The Cambridge CAE Course prepares students thoroughly for the Cambridge Certificate in Advanced English while

helping them improve their overall command of English and communication skills at this level. The Cambridge CAE Course: - familiarises students with the content and the format of the CAE exam. - gives students extensive practice in carrying out CAE exam tasks. The final section of each unit and three separate Revision Exam Practice units concentrate solely on CAE question formats and strategies. - examines the various subskills needed at this level, such as reading for gist. - has regular Grammar Reminder and Grammar Analysis sections which offer, respectively, a review of 'old' grammar and a look at structures that may be new at this level. - has a Ways of Learning feature in each unit that encourages students to reflect on their approaches to exam preparation.
