Major Problems in American History, Volume One And, Volume Two

Major Problems in American History
Designed to encourage critical thinking about history, the MAJOR PROBLEMS IN AMERICAN HISTORY series introduces students to both primary sources and analytical essays on important topics in U.S. history. This collection serves as the primary anthology for the introductory survey course, covering the subject's entire chronological span. Comprehensive topical coverage includes politics, economics, labor, gender, culture, and social trends. The fourth edition has been revised to reflect two new historiographical trends: the emergence of the history of religion as an exceptionally lively field and the internationalization of American history. Several chapters include images, songs, and poems to give students a better "feel" for the time period and events under discussion.

Key pedagogical elements of the Major Problems format have been retained: 15 to 16 chapters per volume, chapter introductions, headnotes, and suggested readings. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Sport Marketing Houghton Mifflin College Division
This unique volume explores such themes as the political and economic forces that cause immigration; the alienation and uprootedness that often follow relocation; and the difficult questions of citizenship and assimilation.

Major Problems in the History of American Sexuality Cengage Learning
MAJOR PROBLEMS IN AMERICAN POPULAR CULTURE follows the highly successful Major Problems format. Each chapter comprises essays and documents that focus on a particular aspect of American popular culture. These essays and documents will prompt students to think about

the centrality of popular culture in American life and its powerful role in forging identity, historical memory, and relationships among consumers, producers, citizens, and the state. They reinforce the idea that popular culture is the ground on which cultural and social transformations are worked. Race and class are at the center of the analysis, and these categories, along with gender and nationalism, thread through the chapters. They all argue for seeing popular audiences as active creators rather than passive receivers of popular culture. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A BRIEF HISTORY OF AMERICAN SPORTS

Major Problems in American History
Each chapter includes documents and essays relating to the chapter's central theme, many of which are written by Native Americans.
Major Problems in American Sport History

Oxford University Press, USA
 Discusses baseball's history and the game's relationship to American society from the 1850s until the present day. Major Problems in American Foreign Relations, Volume II: Since 1914 Houghton Mifflin College Division
 Designed to encourage critical thinking about history, this reader uses a carefully selected group of primary sources and analytical essays to allow students to test the interpretations of distinguished historians and draw their own conclusions about the history of American foreign policy. This text serves as an effective educational tool for courses on U.S. foreign policy, recent U.S. history, or 20th Century U.S. history. The Seventh Edition introduces new studies on America's early foreign relations which seek to position the nation's post 9-11 attitudes and behaviors within historical context. Some of the new literature spotlights cultural relations, and the ways in which culturally constructed attitudes about class, gender, race, and national identity have shaped American's

perceptions of the world and subsequently its overseas relationships. In this volume, almost one-half of the essays are new, including selections by Michael L. Krenn, Walter A. Hixson, Robert Kagan, John Lamberton Harper, Marie-Jeanne Rossignol, Joseph J. Ellis, John E. Lewis Jr., Piero Gleijeses, Stuart Banner, McCabe Keliher, Michael H. Hunt, Kristin L. Hoganson, Paul A. Kramer, Stanley Karnow, Robert W. Tucker, and Erez Manela. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

 Human Kinetics
 Drawing on historical records and contemporary interviews, Cahn chronicles the remarkable transformation made by women's sports in the the 20th century, revealing the struggles faced by women to overcome social constraints and behavior codes, and how sport has changes their lives. Photos.

DOCUMENTS AND ESSAYS

University of Illinois Press
 Designed to encourage critical thinking about

history, the MAJOR PROBLEMS IN AMERICAN HISTORY series introduces readers to both primary sources and analytical essays on important topics in U.S. history. This collection serves as a primary anthology for introductory U.S. history, covering the subject's entire chronological span. Comprehensive topical coverage includes politics, economics, labor, gender, culture, and social trends. The Third Edition features greater focus on visual and cultural sources throughout. Several chapters now include images, songs and poems to give readers a better feel for the time period and events under discussion. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Documents and Essays
 Houghton Mifflin College Division
 This book presents essential, readable, and provocative documents and essays that illuminate the American sporting experience from a variety of viewpoints. A volume in the MAJOR PROBLEMS IN AMERICAN HISTORY series, it is designed to encourage critical

thinking about history. The documents are primary sources, selected for how they illustrate major developments in the rise of sport, and often, for how they illuminate the accompanying essays. They include government reports, court cases, contemporary newspaper articles, diary entries, and advertisements for athletic equipment. The essays were chosen to cover broadly the field of sport history, based on the particular significance of each essay to our understanding of sport history as well as the quality of the writing, research, and analysis. Introductions and headnotes for the readings provide context to help students better understand the material. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

DOCUMENTS AND ESSAYS

The New Press
Designed to encourage critical thinking about history, the Major Problems in American History series introduces students to both primary sources and analytical

essays on important topics in U.S. history. This collection serves as the primary anthology for the introductory survey course, covering the subject's entire chronological span. Comprehensive topical coverage includes politics, economics, labor, gender, culture, and social trends. The Second Edition features integrated coverage of women in Volume I, as well as a streamlined chronology in Volume II. Key pedagogical elements of the Major Problems format have been retained: 14 to 15 chapters per volume, chapter introductions, headnotes, and suggested readings.

Major Problems in the History of the Vietnam War Cengage Learning
Designed to encourage critical thinking about history, the Major Problems in American History series introduces students to both primary sources and analytical essays on important topics in U.S. history. Major Problems in the History of the Vietnam War incorporates a spate of new research and a number of recently declassified documents concerning the Vietnam War.

From Colonization to Globalization Cengage Learning
Major Problems in American Sport History Cengage Learning
Coming on Strong Houghton Mifflin College Division
Designed to encourage critical thinking about history, the Major Problems series introduces students to both primary sources and analytical essays on important topics in U.S. history. Major Problems in American Women's History is the leading reader for courses on the history of American women, covering the subject's entire chronological span. While attentive to the roles of women and the details of women's lives, the authors are especially concerned with issues of historical interpretation and historiography. The Fourth Edition features greater coverage of the experiences of women in the Midwest and the West, immigrant women, and more voices of women of color. Key pedagogical elements of the Major Problems format have been retained: 14 to 15 chapters per volume, chapter introductions, headnotes, and suggested readings. New! In Chapter

1, an exclusive essay by Kate Haulman examines the evolution of the field of women's history and the state of women's history today. New!Chapter 2 now focuses on Native American women, while a new Chapter 3 covers witches and their accusers in New England and the Salem witch trials. New!Chapter 6 draws on recent scholarship on the roles of ordinary and elite women in the numerous reform movements of the Early Republic. Revised!Chapter 7 rethinks and refocuses the text's coverage of women's roles in slavery and the Civil War, and more directly addresses the lives of African American women during and after slavery. New!Post-1960 coverage (in Chapters 15–16) has been thoroughly revised to highlight the women's movement, women's health, recent immigration, and economic changes affecting women.

250 Years of Politics, Protest, People, and Play Houghton Mifflin College Division

This text delves into the many facets of the colonial uprising and its aftermath, concluding with the ratification of the

Bill of Rights. The volume combines primary sources, analytical essays, chapter introductions, and headnotes to encourage students to think critically about the revolutionary era.

Major Problems in African American History, Loose-Leaf Version Infobase Publishing

Designed to encourage critical thinking about history, the Major Problems in American History series introduces students to both primary sources and analytical essays on important topics in US history. This collection, designed for courses on Texas history or the history of southwest, covers the subject's entire chronological span.

Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Major Problems in American Environmental History

Simon and Schuster Elliott J. Gorn and Warren Goldstein show us where our games and pastimes came from, how they developed, and what they have meant to Americans. The great heroes of baseball and football are here, as well as the

dramatic moments of boxing and basketball. Beyond this, the authors show us how sports fit into the larger contours of our past. A Brief History of American Sports reveals that from colonial times to the present, sports have been central to American culture, and a profound expression of who we are. *The Collapse and Revival of American Community* Houghton Mifflin College Division

This guide to the available literature on sports in American culture during the last two decades of the 20th century is a companion to Jack Higg's *Sports: A Reference Guide* (Greenwood, 1982). The types of individual or team sports included in this volume include those that are viewed as physical contests engaged in for physical, emotional, spiritual, or psychological fulfillment. With a focus on books alone, chapters review the available literature regarding sports and each concludes with a bibliography. Academic journals likely to contain articles on the topics discussed are listed at the end of each chapter. Twelve chapters discuss sports and American history, business and law, education, ethnicity and race, gender, literature,

philosophy and religion, popular culture, psychology, science and technology, sociology and world history. This reference and guide to further research will appeal to scholars of popular culture and sports. An index and two appendixes are included, one listing important dates in American sports from 1980 through 2000 and one listing sports halls of fame, museums, periodicals, and websites. *Major Problems in the History of the American West* Cengage Learning "Designed to encourage critical thinking about

history, the [book] introduces students to both primary sources and analytical essays on important topics in U.S. history. [The book] presents a ... selected group of readings in a format that asks students to evaluate primary sources, test the interpretations of distinguished historians and others, and draw their own conclusions"--P. [4] of cover.

DOCUMENTS AND ESSAYS

Houghton Mifflin College Division

Sports in American History: From Colonization to Globalization, Second Edition, journeys from the early American past to the present to give students a compelling grasp of the evolution of American sporting practices. *Sports* Wadsworth Publishing Company Shows how changes in work, family structure, women's roles, and other factors have caused people to become increasingly disconnected from family, friends, neighbors, and democratic structures-- and how they may reconnect.
