The survivors who remain are scared, bewildered, and in need of a leader. Two

emerge--Mother Abigail, the benevolent 108-year-old woman who urges them to build a peaceful community in Boulder, Colorado; and Randall Flagg, the nefarious "Dark Man," who delights in chaos and violence. What does freedom look like from inside an Israeli prison? The walls of the cell are etched with the names of the prisoners who came before. A bird perches on the cell window and offers a deal: "You bring the pencil, and I will bring the stories," stories of

family, of community, of Gaza, of Palestine. Mohammad Sabaaneh brings uses his striking linocut artwork to help the world see Palestinian people as human, not as superheroes or political symbols.

Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. *A Maiden...* Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to

experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom...

Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. 'The Shoulder of Shasta' is a touching story interspersed with gothic notes about a middle class English girl named Esse who gradually grows to know and love the swashbuckling American cowboy Dick. A poignant tale set to the backdrop of the picturesque scenery of Mount Shasta in California. Stoker is definitely bringing readers something quite different from his cult classic 'Dracula', starring Bela Lugosi in its film adaptation. Highly recommended for those who enjoy the intensely vivid descriptions of Bram Stoker's other works, as well as those of his contemporaries Edgar

Allan Poe, H. G. Wells

and H. P. Lovecraft

who also specialised in

gothic and horror

literature. Abraham

"Bram" Stoker was

born in Dublin in 1847.

Turning to fiction in his

later years, Stoker

published his first short

story 'The Crystal Cup'

(1872) in London

Society magazine. In

the 1880s and 1890s,

he published 'Under

an adventure novel

titled 'The Snake's

publication of 'Dracula'

Two impossible love stories are fatefully connected by one artistic legacy in a stunning debut that leaps between the mysteries of late-Renaissance Venice

and the dramas of present-day America. “Enchanting from the first page.”—Sarah Jio, New York Times bestselling author of *All the Flowers in Paris* In the wake of her father’s death, Rose Newlin finds solace in her work as a book restorer. Then, one rainy Connecticut afternoon, a struggling painter appears at her door. William Lomazzo brings with him a sixteenth-century treatise on art, which Rose quickly identifies as a palimpsest: a document written over a hidden diary that had purposely been scraped away. Yet the restoration sparks an unforeseen challenge when William—a married man—and Rose experience an instant, unspoken attraction. Five

centuries earlier, Renaissance-era Venetians find themselves at the mercy of an encroaching Ottoman fleet preparing for a bloody war. Giovanni Lomazzo, a portrait artist grappling with tragedy, discovers that his vision is fading with each passing day. Facing the possibility of a completely dark world, Gio begins to document his every encounter, including what may be his final artistic feat: a commission to paint the enchanting courtesan of one of Venice's most powerful military commanders. Soon, however, Gio finds himself enraptured by a magnificent forbidden love. Spellbound by Gio's revelations, Rose and William are soon

forced to confront the reality of their own mystifying connection. A richly detailed page-turner shadowed by one of history's darkest times, *The Lost Diary of Venice* weaves a heartbreakingly vivid portrait of two vastly different worlds—and two tales of entrancing, unrelenting love.

A BEST BOOK OF THE YEAR:

THE WASHINGTON

POST • GOODREADS "A

lean, fast-paced

account of the almost

absurdly dangerous quest by [Richard Burton and John Speke] to solve the geographic riddle of their era."

—The New York Times Book Review For millennia the location of the Nile River's headwaters was shrouded in mystery. In the 19th century, there was a frenzy of interest in ancient Egypt. At the same time, European powers sent off waves of explorations intended to map the unknown corners of the globe - and extend their colonial empires.

Richard Burton and John Hanning Speke were sent by the Royal Geographical Society to claim the prize for England. Burton spoke twenty-nine languages, and was a decorated soldier. He was also mercurial, subtle, and

an iconoclastic atheist. Speke was a young aristocrat and Army officer determined to make his mark, passionate about hunting, Burton's opposite in temperament and beliefs. From the start the two men clashed. They would endure tremendous hardships, illness, and constant setbacks. Two years in, deep in the African interior, Burton became too sick to press on, but Speke did, and claimed he found the source in a great lake that he christened Lake Victoria. When they returned to England, Speke rushed to take credit, disparaging Burton. Burton disputed his claim, and Speke launched another expedition to Africa to prove it. The

two became venomous enemies, with the public siding with the more charismatic Burton, to Speke's great envy. The day before they were to publicly debate, Speke shot himself. Yet there was a third man on both expeditions, his name obscured by imperial annals, whose exploits were even more extraordinary. This was Sidi Mubarak Bombay, who was enslaved and shipped from his home village in East Africa to India. When the man who purchased him died, he made his way into the local Sultan's army, and eventually traveled back to Africa, where he used his resourcefulness, linguistic prowess and raw courage to forge a living as a guide. Without Bombay and

men like him, who led, carried, and protected the expedition, neither Englishman would have come close to the headwaters of the Nile, or perhaps even survived. In *River of the Gods* Candice Millard has written another peerless story of courage and adventure, set against the backdrop of the race to exploit Africa by the colonial powers.
