way trip from the twentieth century to the first century. But they leave us there, assuming that we can somehow make the return journey on our own. In other words, they focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable -- but the job is only half done! The NIV Application Commentary Series helps us with both halves of the interpretive task. This new and unique series shows readers how to bring an ancient message into modern context. It explains not only what the Bible means but also how it can speak powerfully today.

MOVING FROM A "BLUEPRINT HERMENEUTIC" TO A THEOLOGICAL ONE In this book, John Mark Hicks tells the story of his own hermeneutical journey in reading the Bible. Lovingly and graciously, he describes his transition from a "blueprint hermeneutic" to a theological one. Some suggest that moving away from a patternistic command-example-and-necessary-inference approach for understanding what God requires leaves no other alternative, or at least none that both respects biblical authority and seeks to obey the gospel of Jesus the Messiah. In *Searching for the Pattern*, John Mark offers just such an alternative. His theological hermeneutic is deeply rooted in the way the Bible presents itself as a dramatic history of God's plan to redeem the world as well as his own experience of growing up among Churches of Christ. Seeing the gospel of Jesus as the center of the biblical drama reorients us to what provides our Christian identity and unites us as disciples of Jesus. \*\*\*\*\* I pray this book is received with open hearts and open minds because I believe this work could go a long way in helping to bring unity to our fractured fellowship. --Wes McAdams, Preaching Minister for the church of Christ on McDermott Road, Plano, Texas This excellent book helps us understand the inner workings of Bible interpretation among Churches of Christ and provides a persuasive proposal for Bible interpretation that is built on the story of God we find in Scripture--a story into which God calls us. --James L. Gorman, Associate Professor of History, Johnson University Knoxville, Tennessee Finally, a trellis across the chasm! Throughout this book, Hicks does not compromise his high regard for both the church and the Scriptures; and through the grace found therein, he composes this urgent invitation back to the Table, where obedience cooperates with mystery, and we--estranged or conflicted--can find our place as one within God's magnificent story. - -Tiffany Mangan Dahlman, Minister at Courtyard Church of Christ, Fayetteville, North Carolina John Mark Hicks is Professor of Theology at Lipscomb University in Nashville, Tennessee. He has taught for thirty-eight years in schools associated with the Churches of Christ. He has published fifteen books and lectured in twenty countries and forty states and is married to Jennifer. They share six children and six grandchildren.

The reputation of the NIGTC series is so outstanding that the appearance of each new volume is noteworthy. This book on 2 Corinthians is no exception. Master New Testament exegete Murray J. Harris has produced a superb commentary that analyzes the Greek text verse by verse against the backdrop of Paul's tumultuous relations with his converts at Corinth. Believing that Scripture cannot be understood theologically unless it has first been understood grammatically, Harris provides a careful, thoroughgoing reading of the text of 2 Corinthians. He gives special attention to matters of translation, making regular references not only to the standard modern English translations but also to influential older versions such as "The Twentieth Century New Testament" and those by Weymouth, Moffatt, and Goodspeed. His close attention to matters of textual criticism and grammar leads to discussions of the theology of 2 Corinthians that show the relevance of Paul's teaching to Christian living and church ministry. Other notable features of the book include a comprehensive introduction in which all the relevant literary and historical issues are discussed, an expanded paraphrase of the letter that conveniently shows Harris's decisions on exegetical issues and indicates the flow of Paul's argument, a chronology of the relations of Paul, Timothy, and Titus with the Corinthian church, and an excursus on Paul's "affliction in Asia" (1:8-11) and its influence on his outlook and theology.

The moral depravity evident throughout Corinth most vividly reflected the spiritual need of that city. The debauchery of the city was so well known in ancient times that "to act the Corinthian" became synonymous with committing fornication. It was within the context of such ungodliness that Paul challenged the believers at Corinth to live as saints

### **THE SECOND EPISTLE OF PAUL TO THE CORINTHIANS**

On the Whole Bible Born the son of a clergyman on October 18, 1662, Matthew Henry was ordained into the British Presbyterian Church where he held the pastorate in Chester from 1687 to 1712. He was widowed, married again and had 10 children, three whom died in infancy. Henry died in 1714. Henry began work on his commentary as "Notes On The New Testament" in 1704 and the monumental work was completed shortly before his death in 1714. Remembered as a caring pastor, a passionate lover of the Word of God, and a man of great personal integrity, Matthew Henry has left his mark on the hearts of countless Christians who seek a deeper understanding of the riches that Scripture contains. This edition of Matthew Henry's Commentary on the Whole Bible uses the King James text and is abridged from the original six volumes while faithfully retaining all of the vibrant themes of that classic work. Everything here is in Matthew Henry's own words and nothing relevant to today's reader has been omitted. The Second Epistle to the Corinthians

"Besides Jesus, no one has kept me from despair, or taken me deeper into the mysteries of the gospel, than the apostle Paul." —John Piper No one has had a greater impact on the world for eternal good than the apostle Paul—except Jesus himself. For John Piper, this impact is very personal. He does not just admire and trust Paul. He loves him. Piper gives us thirty glimpses into why his heart and mind respond this way. Can a Christian-killer really endure 195 lashes from a heart of love? Can a mystic who thinks he was caught up into heaven be a model of lucid rationality? Can an ethnocentric Jew write the most beautiful call to reconciliation? Can a person who lives with the unceasing anguish of empathy be always rejoicing? Can a man's description of the horrors of human sin be exceeded by his delight in human splendor? Can a man with a backbone of steel be as tender as a nursing mother? If we know this man—if we see what Piper sees—we too will love him. Paul's

God revealed His purpose for creating man in Genesis 1:28 and commanded man to do four things: "And God blessed them, and God said unto them, 1) Be fruitful, and 2) multiply, and 3) replenish the earth, and 4) subdue it: and have dominion...." In the past, people read that and thought it only meant, "Have all the children you possibly can." The four laws of productivity are not confined to man's reproduction. They are the foundation of all productivity. They are the keys to fulfilling God's purpose and plan for each of us, .

The letter of 2 Corinthians reveals a powerful debate between the apostle Paul and a shadowy group of opponents, along with the local church members who supported them. Paul records a range of emotional extremes as he defends his doctrine, ministry, and character to this beloved yet troublesome congregation. In his response to the conflict, Paul develops a momentous theological message: God's power is at work in human beings, not in their power but in their weakness. In this revised Bible Speaks Today volume, Paul Barnett provides an accessible exposition that helps readers engage the message of 2 Corinthians. Working passage by passage through this often challenging epistle, Barnett provides helpful background, draws out key themes, and offers applications for Christians today. We find rich insights about the work of Christ, the nature of Christian ministry, facing struggles and weakness, generosity, and the life of the church. This revised edition of a classic volume features a new interior design, current NIV Scripture quotations, and light updates throughout.

Delve Deeper into God's Word In this verse-by-verse commentary, Robert Gundry offers a fresh, literal translation and a reliable exposition of Scripture for today's readers. Second Corinthians is largely a response to a previous letter that Paul wrote to the church in Corinth. This epistle not only praises the church for its response but also defends Paul's apostolic authority. Pastors, Sunday school teachers, small group leaders, and laypeople will welcome Gundry's nontechnical explanations and clarifications. And Bible students at all levels will appreciate his sparkling interpretations. This selection is from Gundry's Commentary on the New Testament.
