Najeeb's dearest wish is to work in the Gulf and earn enough money to send back home. He achieves his dream only to be propelled by a series of incidents, grim and absurd, into a slave-like existence herding goats in the middle of the Saudi desert. Memories of the lush, verdant landscape of his village and of his loving family haunt Najeeb whose only solace is the companionship of goats. In the end, the lonely young man contrives a hazardous scheme to escape his desert prison. *Goat Days* was published to acclaim in Malayalam and became a bestseller. One of the brilliant

new talents of Malayalam literature, Benjamin's wry and tender telling transforms this strange and bitter comedy of Najeeb's life in the desert into a universal tale of loneliness and alienation.

The Last Girl Hamish Hamilton

Can the dead tell their stories? In the hands of a good forensic surgeon, they certainly can. First published in 2010 in Malayalam as *Oru Police Surgeonte Ormakkurippukal*, this is the bestselling memoir of Kerala's most famous forensic

surgeon, Dr B. Umadathan. Popularly known as the 'Sherlock Holmes of Kerala', Dr Umadathan revisits some of his strangest and most interesting cases, like the Chacko murder masterminded by Sukumara Kurup; the sensational Polakkulam case; and the baffling Panoor Soman case. Chilling, shocking and, at times, downright bizarre, *Dead Men Tell Tales* is unputdownable.

The third in a trilogy of novels- the other two being Aalahayude Pennmakal (1999) which won a Central Sahitya Akademi Award, and Maatathi (2001)- Othappu is set in the Kerala Christian community, which splits broadly into Roman Catholics, Syrian Christians, and Charismatics who emphasize free worship and faith-healing. I Othappu (2003), the winner of two State-level awards, raises important issues revolving around a self-consciously

religious society: the role of piety, spirituality, family, sexuality, and the freedom of the individual or the lack of it. Peppered and layered with Biblical quotations and allusions, and carrying echoes and subtexts that parallel events in the New Testament, the novel gives us rare glimpses of Malayali Christian society. Literally meaning outrage or scandal directly linked with breaking sexual codes of behavior, Othappu is a crucial text chiefly because the socio-psychological implications of convent-life, and its contradictions and conflicts, have rarely been discussed in Indian fiction; nor has female subjectivity in the Malayali Christian culturescape been made available in English before. As Sara Joseph tunnels into the lives of her characters, the conclusion shows people

up for who they really are, and what they are prepared to bear, in support of their actions. The novel will appeal to students and scholars of Indian literature in general and Malayalam literature in particular, comparative literature, gender studies, cultural studies, as well as general readers.

Arbaminchile Manimuthukal Harper Collins

“A Fight with a Cannon” is a short story by Victor Hugo narrating an effort to deal with a wayward cannon destroying a French warship. Entertaining and intelligent, it is highly recommended for fans of historical fiction and is not to be missed by collectors of Hugo's seminal work. Victor Marie Hugo (1802 – 1885) was a French novelist, dramatist, and poet belonging to the Romantic movement. He is widely hailed as one of the most accomplished and well-known French writers, originally achieving renown for his poetical endeavours—the most notable of which are the volumes “Les Contemplations” and “La Légende des siècles”. Outside of his native country, Hugo's best-known works are his novels: “Les Misérables” (1862) and “Notre-Dame de Paris” (1831),

commonly known as “The Hunchback of Notre-Dame”. Aside from his literary achievements, he also produced over 4,000 beautiful drawings and was a prominent campaigner for social and political issues, including abolishing capital punishment. Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this book now in an affordable, high-quality, modern edition complete with a specially commissioned new biography of the author.

When it was first published in 1997, Satyr of the Subway consisted of twelve stories, each worked around a dramatically different situation ranging from the mundane to the bizarre. This revised edition includes three new stories and incorporates occasional alteration to text, some marginal, some significant, where the writer has revisited her characters or situations

long after she first created them. The result is a fascinating collection of stories that traverse the entire gamut of human emotion, penetrating in their insight into male-female relationships and seriously funny in their take on the futility of expectations---from life or from lovers.

In this “courageous” (The Washington Post) memoir of survival, a former captive of the Islamic State tells her harrowing and ultimately inspiring story. Nadia Murad was born and raised in Kocho, a small village of farmers and shepherds in northern Iraq. A member of

the Yazidi community, she and her brothers and sisters lived a quiet life. Nadia had dreams of becoming a history teacher or opening her own beauty salon. On August 15th, 2014, when Nadia was just twenty-one years old, this life ended. Islamic State militants massacred the people of her village, executing men who refused to convert to Islam and women too old to become sex slaves. Six of Nadia's brothers were killed, and her mother soon after, their bodies swept into mass graves. Nadia was taken to Mosul and forced, along with thousands of other Yazidi girls, into the ISIS slave trade. Nadia would be held captive by several militants and repeatedly raped and beaten. Finally, she managed a narrow escape through the streets of Mosul, finding shelter in

the home of a Sunni Muslim family whose eldest son risked his life to smuggle her to safety. Today, Nadia's story—as a witness to the Islamic State's brutality, a survivor of rape, a refugee, a Yazidi—has forced the world to pay attention to an ongoing genocide. It is a call to action, a testament to the human will to survive, and a love letter to a lost country, a fragile community, and a family torn apart by war.

Exploring Indian Modernities Context

Ann Marie reads fragments of her dead husband's unfinished book, and the many love letters he sent her, and in them the social and political events of the time. As she ponders over the writing and the years that the brilliant Jithendran squandered working for a toy company that makes drum-playing monkeys, the narrative gives way to the sweeping saga of a village by the river Periyar. Grappling with issues of equality, love, caste, religion and politics, Thachanakkara is a microcosm of twentieth-century Kerala. Told

through the history of three generations of a feudal Nair family, this sprawling story is reminiscent of the craft of Gabriel Garcia Marquez's *One Hundred Years of Solitude* and has the scale of Sunil Gangopadhyay's *Those Days*.

Manushyanu Oru Amukham is an artistic meditation on human existence and is a contemporary classic.

The only novel of one of Kerala's leading women writers, Lalithambika Antharjanam's Agnisakshi is a telling account of a woman's life glowing as though purified in the "fire of sacrifice". Set against the history of Kerala, and life, customs, habits, and culture of the Namboodiri community, along with the fervent cries of the Indian National Freedom struggle, the characters act out

their unforgettable roles: Tethi, the dazzling but disappointed bride who renounces worldly life; Unni Namboodiri, whose adherence to the Vedic way of life destroys his personal happiness; and Thankam, Unni's Nair cousin and the mighty Aphan Namboodiri's daughter, seeking her own liberation from the past. True to the lyrical and emotional tone of the original, Vasanthi Sankaranarayanan's translation offers a moving portrait of upper-class, upper-caste Kerala society just before and after Independence.
