Pearson Education

Tracey Don't Get Your New Coat Dirty is a collection of memories of intuitive spiritual healer, Tracey O'Mara. Tracey shares her memories alongside the insight she was given directly by the Angels and her spirit guides to navigate these experiences. In this book, Tracey shares the tools that she has developed to help others approach the events in their lives with hope, strength, and positivity in the same way she has been helped by her angelic friends.

A Tough Guy's Guide To Living Single Rowman & Littlefield

Manage your life . . . and your dates, family, friends, and boss. What's life like for the single girl in the post-Sex and the City and Bridget Jones era?

Imogen Lloyd Webber tells all in a smart and sassy guide to work, mind, body, home, friends, socializing, and, of course, dating and sex. She even

creates her own shorthand for discussing relationships, explaining what the difference is between a SMBF (Straight Male Best Friend) and a PMDL

(Promise Much, Delivers Little) boy. You'll find funny and realistic girl talk about anything and everything a single gal has to deal with, such as: Dating

Valentine's Day Dealing with family Being a "plus one" to gynecologist appointments Apartment decorating Roommate disasters With her pithy advice, Lloyd Webber helps women take control of their own independence, giving real-life examples of how her friends and acquaintances navigate careers, relationships, and social obligations. Of course, the focus is always on the fabulous single girl herself and how to cultivate her best self. Unapologetic and scathingly honest, The Single Girl's Survival Guide is as entertaining as it is instructive. You won't want to put it down!

This totally revised, updated and enlarged book is THE complete guide to building a fast MG Midget or Austin-Healey Sprite for road or track. Daniel has been continuously developing his own 'Spridget' for years, and really does know what works and what doesn't when it comes to building a fast Midget or Sprite. Best of all, this book covers every aspect of the car, from the tyre contact patch to the rollover bar, and from radiator back to exhaust tailpipe. This new edition contains updated information for parts and suppliers, many new photos, and features new material covering aerodynamics, including results from testing the effect of modifications at the MIRA wind tunnel. With over 400 mainly colour photos and exclusive tuning advice, this is a MUST for any Sprite or Midget owner.

The Global Warming Combat Manual Rough Guides UK

The essential companion to Cooper and Cooper S models from the 997cc MkI to the late 1275cc MkIII, including the Italian Innocentis, the Spanish-

built Authis, Australian versions, and the Rover Coopers. Exhaustive research yields a wealth of heretofore unpublished information.

Almost Everything You Need to Know About Leading the Good Life Too many decisions. Too many choices. What today's smart consumer must have is a money-and-time-saving guide for conducting the "business of life"—both the big challenges, such as getting top-notch health care for the family and the best education for the kids, and the pleasurable ones, like plotting the family summer vacation. Nancy Keates and her expert colleagues at The Wall Street Journal provide all-new material that gives the lowdown on: The Savvy Traveler: How to cut to the chase and not only avoid the indignity of cramped plane seats and overpriced tickets, but also get the best and safest seats at the same time. The Fine Art of Dining and Drinking: Landing the hottest table in town—at a discount; picking wine without becoming a wine snob; and learning about "barley matters"—the newest, hottest beers. How to Speak Geek: Demystifying tech trends, with smart advice on not only what high-tech gadgets to buy but how to shop for them. Everything You Need to Know About Buying, Selling and Financing a Car: How to get the best and safest vehicle at the best price. Real Estate: Will the bubble burst? Here's how to be an informed buyer and seller along with the basics of remodeling and designing your home. How to Be an Informed Patient: Choosing a hospital, playing private investigator with your M.D., and learning about the tests you really ought to have (even if you have to pay for them yourself). Getting Real Bang for Your Education Bucks: What you need to know from preschool through college and graduate school. The Great Balancing Act: Managing work and family, and finding out how to avoid the overstretched child and parent syndromes. Financing Your Life: It was easy in the 1990s, but the world has changed dramatically. Here's how to deal with the new world of saving, investing and borrowing money. Shopping: The New Sex? Throw away your Kama Sutra. The number one thrill in shopping is getting a good deal—here's how to play the game and get the best stuff at the best price. The Wall Street Journal Guide to the Business of Life is both an instruction manual for living life to the fullest and a fun read about what really matters in the day-to-day. It has all the basic insight and information you need to navigate through life along with hilarious side trips such as "The Three-Decorator Experience" and "Cruises: Sailing New Waters."

BUYING A USED CAR NO LONGER NEEDS TO BE RISKY

John Wiley & Sons

The Rough Guide to Malaysia, Singapore and Brunei is the ultimate guide to these three exciting Southeast Asian destinations, covering all their attractions, from amazing national parks and historic temples to gorgeous beaches and islands. This new, fully updated edition features redrawn maps, evocative photography and all-new author itineraries that take in both big sights and less visited spots. Revamped sections on Penang and Singapore offer more detail on cultural sights, new museums and budget accommodation; there's improved coverage of Sarawak's most popular national parks, Mulu and Bako; while old favourites like Mount Kinabalu and the Perhentian Islands get have been thoroughly revised. There's also plenty of practical information on topics like budget flights, river transport, etiquette and the excellent local cuisines to help you get the best out of your trip, whatever your budget. You'll be sure to make the most of your time with The Rough Guide to Malaysia, Singapore and Brunei. Now available in ePub format.

The Essential Guide to Motorcycle Travel, 2nd Edition Planning, Outfitting, and Accessorizing Essential Guide

Planning, Outfitting, and Accessorizing New Society Publishers

Features recommendations and ratings on hundreds of small, medium, and large-sized cars based on quality, economy, performance, and comfort standards, with judgments on crash protection, and assessments of available options

U.S. Camera Essential Guide

Written by Stu Maschwitz, co-founder of the Orphanage (the legendary guerrilla visual effects studio responsible for amazing and award-winning effects in such movies as Sin City, The Day After Tomorrow, and Harry Potter and the Goblet of Fire), this book is a must-have for all those budding filmmakers and students who want to produce action movies with visual effects but don't have Hollywood budgets. The Orphanage was created by three twenty-something visual effects veterans who wanted to make their own feature films and discovered they could do this by utilizing home computers, off the shelf software, and approaching things artistically. This guide details exactly how to do this: from planning and selecting the necessary cameras, software, and equipment, to creating specific special effects (including gunfire, Kung Fu fighting, car chases, dismemberment, and more) to editing and mixing sound and music. Its mantra is that the best, low-budget action moviemakers must visualize the end product first in order to reverse-engineer the least expensive way to get there. Readers will learn how to integrate visual effects into every aspect of filmmaking--before filming, during filming and with "in camera" shots, and with computers in postproduction. Throughout the book, the author makes specific references to and uses popular action movies (both low and big-budget) as detailed examples--including El Mariachi, La Femme Nikita, Die Hard, and Terminator 2. Note from the Publisher: If you have the 3rd printing of The DV Rebel's Guide, your disc may be missing the data files that accompany the book. If this is the case, please send an email to Peachpit in order to obtain the files at ask@peachpit.com

The Ultimate Mini Restoration Manual Penguin

Mia Connors finally has this #adulting thing under control. She's set to launch a massive project at work, her social calendar is filling up and, if you can believe it, she might finally get the guy. But when one of her grandparents' close friends is discovered floating in the lake—D-E-A-D—all she's after is justice. And there's only one person who can make that happen. Deputy US Marshal Jake Archer is working undercover when he gets the call about a murder in Horseshoe Falls. The vic may have been close with Mia's family, but it doesn't take long for Jake to discover that he had far more enemies than friends. Horseshoe Falls is abuzz with news of the murder, and Mia's determined to get to the bottom of things, despite Jake's direct order to stand back. Jake didn't open his heart to the possibility of a future with someone just to let her get herself killed. Now they have to contain the panic within Horseshoe Falls, apprehend the fugitive and figure out how to salvage their relationship—before Mia finds herself in the crosshairs. Camera 35 Penguin

The R-Series BMW MINI had a lot to live up to. Launched in 2001, it was riding in the wake of the classic 1959-2000 Mini. At the time, BMW were going to have to create something as special and innovative as its longstanding predecessor in order to silence the naysayers. And they did. Since its launch in 2001, BMW's modern MINI has become the pinnacle of small yet funky family cars in the premium small (and sometimes not so small) car segment. Now in its third generation, having unveiled the new F-Series in 2014, BMW MINI offers 3- and 5-door hatchback models and convertibles, the estate Clubman, the five-door Countryman, the Coupe, the Roadster and the three-door crossover Paceman. MINI enthusiast and motoring journalist Sophie Williamson-Stothert explores the journey from 1959 to the present day, covering design and development of the new MINI, launch and reception by the press, its many model variations and special editions, and an owner's and buyer's guide. Superbly illustrated with 170 colour photographs.
