### HIS TO TAKE

Christian Art Publishers

There has never been a better time to be a freelance writer than now. Not only are you able to write articles and content that appear in newspapers and magazines for money, but there are also numerous opportunities to write content that will appear on the web. Websites are always looking for good writers to write their content and companies constantly advertise for writing jobs. Another great and increasingly popular way to make money online is by selling eBooks. The greatest thing about selling eBooks online is that you create the opportunity to generate a steady revenue. The internet has vast amounts of information. Ask yourself

the number of times you browse the web in search for information. While there's a lot of convenience associated with gaining access to so much information, there is a downside to it. How can separate the good from the bad? How are you able to find the specific pieces of information you want? And how will you be able to find thorough and detailed information, instead of general information that the internet generally provides? eBooks can be a possible answer. eBooks contain information that is detailed and well organized about particular topics. An eBook tends to dwell on the details of that particular niche. For example, if you look on the internet for football scholarships; you could come across several websites on the topic, but you could save yourself time and energy if you were to download a document that contained all the information laid out efficiently for you. If you are an entrepreneur, you could make money writing and selling eBooks on a variety of topics. It also

doesn't require a lot of time to do so. So, let's get started!

"Top notch crime fiction."  
—Boston Globe American readers first met Icelandic lawyer and investigator Thóra Gudmundsdóttir in *Last Rituals*. In *My Soul to Take*, internationally acclaimed author Yrsa Sigurdardóttir plunges her intrepid heroine into even graver peril, in a riveting thriller set against the harsh landscape of Smila's Sense of Snow territory. A darkly witty and continually surprising suspense tale that places Yrsa Sigurdardóttir firmly in the ranks of Sue Grafton, Tess Gerritsen, Faye Kellerman and other top mystery writers, *My Soul to Take* is ingenious Scandinavian noir on a par with the works of Henning Mankell and Arnaldur Indridason. Stieg Larsson (*The Girl With the*

Dragon Tattoo) fans should also take note. [The Book of Overthinking](#) Booktango  
 For three generations of women, a summer on Martha's Vineyard brings family drama, new beginnings, and a second chance at love in this heartwarming novel. Lauren has the perfect life . . . if she ignores the fact that it's a fragile house of cards, and that her daughter Mack has just turned into a teenage stranger. Jenna is desperate to start a family with her husband, but it's . . . Just. Not. Happening. While her heart is breaking inside, she's determined to keep her trademark smile on her face. Nancy knows she hasn't been the best mother, but how can she ever tell Lauren and Jenna the reason why? Then life changes in an instant, and Lauren, Mack, Jenna and Nancy are thrown together for a summer on Martha's Vineyard. Somehow, these very different women must relearn how to be a family. And while unraveling their secrets might be their biggest challenge, the rewards could be infinite.

The heart-stoppingly sexy conclusion to the NOLA Knights spinoff series by Men of Haven author Rhenna Morgan She's in way over her head. Bonnie Drummond is from the wrong side of the tracks, raised in a family of liars and criminals. No matter how hard she tries to stay on the straight and narrow, she always finds herself sucked back into the family drama, forced to sacrifice everything she's earned to protect her family. But this time they've gone too far—crossed the wrong people—and to save them she'll have to put her life on the line. Roman Kozlov, enforcer for a New Orleans mafiya family, is the poster child for the life Bonnie is struggling to escape. But he's also as alluring as he is dangerous, and it doesn't take long for their lives to begin to mesh. With Roman, Bonnie finds the family she never had. As their race for answers heats up, so too does the budding romance between them. And with danger nipping at her heels and love threatening her heart, Bonnie must come face-to-face with her past if she wants to have a future. NOLA Knights Book 1: His to Defend Book 2:

 An insightful, delightful, instant #1 New York Times bestseller from the author of Beach Read and People We Meet on Vacation. Named a Most Anticipated Book of 2022 by Oprah Daily • Today • Parade • Marie Claire • Bustle • PopSugar • Katie Couric Media • Book Bub • SheReads • Medium • The Washington Post • and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little

sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.

If you're tired of staring at the same mess every day, but struggling to find the time and willpower to clean it, you probably have a very good reason:

anxiety, fatigue, depression, ADHD, or lack of support. Designed by therapist KC Davis, this revolutionary method of cleaning and organizing helps end the stress-mess cycle. After KC Davis gave birth to her second child, she didn't fold a single piece of laundry for seven months. Between postpartum depression and ADHD, she felt numb and overwhelmed. She regained her sanity--and the functionality of her home--after one life-changing realization: You don't work for your home; your home works for you. In other words, messiness is not a moral failing. A new sense of calm washed over her as she let go of the shame-based messaging that interpreted a pile of dirty laundry as "I can never keep up" and a chaotic kitchen as "I'm a bad mother." Instead, she looked at unwashed clothes and thought, "I am alive," and at stacks of dishes and thought, "I cooked my family dinner three nights in a row." Building on this foundation of self-compassion, KC devised the powerful practical approach that has exploded in popularity through her TikTok account,

@domesticblisters. The secret is to stop following perfectionist rules that don't make sense for you--like folding clothes that don't wrinkle anyway, or thinking that every room has to be clean at the same time--and to find creative solutions that accommodate your needs, pet peeves, daily rhythms, and attention span. Inside, you'll learn exactly how to customize your approach and rebuild your relationship with your home, including: - How to stop seeing care tasks as a reflection of your worth, but rather as kindnesses to your future self -How to use calming rituals to keep you from feeling overwhelmed when you look at a big mess -How to stagger tasks that are easy to procrastinate throughout the week and month -How to quickly transform a room from messy to fully functional through the "5 Things" tidying method, and other shortcuts requiring minimal energy  
Read this book to make home feel like a sanctuary again: where you can move with ease, where guilt, self-criticism, and endless checklists have no place, and where you always have permission to rest, even when things aren't finished.

School teacher Marceline Bellini gave up everything—men, sex, anything resembling a social life—to raise her young daughter. To be the perfect parent. But when she attends an engagement party in her standard stick-in-the-mud mode, her friends begin plying Marcy with shots. Just enough to convince her that a little fun doesn't sound like a bad idea... and having some naughty fun is an even better one. Like finding herself deliciously pressed against a dark alley wall by the very familiar and very hot body of her best friend's older brother. After years of waiting in painful silence, police officer Aaron Robinson finally has Marcy's attention. And man, does he have it. But nothing could have prepared either of them for the rush of fiery lust between them. So he'll just have to convince Marcy he's for real. And that a rainy, lust-fuelled romp is the first step to a lifetime of completely imperfect happiness... Iain wasn't just rough around the edges—he was uncivilized, despite all the elegant trappings and expensive suits. And Brynn wanted more of it. She wanted Iain in full-on barbarian mode. She wanted to be taken. Filthy rich British bad boy Iain Chapman made a name for himself as a ruthless businessman, but if he can secure an investment from Vegas powerhouse Trevor Blake, Iain could take his business to the next level. Solution? Hire beautifully timid corporate trainer—and Trevor's sister-in-law—Brynn Campbell and seduce his way to success. Brynn's everything Iain is not: kind, delicate, decent. But she's also got a taste for something a little beastly, and it doesn't take long for Iain to break through her every inhibition. Brynn was supposed to be his pawn, but as Iain gets closer to his goal, he begins to realize he's not ready to let her go, not now, not ever—even if it costs him everything.

Erin Robinson is having an epically bad year. Her blossoming career on Broadway tanked, forcing her to crawl back to home to Wellington. The icing on her failure cake? Her former on-again, off-again fling is in town, and the sexy Marine is taking up way too much space.

Warren Davis always knew Erin was special, which is exactly why he can't have her. A girl like her deserves something permanent—something neither of them wants. But now that they're both back in town and she's right there in front of him, a challenge in her eyes he's never been able to resist, he's questioning everything. That challenge quickly escalates into an epic game of Truth or Dare. Erin's sure she's got him on lock, but as the night progresses, Warren's dares intensify, drowning her in lust. But with the past still breathing down their necks, there's no way either of them can win... So young and achingly naïve, Ava is no match for her depraved new master, Father Mathew Aaron, a well-respected priest, and a man hellbent on consuming her innocence to the very last drop.

There is no hope. No light. There is only Callum. A troubled, tormented young man imprisoned in the same room as her. As each day slips by without rescue, all that is left is this fierce, dark entity stirring between them—something far more threatening to her virtue than even Father Aaron's obsessive game. Something so powerful, it may just make her want to stay for keeps. A dark psychological romance that's full of twists and turns you won't see coming.

 How To Easily Write A Best-Selling Ebook. Congratulations! You have taken the first step towards your goal of writing your first ebook, or a best-selling ebook! You no doubt have had the thoughts in your head about a specialized subject that you believe yourself to be an "authority" on. Now you want to put it in written form so that everyone can read your thoughts and views. You wish to write a book or an ebook. Writing ebooks is a wonderful process for the simple reason that it can be very lucrative and make money for the author for years to come. Ebooks,

unlike hard copy books, can be sold globally, yes world over to all that have access to the internet. It also offers fledgling or newbie authors the option to use an alternative means of transport to get into the publishing industry. In years past, it was a major task to do so. Oftentimes a writer, after spending many long months or even years completing a project, found rejection upon attempting to submit the project to an agent, agency or publishing company. However, with the ability to write ebooks, the power and option is now given to the writer and author to choose how they wish to publish their work in it's final form. It is to be noted though that all projects are not successful. So it should go without saying that not every book written will be a best-seller. But, however it turns out, you will have accomplished a major feat and can then say "I did it!"
