Level: KS3 Subject: Science Repeated practice is proven to be more effective than repeated study - that's why this Collins KS3 Science revision guide is guaranteed to help students achieve their best results! With clear and accessible explanations of all the KS3 Science content, this revision guide provides clear, concise study notes plus five practice opportunities for each topic. Quick tests and practice questions are included at the end of every topic to check understanding. Plus, at the end of the book there are plenty of topic review questions and mixed practice questions. There's also a free download of Q&A flashcards online at collins.co.uk/pages/key-stage-3-flashcards-and-audio. Looking for more study resources for Key Stage 3? Try our KS3 Science Workbooks for Year 7 (9780007562732), Year 8 (9780007562749) and Year 9 (9780007562756).

The Children's Buyer's Guide Coordination Group Publication

Connecting Science is a new enquiry-based course that offers complete flexibility to enable personalised learning across Key Stage 3. The Pupil's Guide provides complete coverage of Key Stage 3 Science in a single reference volume. The Teachers Guides provide plans for Core and Options lessons matched to the Pupil's Guide topics, while the Lesson Builder tool within Dynamic Learning enables complete flexibility in lesson design and activity choice. Pupils use the Guide to look up key facts and explanations, when working on tasks independently or in groups. Each spread combines detailed illustrations with clear explanations of key scientific ideas and models. Practical and enquiry skills and understanding evidence are developed in a range of contexts, emphasising the importance of science in everyday life. Things to think about boxes fire pupils curiosity and encourage them to find explanations and ask further questions. The website also gives pupils access to: An interactive copy of the Pupil's Guide that is fully searchable Self-assessment checklist of targets for each topic Background information and suggested, vetted weblinks ASE and the Centre for Science Education are delighted to be working with Hodder Education to support relevant and contemporary Science in your Key Stage 3 teaching through full integration of Upd8 Topicals with Connecting Science and Science. Visit www.dynamic-learning.co.uk or www.upd8.org.uk to find out more about this exclusive partnership.
