As the Byzantine and German emperors plot war against each other, Venice's future rests in the hands of three unwilling individuals: The newly knighted Sir Tycho. He defeated the Mamluk navy but he cannot make the woman he loves love him back. Tortured by secrets, afraid of the daylight, he sees no reason to save a city he hates. The grieving Lady Giulietta. Virgin. Mother. Widow. All she wants is to retire from the poisonous world of the Venetian court to mourn her husband in peace. But her duty is to Venice: both emperors want her hand in marriage and an alliance with Europe's

richest city. She must choose, knowing that whichever suitor she rejects will become Venice's bitterest enemy. Lastly, a naked, mud-strewn girl who crawls from a paupers' grave on an island in the Venetian lagoon and begins by killing the men who buried her. Between them, they will set the course of history.

Opinión Clientes: "El Secreto de los Assassini me capturó por completo. Es uno de los mejores libros de la saga de Hércules, pues tiene un gran ritmo narrativo que logra que el lector siempre quiere saber qué sucederá a continuación. Más allá de eso, es perfectamente uno de los mejores textos educativos sobre asuntos históricos, como siempre lo ha logrado Mario Escobar, pero en este libro en particular es increíblemente acertada y digerible la manera de presentar información que probablemente a muchos les sea ajena. Yo tengo estudios sobre Medio Oriente, y sobre el Islam, y si alguien tiene deseos de entretenerse a la par que aprender sobre esta religión y

sus corrientes, es un libro altamente recomendado. No dudo volver a leerlo pronto, pues en verdad es una delicia recorrer cada página de este libro." Decades after Hitler's fall, Nazis are still trying to kill John Cooper. His marriage destroyed by drinking, John Cooper returns to Cambridge, Massachusetts, trying to recapture the joy he felt as an undergraduate in Harvard University's sacred halls. He is just beginning to piece his life together when he gets a telegram calling him home to Minnesota. The message comes from Buenos Aires, and with Cooper's family history, that can mean only one thing: The Nazis are staging a comeback. To John and his brother, their grandfather was a kind, distinguished old man. But to the American people, he was the worst kind of traitor. An industrialist who spent the 1930s in business with Fascists, he became infamous as "America's Number One Nazi." When Hitler's old lieutenants decide to get together a Fourth Reich, the Coopers are the first family they call. John hasn't even made it to Minnesota when the first attempt on his life comes - a message that if he isn't ready to honor his family legacy, he will die for it. Au Vatican, le pape est aux portes de la mort. Dans le même temps, sœur Valentine, une religieuse progressiste, est assassinée dans une chapelle sur la côte est des Etats-Unis. Quelques heures plus tard, c'est un puissant homme d'Eglise qui succombe dans un hôtel de luxe à New York. Pourquoi a-t-on voulu les empêcher de parler et quels secrets cherche-t-on à cacher ? Lorsque Ben Driskill, le frère de la religieuse, comprend que l'Eglise cherche à étouffer l'affaire, il se lance sur les traces de ces hommes qui n'hésitent pas à tuer au nom de Dieu. Son enquête le conduit à Paris, à Rome, dans un couvent perdu dans les déserts du Moyen-Orient, puis dans un monastère irlandais où un manuscrit est dissimulé depuis des décennies. Et peu à peu se dessinent les contours d'une conspiration remontant à l'époque des Borgia et aux sombres années de la seconde guerre mondiale...

In the depths of night, customs officers board a galley in a harbor and overpower its guards. In the hold they find oil and silver, and a naked boy chained to the bulkhead. Stunningly beautiful but half-starved, the boy has no name. The officers break the boy's chains to rescue him, but he escapes. Venice is at the height of its power. Duke Marco commands the seas, taxes his colonies, and, like every duke before him, fears assassins better than his own. In a side chapel, Marco's thirteen-year old cousin prays for deliverance from her forced marriage. It is her bad fortune to be there when Moorish pirates break in to steal a chalice, but it is the Moors' good fortune - they kidnap her and

demand ransom from the Duke. As day dawns, Atilo, the Duke's chief assassin, prepares to kill the man who let in the pirates. Having cut the traitor's throat, he turns back, having heard a noise, and finds a stranger crouched over the dying man, drinking blood from the wound. The speed with which the boy dodges a dagger and scales a pillar stuns Atilo. And the assassin knows he has to find the boy. Not to kill him though - because he's finally found what he thought he would never find. Someone fit to be his apprentice.
