When Sarah Newby
presents her first case
in the Court of Criminal
Appeal, it seems her
career is looking up.
But at the same time
her marriage hits the
rocks, and to the
despair of her former

admirer Detective
Inspector Terry
Bateson, Sarah
embarks on an affair
with a handsome
property developer,
Michael Parker. All
goes well at first, but
then a body is
discovered in one of
Michael's cottages. As
Terry Bateson
investigates, his
suspicions fall upon
Michael. But is Terry
just jealous, or is
Sarah's new lover

really a murderer?

graded readers. Retold
for Learners of English
by Jennifer Bassett. A
woman and a man . . .
words of love
whispered on a
summer night. Later,
there is a child, but no
wedding-ring. And then
the man leaves the
first woman, finds a
younger woman,
marries her . . . It's an
old story. Yes, it's an
old, old story. It
happens all the time --
today, tomorrow, a
hundred years ago.
People don't change.
But this story, set
among the green hills
of southern England,
has something
different about it.
Perhaps it is only a
dream, or perhaps it is

magic -- a kind of
strange dark magic
that begins in the
world of dreams and
phantoms . . .

OR GIVE ME DEATH

OXFORD
"Charles Bravo died
from the poison
antimony. He took
three days to die, and
the doctors could do
nothing to help him.
There were three
people who had
reasons for wanting
Charles Bravo dead --
Florence Bravo herself,
Charles Bravo's new
young wife; Dr James
Gully, Florence's
former lover; and Mrs
Jane Cox, Florence's
friend and companion.
But the enquiry into
the death in 1876
could not decide who
the murderer was, and
for more than 130
years people have
wondered who did kill

Charles Bravo?"--
Publisher's description.
The Elephant Man
Oxford University Press
Stirringly told from the
view of everyday
soldiers, *Covenant with
Death* is acclaimed as
one of the greatest
novels about war ever
written. With a new
foreword by Louis de
Bernières, author of
*Captain Corelli's
Mandolin*. They joined
for their country. They
fought for each other.
When war breaks out
in 1914, Mark Fenner
and his Sheffield
friends immediately
flock to Kitchener's
call. Amid waving flags
and boozy celebration,
the three men - Fen,
his best friend Locky
and self-assured Frank,
rival for the woman
Fenner loves - enlist as
volunteers to take on
the Germans and win
glory. Through

ramshackle training in
sodden England and a
stint in arid Egypt,
rebellious but brave
Fenner proves himself to
be a natural leader,
only undermined by
on-going friction with
Frank. Headed by
terse, tough Sergeant
Major Bold, this group
of young men form
steel-strong bonds, and
yearn to face the great
adventure of the
Western Front. Then,
on one summer's day
in 1916, Fenner and his
band of brothers are
sent to the Somme,
and this very ordinary
hero discovers what it
means to fight for your
life. 'Laden with
knowledge yet sparsely
written, *Covenant with
Death* is the work of an
author immersed in the
lives of those who
fought' *The Times* 'The
last line ought to be
carved in stone

somewhere . . . Find it. Read it. You'll be a better person for having done so' Peter Hitchens, Daily Mail An anti-war book right up there with Remarque's All Quiet on the Western Front Shortlist (The Greatest War Novels of all Time) 'Covenant With Death . . . showed with unbearable actuality what happened to a newly formed Sheffield regiment on the first day of the battle of the Somme' Christopher Hitchens, Guardian 'The blood and guts, the nightmare stink of cordite . . . appalling realism' The Times 'Only one novel about the war since 1945 has the power and feeling of veracity to compare with the works of the 1920s and 30s . . . Covenant with Death by John Harris' The

Western Front Organisation 'A superb novel' Daily Mirror 'John Harris's neglected masterpiece of a novel, Covenant With Death, is the success that it is because it follows a group of Sheffield workers from their flag-waving sign-up to the hecatomb on the Somme' The Atlantic 'True and terrible' Observer 'An outstanding achievement' Sunday Express

Death in the Freezer

HarperCollins
A level 2 Oxford Bookworms Library graded reader. This version includes an audio book: listen to the story as you read. Retold for Learners of English by Jennifer Bassett. The room was on the fourth floor, and the key on the inside. The windows were

closed and fastened - on the inside. The chimney was too narrow for a cat to get through. So how did the murderer escape? And whose were the two angry voices heard by the neighbours as they ran up the stairs? Nobody in Paris could find any answers to this mystery. Except Anguste Dupin, who could see further and think more clearly than other people. The answers to the mystery were all there, but only a clever man could see them.

"Irresistible... a Golden Age homage, an elegantly constructed mystery that on every page reinforces the message that everyone counts." –New York Times Book Review
Recommended by New York Times Book Review • Wall Street Journal • Parade • Country Living • Chicago Tribune • South Florida Sun-Sentinel • The Free-Lance Star • St. Louis Post-Dispatch •

CrimeReads • Nerd Daily • Red Carpet Crash • and many more! From the award-winning author of *The Day I Died* and *The Lucky One*, a captivating suspense novel about nurses during World War II who come to Agatha Christie's holiday estate to care for evacuated children, but when a body is discovered nearby, the idyllic setting becomes host to a deadly mystery. Bridey Kelly has come to Greenway House—the beloved holiday home of Agatha Christie—in disgrace. A terrible mistake at St. Prisca's Hospital in London has led to her dismissal as a nurse trainee, and her only chance for redemption is a position in the countryside caring for

children evacuated to safety from the Blitz. Greenway is a beautiful home full of riddles: wondrous curios not to be touched, restrictions on rooms not to be entered, and a generous library, filled with books about murder. The biggest mystery might be the other nurse, Gigi, who is like no one Bridey has ever met. Chasing ten young children through the winding paths of the estate grounds might have soothed Bridey's anxieties and grief—if Greenway were not situated so near the English Channel and the rising aggressions of the war. When a body washes ashore near the estate, Bridey is horrified to realize this is not a victim of war, but of a brutal killing. As the local

villagers look among themselves, Bridey and Gigi discover they each harbor dangerous secrets about what has led them to Greenway. With a mystery writer's home as their unsettling backdrop, the young women must unravel the truth before their safe haven becomes a place of death . . .

The Coldest Place on Earth CreateSpace

"It is beautiful to look at, hard to reach, and terribly difficult to climb. Winds of 200 kilometres per hour or more scream across it day and night, while the temperature falls to -20°C or lower. Every year, some who try to climb the highest mountain in the world do not return. But for a century people have been coming to climb Everest - some alone,

some in groups, but all with a dream of going to the highest place in the world. This is their story"--Back cover.

'Every day someone steals money from

people near the shops. We must stop this,' says Dan, a police officer. The police use TV cameras but it is not easy because there are so many suspects - who is the robber?

The Decent Inn of Death

Houghton
Mifflin Harcourt
One of School Library Journal's Best Fiction Books of 2011 Some secrets are better left buried; some secrets are so frightening they might make angels weep and the devil crow. Thought provoking as well as intensely scary, Marcus Sedgwick's White Crow unfolds in three voices. There's Rebecca, who has come to a small, seaside village to spend the summer, and there's Ferelith, who offers to show Rebecca the secrets of the town...but at a

price. Finally, there's a priest whose descent into darkness illuminates the girls' frightening story. *White Crow* is as beautifully written as it is horrifically gripping. This title has Common Core connections.

[A Little Princess - With Audio Level 1 Oxford Bookworms Library](#)
HarperCollins

A heartwarming and poignant story that explores the bonds of family and the importance of knowing your own history, from the critically acclaimed author of *My Life with the Liars* and the ALA Notable Book Forever, or a Long, Long Time *Alma* has everything she needs, except answers to her questions. Her mother won't tell her why her beloved stepfather, Adam, is suddenly

gone this summer. Or about life in Portugal, where her parents met. Not even about her father, who *Alma* cannot find, no matter how many graveyards she searches with her best friend, Julia. Then *Alma's* mother shocks her by moving them both to Lisbon so *Alma* can fall in love with the vibrant city where her father grew up. There she discovers she has more family than she could have imagined. She hopes Portugal holds the answers she's been desperately searching for, but it turns out finding the truth may be more complicated than she, or her mother, bargained for.

 Litigation is like war,
 BabyBarista. Read this
 and learn. It's
 BabyBarista's first day
 as a pupil barrister in
 chambers. Never mind
 his legal qualifications;
 it's his summer
 working in Starbucks
 that's going to stand
 him in good stead,
 since coffee-making
 seems to be his chief
 responsibility (with the
 odd bout of
 photocopying to relieve
 the tedium). He's got
 one year to make his
 mark and prove by foul
 means or fair that, out
 of the four pupil
 barristers, he's the one
 who deserves to stay
 on and win the sought-
 after prize of a tenancy
 in chambers. It's sort of
 like Big Brother, but

with little horsehair
 wigs. Once assigned to
 a pupilmaster, an oily
 character he calls
 TheBoss, BabyB
 retreats to his tiny
 desk in a dusty corner
 to consider the
 competition: TopFirst,
 a Cambridge graduate
 with a prizewinning CV
 and an ego to match;
 BusyBody, a human
 whirlwind on a
 husband hunt; and
 finally wide-eyed
 Worrier, who carries
 the world on her
 anxious shoulders. 'If
 you know the enemy
 and know yourself, you
 need not fear the
 result of a hundred
 battles,' says Sun Tzu,
 whose book *The Art of
 War* is becoming
 BabyB's bible. Quietly,
 he smiles to himself,
 and begins to make
 some plans...
 Puncturing pomposity
 and exposing injustice

with subversive wit, this diary of a nobody is an hilarious tour around the modern bar.

A&C Black

"[Airth's] meticulously detailed procedural mysteries are beautifully written . . . well worth reading, and rereading." --Marilyn Stasio, The New York Times Snowed in at a country manor, former Scotland Yard inspectors John Madden and Angus Sinclair find themselves trapped in the company of a murderer. On a trip into Winchester, former chief inspector Angus Sinclair learns of a tragedy that has taken place in the village he is staying in. Beloved church organist Greta Hartmann has slipped and fallen to her death

in a shallow creek, and while investigations conclude it to be an accident, her friend and housemate, Vera, remains unconvinced. After learning that Greta was the widow of a prominent anti-Nazi German preacher, Sinclair meets with the distraught Vera, and he resolves to dig deeper into the story. His investigations lead him to the stately manor of Julia Lesage, where she lives with her devoted staff that includes her secretary, cook, and driver. Though confined to a wheelchair, Julia is an electrifying spirit with a sharp wit, and those who know her adore her. Among those who do, a gentleman with dubious business dealings is also staying at the house--and Julia appears to be in love

with him. A blizzard hits, keeping Sinclair, and later Madden, on the grounds with little to do but analyze the case of Greta's death, until a murder takes place, and everyone becomes a suspect.

In the summer of 1910, a race began. A race to be the first man at the South Pole, in Antarctica. Robert Falcon Scott, an Englishman, left London in his ship, the Terra Nova, and began the long journey south. Five days later, another ship also began to travel south. And on this ship was Roald Amundsen, a Norwegian. But Antarctica is the coldest place on earth,

and it is a long, hard journey over the ice to the South Pole. Some of the travellers never returned to their homes again. This is

the story of Scott and Amundsen, and of one of the most famous and dangerous races in history.
