The Modern British Drama: Tragedies

University of Toronto Press

A master's class in surrender. My entire  
life, I was trained to be a perfect bride. I  
thought I was ready for my wedding. I  
longed to meet the man who would be my

husband. Instead I met him— The Master. He says I'm not good enough. He says I haven't learned everything I need. Ten lessons are all that stand between me and my future. But the sensual journey he takes me on will teach me more than I ever dreamed. Book one of ten in the Master Class.

EverAfter Romance

Torn between two men, Lydia returns to her parents' campground in Maine defeated and overwhelmed. She can't deny her attraction to the affable, anything-goes Jeremy. But it's Michael Bournham who haunts her dreams. When it turns out Mike's been hiding in plain sight, she realizes that for some people, rules are made to be broken. For her, though, it's time to make her own rules. Rules that mean having it all. Including both Jeremy and Mike.

Deliciously Obedient EverAfter Romance  
*Cowley, Denham, Milton* Paige Press, LLC  
The USA Today Bestseller Lydia's new boss stole the job she wanted and he thinks he

owns the place already on Day One. Turns out -- he actually does. She can't control her attraction to Matt, the man with stormy eyes and a penchant for kissing her in the supply closet, the elevator, and in her increasingly intense dreams. But Matt has a secret -- he's really Michael Bournham, playboy extraordinaire and the CEO of the company, and he's doing a reality television stunt. For six weeks he's pretending to be a middle manager while producers video tape everything. Everything. Including the moment he and Lydia give in and break every rule. And, perhaps, their hearts.

Including the Series Edited with Prefaces, Biographical and Critical Springer Science & Business Media

Explores how a Christian notion of freedom incurring responsibility was a component of identity, examining secular writings, liturgy, canon and civil law, chronicle, dialogue, and hagiography to analyze the practice of obedience in the monastic context.

**Obedience (Submission Book 1)** S. Chand Publishing

Our holidays lie near the heart of our emotional life, enjoyed for a fortnight, fed

on imagination for eleven months of the year. What we want from our holidays tells a lot about who we are and what we wish we were. In this charming account, Fred Inglis traces the rise of the holiday from its early roots in the Grand Tour, through the coming of Thomas Cook and his Blackpool packages, to sex tourism and the hippie trail to Kathmandu. He celebrates the bodily pleasures of generations of tourists - from Edwardian banquets in Paris to fish and chips on the beach, from the Bright Young Things on the Riviera to the chosen hardships of the sea, the desert wastes and the mountain tops. He considers the ideals and the spiritual aspirations which are part of what we look for in a holiday, but he also warns of a darker current - how we have increasingly destroyed what we take most pleasure in and how the dealings between those who have much and those who have little, can seldom, however good our intentions, avoid the taint of exploitation.

**A New English Dictionary of the English Language** Random House  
Lily Snowe is the brightest diamond in London's society, but her brilliance hides a scandalous past. Her every step skirts the

shadow of her secrets. Her only confidants, the Mandeville brothers, have finally returned to London. Is this Lily's chance, at last, to find freedom from the past and true love? Ralph Mandeville is honor bound to protect his family and to protect Lily's trust. But from the minute he sees her again, his passion threatens to overcome his sensibilities. The delicate dance of their courtship is thrown into chaos by a single cryptic phrase: The Mandevilles have been chosen. How can their bright new love defeat a dark past and a sinister conspiracy?

Routledge

ELLIOT: Romance is one thing - obedience is another. After almost crashing my car in the Alaskan wilderness, I wake up in the muscled arms of one of the locals. He's a rugged pilot bringing supplies to my research station, but he's got more than work on his mind. His eyes tell me he likes giving orders. And I like taking them. Caleb is the most intense man I've ever met. When his plane breaks down and traps us together, his untamed dominance emerges. I'm his, and he knows it. And he demands total submission. We're trapped

together, but it won't last forever. He's a beast of a man, and I'm in his grip. CALEB: If he wants to survive out here, he'll do as I say. I'm divorced, straight, and single, but those labels disappear when I see Elliot. He's soft and innocent--and I have him all to myself. He's not a pushover, but surviving in Alaska is no easy task. He needs a strong pair of hands to show him the ropes. Elliot awakens something in me. The desire to dominate him, to bend him to my will and hear him beg for more makes me feel alive. And I love it. I'm a hardened man with a sturdy body, but as much as I bury it, part of me wants to spoil him--and have him scream my name all night. Doesn't matter that Elliot's a man; he's the only one I want in my cockpit. In the wilderness, what I say goes. This is the first book in the Submission series. It can be enjoyed as a standalone with no cliffhanger. Readers can expect an extra spicy MM romance with several steamy scenes. Heat level: 10.

**This Delicious Land, Portugal** The Wild  
Rose Press Inc

This beloved Newbery Honor-winning story about a feisty heroine is sure to enchant readers new and old. At her birth, Ella of

Frell receives a foolish fairy's gift—the “gift” of obedience. Ella must obey any order, whether it's to hop on one foot for a day and a half, or to chop off her own head! But strong-willed Ella does not accept her fate... Against a bold backdrop of princes, ogres, giants, wicked stepsisters, and fairy godmothers, Ella goes on a quest to break the curse forever.

**MALICIOUSLY OBEDIENT**

Harper Collins

Following Brian Johnston's death in 1994, Prime Minister John Major appeared to speak for the nation when he remarked that 'Summers will never be the same.' To an Englishman's ears, the sound of leather against willow will always be closely associated with the cheerful tones of Johnners. Brian Johnston was a man who admitted: 'I have this absurd hankering to make people laugh.' He also summed up his books as 'the meanderings of a remarkably happy and lucky person, to whom life, like cricket, is a funny game and still a lot of fun.' Lovingly edited by his eldest son, Barry, A Delicious Slice of Johnners is a wonderfully enjoyable

compendium of three of Johnners' best loved books, the autobiographies *It's Been a Lot of Fun* and *It's a Funny Game*, and *Rain Stops Play*
