Jackie Robinson: My Own
Story Avon Books

First there is the omen: A relentless rain stops suddenly at 3:00 am and Chester shows Harold and Howie a cat carrier, open and waiting, by the front door. Chester, who has been reading avidly about the paranormal, predicts

that they will soon be traveling someplace, and chances are they are not going to like it. Indeed they are not, as the very next day, with the sun shining bright and clear, the Monroes finally leave for their vacation, dropping Chester, Harold, and Howie off at the scene of some previous harrowing experiences -- Chateau Bow-Wow, the boarding kennel that Chester so aptly had

dubbed "Howliday Inn." And this visit promises to be no less harrowing than the last one. The three are greeted by a whole new group of temporary residents. There's Hamlet, the Great Dane, whose sadness grows deeper with his certainty that his beloved master Archie will never return to pick him up. And Bob and Linda, a pair of yuppie puppies from fashionable Upper Centerville who have

been left at Chateau Bow-Wow with a more than adequate supply of gourmet treats, also seem to have been left with a more than adequate supply of worries. Then there are Felony and Miss Demeanor, sinister sisters in crime who pride themselves as cat burglars, and The Weasel who tries almost too hard to make a good impression. Chester is certain that nothing bodes well and he is right. Unexplained voices, buried bones, a collar with the name Rosebud on it,

and a secret code all make for a paranormal experience that none of the guests at Chateau Bow-Wow will ever forget. The Vampire Bunny and His Friends Random House Books for Young Readers Contains an annotated booklist of 1700 new children's books selected by the Committee on the Elementary School Booklist of the National Council of Teachers of English. *Bunnicola* Diversion Books Dear possible reader of this book, After I wrote my

first book, *It Came from Beneath the Bed!*, my editor asked me to write another one. (Another one! This is hard work! I'd like to see him write another one!) So anyway...in this book the lovable and smart (not to mention talented) wirehaired dachshund puppy named Howie and his friend, the beautiful and brilliant Delilah, face their biggest challenge yet: the Mind Swappers from Asteroid 6!™ Along the way Delilah gets turned into a squirrel and has to beg for acorns.

(Hey, don't ask me! Read the book!) Your friend, Howie

Alice in Lace

HarperCollins
 The Monroe house is going mad with excitement. Pete has just won a contest, and the prize is a school visit from none other than M. T. Graves, Pete's idol and the bestselling author of the *FleshCrawlers* series. He's even going to stay with the Monroes while he's visiting! Harold and Howie are thrilled, but Chester the cat is suspicious. Why does Graves dress all in black? Why doesn't the beady-eyed crow perched on his

shoulder say anything? Why has a threatening flock of crows invaded the backyard? And most worrisome of all: In each of the *FleshCrawlers* books, why does something bad always happen to the pets? Suddenly, Graves's interest in all of the animals -- especially *Bunnacula* -- looks far from innocent. It's up to Chester, Harold, and Howie to find out if M. T. Graves and Edgar Allan Crow are really devising a plot to make their beloved bunny. . . NEVERMORE.

Nighty-Nightmare Simon and Schuster

Alice is starting high school, and everything is new. But it's the new girl, Penny, who's making ninth grade a real challenge for Alice. Penny is tiny and perky and a real flirt, and she seems to be focusing her attention on Patrick. Even worse, Patrick seems to be enjoying it. Alice and Patrick have been a couple so long, Alice can't imagine life without him. Suddenly she feels lost and unattractive and scared—not quite whole.

How can Alice get back her confidence in herself, when she's not even sure who she is?

BODY TO BODY

Simon and Schuster
"Let's just say the matter is under control," Chester slyly tells his pals Harold and Howie. But what on earth does he mean? It seems that Bunnicula, the vampire rabbit, is back to his old ways -- or so Chester thinks, having found pale vegetables drained of their juices scattered about the Monroe family kitchen.

And now, once and for all, Chester is determined to save the world from this threat. But why has Bunnicula -- so frisky just a short time ago -- been so listless and tired of late? Is this part of Chester's scheme? Can Harold let Chester get away with hurting an innocent bunny, no matter what his harebrained suspicions are? It is not long before the Monroes notice Bunnicula's condition and rush him to the vet, and then the chase is on, ending up with a dramatic

confrontation in a most unusual (and dangerous!) location.

Adventuring with Books

Simon and Schuster
Alisa Perne is the last vampire. Beautiful and brilliant, she hunts alone, living among humans, living off humans. But someone is stalking her. Someone wants her dead. And Alisa has a choice to make - to keep a long held promise or protect the mortal she seems to be falling for.

BUNNICULA MEETS

EDGAR ALLAN CROW

Simon and Schuster

Here are all the embarrassing things that might happen to you in the fourth grade -- and do happen to you, if your name is Alice McKinley: 1. Your next-door neighbor (who happens to be a BOY!) sees you in your underpants. 2. You sneeze beans all over your best friend. 3. Your brother lies to you for fun and you believe him. 4. You get trapped inside a snow cave -- your own snow cave, that is. 5. You're the

only person in the whole grade who can't sing. Alice can't seem to do anything right anymore, especially where her big brother Lester is concerned. When he gets really angry with her, Alice doesn't know how to fix things between them. How is she going to get Lester to talk to her again? And will life ever get any easier? Fourth grade can't end soon enough! The second of three prequels to the beloved Alice series, Alice in Blunderland lets younger readers get to

know the girl everyone wants to be friends with, and proves once again that Phyllis Reynolds Naylor knows the fears, foibles, and fun of being a girl.

Cherry the Cake Fairy

Simon and Schuster

The Monroes have gone on vacation, leaving Harold and Chester at Chateau Bow-Wow -- not exactly a four-star hotel. On the animals' very first night there, the silence is pierced by a peculiar wake-up call -- an unearthly howl that makes Chester observe

that the place should be called Howliday Inn.

HOW LIFE'S CORE ELEMENT HAS BECOME CIVILIZATION'S GREATEST THREAT

Yearling Books

An overnight camping trip! Not Harold's idea of fun. Too many mosquitoes, ticks and cockleburs. But when the Monroe family set out, their faithful dog Harold was with them, mostly because he remembered that camping could also bring s'mores and toasted marshmallows. Howie, the other family dog, and

Chester the cat were also included in the trip. Only Chester thought the idea was completely insane. The woods, he informed Harold, were not only full of cockleburs and ticks, but of spirits, evil spirits who prey on the innocent. And on this, the worst night of the year -- St. George's Eve, when all spirits are set loose -- who knew what could happen. What Harold knew was that Chester was a well read, over-stimulated cat, full of weird ideas. He did not take Chester's worries too seriously. He had

s'more to think about. But then, the Monroes set up camp near two strange men and their even stranger dog, and things began to happen that made even Harold wonder. Could Chester be right? This begins a long night, full of terrors and alarms, full of Chester's horrifying tale of how Bunnacula, the vampire bunny, was born and came to America, full of storms and a total sense of danger; and at the end came surprises that even Chester could not have predicted. Once again, the

Monroe family may be the victims of evil forces or only of Chester's strange imagination. But whichever, the result is suspenseful and very, very funny.

A murderer driven to the edge by the sound of his victim's still-beating heart... A mental institution run by someone other than its staff... A mysterious box aboard a ship with a ghastly secret... And the hypnotist's stare that

could, perhaps, paralyze even death... Strap into your straitjacket, fasten it tight, and brace yourself! For within these pages are stories of lost love, lost ways... and lost minds. Gris Grimly's mysterious, morbid, macabre illustrations capture four Poe classics, including perennial favourite, *The Tell Tale Heart*, with an unmatched ghoulish charm. Read them if you dare ~ and celebrate, in true Poe style, the two hundredth anniversary of the birth of the great Master of the Macabre.

Simon and Schuster Alice and Patrick are getting married! Well, sort of. It's all part for her eighth grade health class.  Dear Reader, The guy who
 usually writes these
 letters asked me to do it

instead. Maybe he was
 having a bad writing day.
 Maybe he wanted me to
 play the sap for him. Or
 maybe he ran into Trouble
 with a capital T. Well,
 Trouble's in my business.
 I'm a dog. I'm a detective.
 The name's Bud Barkin.
 And this book is about the
 case I had involving a
 dame named Delilah
 Gorbish, whom I would
 call Trouble with a capital
 T except I've used that
 metaphor already, and
 the clown named Crusty
 Carmady whose calling
 card is a teakettle that he
 heaves through windows.

Nice pair of birds. The mystery deepens with another character called the Big Fish, who isn't really a fish and who's addicted to the Home Shopping Network. Hey, I don't write 'em—I just solve 'em. Yours truly,
