MILLS ANTON

Ricordo di Natale Oxford University Press, USA
When Darcy McCall loses her beloved Aunt Molly, she doesn't expect any sort of inheritance - let alone a small island! Located off the west coast of Ireland, Tara hasn't been lived on for years, but according to Molly's will, Darcy must stay there for twelve months in order to fully inherit. It's a big shock. And she's even more shocked to hear that she needs to persuade a village full of people to settle there, too. Darcy has to leave behind her independent city life and swap stylish heels for muddy wellies. Between sorting everything from the plumbing to the pub, Darcy meets confident, charming Conor and sensible, stubborn Dermot - but who will make her feel really at home?

Califfa Edizioni Mondadori

Holly Golightly knows that nothing bad can ever happen to you at Tiffany's. In this seductive, wistful masterpiece, Capote created a woman whose name has entered the American idiom and whose style is a part of the literary landscape—her poignancy, wit, and naïveté continue to charm. This volume also includes three of Capote's best-known stories, "House of Flowers," "A Diamond Guitar," and "A Christmas Memory," which the Saturday Review called "one of the most moving stories in our language." It is a tale of two innocents—a small boy and the old woman who is his best friend—whose sweetness contains a hard, sharp kernel of truth.

MILLENNIAL FANDOM

Reaktion Books

Covers the area of feminist media criticism. This edition discusses subjects including, alternative family structures, de-westernizing media studies, industry practices, "Sex and the City", Oprah, and "Buffy."

THE FLUID DYNAMICS OF CLIMATE

White Star Publishers

In *The Daemon Knows*, celebrated American literary critic Harold Bloom turns his attention to the writers of his own national literary tradition, from Walt Whitman and Herman Melville to William Faulkner and Hart Crane. The distillation of a lifetime lived among the works explored in these pages, this book is also one of Bloom's most profoundly personal to date.

On Photography CRC Press

For ease of use and practicality *Straightforward Second Edition* is structured to provide one lesson per double-page spread (A/B/C/D), lasting around 90 minutes. All lessons are interlinked to promote better and more memorable learning, but there is the flexibility to pick out certain key sections to focus on certain language points.

The Most Influential Women of Our Time Garzanti

This novel is the symbol of a great contemporary Italian writer, as well as his first major international success.

La regolazione delle nuove forme della comunicazione commerciale televisiva: Product Placement e Branded Content
Harper Collins

Precocious and shocking when first published in 1956, *Chocolates for Breakfast* is a candid coming-of-age story of a young girl's sudden awakening to love and desire written by 18-year-old Pamela Moore. Disaffected, sexually precocious 15-year-old Courtney Farrell splits her time between her parents' homes in New York and Los Angeles. When a crush on a female teacher in boarding school ends badly, Courtney sets out to know everything fast—from tasting dry martinis to engaging in a passionate love affair with an older man. Considered an American response to French sensation *Bonjour Tristesse*, *Chocolates for Breakfast* is also a tale of Courtney's close and ultimately tragic friendship with her roommate, Janet Parker, and a moving account of how teenagers approach love and sex for the first time. This edition of *Chocolates for Breakfast* features 16 pages of insights into the book, including author interviews, recommended reading, and more.

The Affluent Consumer Penguin (Non-Classics)

In an ambitious study encompassing a wide range of media texts, including popular television series like *Kyle XY*, *Glee*, *Gossip Girl*, *Veronica Mars*, and *Pretty Little Liars* and online works like *The Lizzie Bennet Diaries*, as well as fan texts from blog posts and tweets to remix videos, YouTube posts, and image-sharing streams, author Louisa Ellen Stein traces the circulation of the contradictory tropes of millennial hope and millennial noir. Looking at what millennials do with digital technology demonstrates the molding impact of commercial representations, and at the same time reveals how millennials are undermining, negotiating, and changing those narratives.

I cigni della Quinta Strada Ballantine Books

Il 17 ottobre 1975 fa la sua comparsa nelle edicole americane un numero speciale di *Esquire* che mostra in copertina la foto di profilo di un Truman Capote grasso e pallido, e una didascalia che reclamizza l'ultimo, attesissimo racconto dell'acclamato autore di *A sangue freddo*. Titolo: *La Côte Basque 1965*. Capote si è incamminato da tempo lungo la china dell'autodistruzione. Quasi costantemente in preda all'alcol e alle droghe, è soltanto una smorta controfigura del trentenne dagli occhi pieni di passione e inquietudine che sedusse il bel mondo newyorchese vent'anni prima. Su quel mondo, che lo ha tacitamente messo da parte, posa ora la sua astiosa penna, narrando del santuario che ne è al centro e che ha le sue vestali nei Cigni della Quinta Strada: Babe Paley, Slim Keith, Gloria Vanderbilt, Pamela Harriman, le regine dei cocktail, delle feste di beneficenza, dei party più esclusivi, dei dinner e dei lunch alla Côte Basque, il ristorante dove, appunto, pranzi e cene sono diventati un appuntamento imprescindibile della mondanità newyorchese. Il racconto di *Esquire* muove da un incontro alla Côte Basque in cui i Cigni della Quinta Strada si lasciano andare a inattese confessioni e riprovevoli giudizi. Slim Keith, riconoscibilissima nei panni di una pettegola e cattiva «ragazzone briosa e vitale», sposata con un soporifero lord

inglese, spettegola e maligna su una sfilza di personaggi ricchi e famosi: Jackie Kennedy, che sembra una versione caricaturale di se stessa, la principessa Margaret, così noiosa da far addormentare i suoi interlocutori. Gloria Vanderbilt appare talmente svampita da non saper riconoscere il primo marito. Ma è soprattutto con l'entrata in scena di Sidney Dillon, un «finanziere, consigliere di presidenti», sposato con una donna di nome Cleo, «la più bella creatura vivente», ma pronto a tradirla in numerose avventure extraconiugali, in scontri e sordidi incontri tra lenzuola sudice, che il racconto di Capote appare come un imperdonabile tradimento, un assassinio, una pugnalata inferta al cuore di uno dei Cigni in particolare, quello che tutte loro amavano di più e che persino Truman, anzi specialmente Truman, amava: Babe Paley, l'elegante e infelice consorte di «Sidney Dillon», alias Bill Paley, il fondatore della Cbs. Per Slim, Gloria, Pamela, il racconto di Capote ne fa di colpo un volgare nanerottolo, un bastardo scoppiato del Sud, una vipera che si è insinuata nel loro seno e che va subito schiacciata. Per Babe, però, *La Côte Basque 1965* rappresenta qualcosa di molto più importante: segna la fine dei suoi giorni dorati, della comunione perfetta, intima e accogliente con uno scrittore che, in pose languide e sensuali, guardava un tempo tutti dall'alto della sua grandezza letteraria. Romanzo che è stato accolto da uno strepitoso successo al suo apparire negli Stati Uniti, *I cigni della Quinta Strada* è un meraviglioso inno alla «bellezza e alla crudeltà di un mondo scomparso» (People). «Il più grande scandalo di Truman Capote in un romanzo imperdibile». Jamie Ford «*New York Times*» bestseller. «La singolare e affascinante relazione tra Truman Capote e i suoi "cigni" meravigliosamente narrata in un romanzo avvincente». Sara Gruen «Il bel mondo degli anni Cinquanta e Sessanta brilla in questa incantevole storia di rivalsa e tradimento». Lynn Cullen *Straightforward Beginner* New Harbinger Publications This text presents the key findings of the International Symposium held in Delft in 2003, which explored the process of shallow flows. Shallow flows are found in lowland rivers, lakes, estuaries, bays, coastal areas and in density-stratified atmospheres, and may be observed in puddles, as in oceans. They impact on the life and work of a wide variety of readers, who are here provided with a clear overview of the subject. Shallow flows are intrinsically turbulent. On one hand, there are strongly three-dimensional, small-scale turbulent motions and on the other hand, large-scale quasi-two-dimensional turbulence. This book explains and examines these differences and their effects with sections on transport processes in shallow flows; shallow jets, wakes and mixing layers; stratified and rotating flows in ocean and atmosphere; river and channel flows; and numerical modelling and turbulence closure techniques. The reader is provided with the pick of current studies and a fresh approach to the subject, with expert examination of a fascinating and crucial phenomenon of our world's water systems.

Amazing Aviators : A2-B1 (Collins Amazing People ELT Readers) University of Iowa Press

This volume provides an overview of the fluid aspects of the

climate system, focusing on basic aspects as well as recent research developments. It will bring together contributions from diverse fields of the physical, mathematical and engineering sciences. The volume will be useful to doctorate students, postdocs and researchers working on different aspects of atmospheric, oceanic and environmental fluid dynamics. It will also be of interest to researchers interested in quantitatively understanding how fluid dynamics can be applied to the climate system, and to climate scientists willing to gain a deeper insight into the fluid mechanics underlying climate processes.

Rubelli Delta

Reminiscent of Scheherazade and One Thousand and One Nights, Gianni Rodari's *Telephone Tales* is many stories within a story. Every night, a traveling father must finish a bedtime story in the time that a single coin will buy. One night, it's a carousel that adults cannot comprehend, but whose operator must be some sort of magician, the next, it's a land filled with butter men who melt in the sunshine Awarded the Hans Christian Anderson Award in 1970, Gianni Rodari is widely considered to be Italy's most important children's author of the 20th century. Newly re-illustrated by Italian artist Valerio Vidali (*The Forest*), *Telephone Tales* entertains, while questioning and imagining other worlds.

Christmas at Tiffany's Neri Pozza Editore

This compilation of classic short fiction presents stories inspired by life in the great metropolis. Contributors include O. Henry, Melville, Cather, Wharton, Wodehouse, Langston Hughes, Junot Díaz, and others.

Sphere

Margherita ha quattordici anni e sta iniziare il liceo. Un giorno ascolta un messaggio in segreteria telefonica. È suo padre:

annuncia che non tornerà più a casa. Per Margherita si spalanca il vuoto sotto i piedi....

Museum Skepticism Bloomsbury Publishing USA

At the end of W.W. II Sister Langtry is in charge of a ward of mentally unbalanced patients. When she falls in love with a new patient tensions are created and a patient is murdered.

Telephone Tales The Grass Harp

These 50 women pursued their ambitions and dreams--even when the world told them they shouldn't. They experienced triumph and tragedies, and lived lives as thrilling and moving as any novel. Ranging from artists, designers, and actresses to entrepreneurs, scientists, and activists, the women include Maria Montessori, Amelia Earhart, Coco Chanel, Simone de Beauvoir, Rosa Parks, Eva Perón, Josephine Baker, Jane Goodall, and Malala Yousafzai.

The Daemon Knows Donzelli Editore

Food Packaging: Principles and Practice, Third Edition presents a comprehensive and accessible discussion of food packaging principles and their applications. Integrating concepts from chemistry, microbiology, and engineering, it continues in the tradition of its bestselling predecessors and has been completely revised to include new, updated, and

THE DISAPPEARANCE OF SIGNORA GIULIA

MacMillan Education ELT

When the sad, beautiful Signora Giulia goes missing without a trace from her Lake Como villa home, it is her husband who reports her disappearance to the detective Sciancalepre, and so the search begins - one that takes Sciancalepre beneath the tranquil surface of local bourgeois society, a world of snobbery and secrets, while mysterious shadows lurk in the grounds of the family villa . . . As his investigation gathers pace this atmospheric

classic detective story becomes a thrilling game of legal cat and mouse. From the Trade Paperback edition.

Cose che nessuno sa Springer

From the national bestselling author of *In Cold Blood* and *Breakfast at Tiffany's* comes the story of three endearing misfits—an orphaned boy and two whimsical old ladies—who take up residence in a tree house. Set on the outskirts of a small Southern town, *The Grass Harp* tells the tale of three misfits who move into a tree house. As they pass sweet yet hazardous hours in a china tree, *The Grass Harp* manages to convey all the pleasures and responsibilities of freedom. But most of all it teaches us about the sacredness of love, “that love is a chain of love, as nature is a chain of life.” This volume also includes Capote’s *A Tree of Night and Other Stories*, which the *Washington Post* called “unobtrusively beautiful . . . a superlative book.”

The Bookplate Pushkin Vertigo

What do you do when the man you pledged your life to breaks your heart and shatters your dreams? You pack your bags and travel the big, wide world to find your destiny—and your true love . . . Ten years ago, a young and naïve Cassie married her first serious boyfriend, believing he would be with her forever. Now her marriage is in tatters and Cassie has no career or home of her own. Though she feels betrayed and confused, Cassie isn't giving up. She's going to take control of her life. But first she has to find out where she belongs . . . and who she wants to be. Over the course of one year, Cassie leaves her sheltered life in rural Scotland to stay with her best friends living in the most glamorous cities in the world: New York, Paris, and London. Exchanging comfort food and mousy hair for a low-carb diet and a gorgeous new look, Cassie tries each city on for size as she searches for the life she's meant to have . . . and the man she's meant to love.
