Indonesia is the home of the largest single Muslim community of the world. Its Christian community, about 10% of the population, has until now received no overall description in English. Through cooperation of 26 Indonesian and European scholars, Protestants and Catholics, a broad and balanced picture is given of its 24 million Christians. This book sketches the growth of Christianity during the Portuguese period (1511-1605), it presents a fair account of developments under the Dutch colonial administration (1605-1942) and is more elaborate for the period of the Indonesian Republic (since

1945). It emphasizes the regional differences in this huge country, because most Christians live outside the main island of Java. Muslim-Christian relations, as well as the tensions between foreign missionaries and local theology, receive special attention.

The Bible has a way of shocking us. If Americans could still blush, we might blush at the words, "Rejoice in the wife of your youth, a lovely deer, a graceful doe. Let her breasts fill you at all times with delight; be intoxicated always in her love" (Proverbs 5:18-19). But, of course, sin always tries to trash God's gifts. So we can't just celebrate sex for what God made it to be; we have to fight what sin turned it into. The contributors to this unique volume encourage you to do both: celebrate and struggle. This book has something for all-men and women, married and single-from contributors like John Piper, C. J. and Carolyn Mahaney, Mark Dever, Al Mohler, Carolyn McCulley, and others.

## MY PLACE

Drawing on her own experiences of trauma and difficulties, renowned Bible teacher and bestselling author Joyce Meyer shares her expertise on how to grow and live a happy and joyous life. Joyce Meyer is probably better equipped than anyone when it comes to never giving up. She overcame an abused childhood, a bad marriage and extremely limited opportunities to become one of the

most popular author/speakers in the world. Joyce Meyer Ministries was the first ministry in America to be headed by a woman, and it's one of the largest in the world. If anyone knows how to hold on to a dream and realize it, it's her. Packed with examples of people who pursued their goals relentlessly, the book profiles nearly fifty individuals who prevailed against all odds. From the builder of the Brooklyn Bridge to the chemists who invented Post-It notes we meet people like Bessie Coleman, an African-American who had to go to flight school in Paris in order to learn how to fly. But she did, becoming the first woman in America to earn her pilot's license in 1920. Download the free Joyce Meyer author app.

This book examines the complex history of Adventism in Africa, situating it within the context of African traditions and culture. From a small movement with origins in the United States, the Seventh-day Adventist Church has grown worldwide. It is one of several Christian denominations present in Africa and yet the history of Seventh-day Adventism in the global South has been largely unexplored by scholars. The book highlights the discrepancies between western traditions exhibited in the missionary enterprise and African religious systems. It also explores the intricate relation between colonialism and African Adventism in line with established studies in African Christianity. It will be of interest to scholars of religion and theology, particularly church history and mission studies, as well as African studies.

Sworn to secrecy when employed to assist D.M. Canright, Mrs. Johnson, now many years after his death, feels that she is no longer bound to this pledge to keep in strict confidence what she heard and saw during the period of time she served as his secretary. Her story, plus the result of her years of painstaking research, combines and forms a new and fascinating portrait

of Dudley Marvin Canright.

*He Leadeth Me* Crossway

The Bible reveals glorious things. And yet we often miss its power because we read it the same way we read any other book. In *Reading the Bible Supernaturally*, best-selling author John Piper teaches us how to read the Bible in light of its divine author. In doing so, he highlights the Bible's unique ability to reveal God to humanity in a way that informs our minds, transforms our hearts, and ignites our love. With

insights into the biblical text drawn from decades of experience studying, preaching, and teaching Scripture, Piper helps us experience the transformative power of God's Word—a power that extends beyond the mere words on the page. Ultimately, Piper shows us that in the seemingly ordinary act of reading the Bible, something supernatural happens: we encounter the living God.
