Without the evil vampire Bishop ruling over the town of Morganville, the resident vampires have made major

concessions to the human population. With their newfound freedoms, Claire Danvers and her friends are almost starting to feel comfortable again... Now Claire can actually concentrate on her studies, and her friend Eve joins the local theatre company. But when one of Eve's castmates goes missing after starting work on a short documentary, Eve suspects the

worst. Claire and Eve soon realize that this film project, whose subject is the vampires themselves, is a whole lot bigger—and way more dangerous—than anyone suspected. The Eternal Kiss Penguin Welcome to Morganville. Just don't stay out after dark... Morganville is a small town filled with unusual characters - when the sun goes down, the bad come out. In Morganville, there is an evil that lurks in

the darkest shadows - one that will spill out into the bright light of day. For Claire Danvers, high school was hell, but college may be murder. It was bad enough that she got on the wrong side of Monica, the meanest of the school's mean girls, but now she's got three new roommates, who all have secrets of their own. And the biggest secret of all isn't really a secret, except from Claire: Morganville is run by

vampires, and they are hungry for fresh blood...Containing the first four instalments in the international bestselling series: Glass Houses; Dead Girls' Dance; Midnight Alley; Feast of Fools. Carpe Corpus Penguin Twilight meets The Princess Diaries in the new series from the author of Honeymoon of the Dead On her sixteenth birthday, Anastasija Parker learns that her so-

Too bad witches and vampires are mortal enemies. And now Ana's parents are at each other's throats over her future. It's up to Ana to make a choice, but deciding your eternal destiny is a

pretty big deal for a girl who just wants to get through high school. Last Breath Allison & Busby INCLUDES A BRAND NEW AND EXCLUSIVE MORGANVILLE SHORT STORY ONLY AVAILABLE IN THIS EDITION In the small town of Morganville, vampires and humans lived in (relative) peace - until all the rules got rewritten when the evil vampire Bishop arrived, looking for the lost book of

He vows to obliterate the town and all its inhabitants - the living and the undead. Claire Danvers and her friends are the only ones who stand in his way. But even if they defeat Bishop, will the vampires ever be content to

go back to the old rules, after having had such a taste of power? 'Thrilling, sexy and funny! These books are addictive. One of my very favourite vampire series.' Richelle Mead, author of the international bestselling Vampire Academy series. *Feast of Fools* St. Martin's Griffin There's something lurking in the depths . . . Supernatural halfling Jane True was hoping for a nice welcome

Coming under attack awakens a terrible new power within Jane, and she almost destroys herself when she unleashes it. When Jane wakes, weeks later, she discovers that she's not the only thing stirring. Something underneath Rockabill is coming to life: something ancient and powerful,
