The Beginner's Guide to Wicca Llewellyn Worldwide Everything You Need to Know to Start Your Wiccan Journey Learn about the history and practice of the Wiccan tradition, discover the incredible power of spellcasting for health, wealth and happiness, and explore the magickal side of herbs & plants to connect with nature, as the earliest shamans did in the ancient world. The world we live in today seems wholly distant from the one our ancestors lived in-a world where humans and Nature were at one, their existence intertwined in the natural cycles of life. Wicca teaches us to appreciate the Earth, celebrating the intricate changes in the seasons and everything they bring. As you'll discover in this book, Wicca is a reincarnation of the very earliest religions, practiced for millennia before the advent of Christianity. Wiccans celebrate and share many of the same beliefs our ancestors held, with practices that honor the old ways while being compatible with contemporary life. For thousands of years, our ancestors believed that the Elements - Earth, Air, Fire, and Water - were the building blocks of the Universe, and their inherent properties and energies could be directed to manifest particular outcomes. Through ritual and magic, Wiccans interact with the primal forces of the Elements in a variety of ways, calling upon them for assistance in the transformation of their realities. Interest in Wicca, Witchcraft, and contemporary magic has increased exponentially over the past few decades. The dramatic rise of this Nature-based religion is due at least in part to the

Internet-just twenty years ago, people curious about these subjects often had little access to credible information, especially those without a good New Age or Occult bookstore nearby. But the appeal of Wicca is also growing in tandem with the increasing complexities of our modern, high-pressured mainstream society. You will discover: - The origins and history of Wicca and Witchcraft - The Wiccan holidays of the Wheel of the Year: the Sabbats and the Esbats - Core elements of Wiccan ritual - Principles of magic-both ancient and modern - Choosing your Wiccan path - An overview of Wiccan covens, circles, and solitary practice - Magickal tools & how to use them - Tips & guidelines for successful spellcasting - The phases of the moon & their importance - Spells for abundance, wealth, health, love and happiness - And much more! Whether you're just looking to learn more about the Wiccan way of life, or you want to start practicing Wicca yourself, you will have a solid understanding of the essence of Wicca after reading this book. I was very pleased with this book as it provided me with a great starting point and inspiration to continue my own journey. I would have given it a five, the only thing which stopped me was its brevity. I would have liked more detail even at this early stage, maybe that's just me wanting to have my cake and eat it though. Really good starting point. After reading this book, I immediately purchased his book and I am looking forward to reading it right away. The key to all Wiccan practice is ultimately solitary because developing real growth and awareness begins inside each individual. The Solitary Wiccan's Bible is for any reader wanting to go deeper into his or her understanding and experience of Wicca--alone. There are many reasons people seek a solitary path: fear of charlatans, concern about co-workers finding out or being misunderstood by others, or lack of family or social support for Wiccan practice. The Solitary Wiccan's Bible uses the metaphor of a solitary pilgrim walking a path and discovering natural and spiritual truths along the way. This pilgrimage is based on the ancient symbology of the Pentagram enclosed in the triple circle. The Solitary Wiccan's Bible leads the pilgrim to cross the circles, moving from the Wilderness through the Home and Astral realms, to achieve the central Spiritual realm. Always down-to-earth and easy to understand, The Solitary Wiccan's Bible clearly lays out the Wiccan paths so any reader can follow. Chapters include: * The Pilgrimage of Wicca * The Pilgrim Enters New Realms * The Pilgrimage of the Pentagram * The Pilgrim's Wiccan Magical Path * The Practical Pilgrim's Spellwork * The Pilgrim's Talismans The Solitary Wiccan's Bible provides background and practice in clear, accessible, and often humorous prose, making the book immediately useful to first-time seekers and long-time practitioners alike.
