"Alexis Shore can truly write a smoking hot sex scene." The Romance Reviews "I love your writing." Bella Andre Dear Reader, Something a little different for you this time. I've recently moved in to a new house, one that was previously occupied by a charming couple. Since moving in, I keep finding handwritten love letters that have been tucked into nooks and crannies about the place, and they're delicious. Each one looks like it has been read dozens, if not hundreds of times, then folded back up, carefully returned to the envelope and then the hiding place. I do the same whenever I find one, but only after reading it alone and luxuriating in the voyeuristic pleasure of the glimpse in to an incredibly beautiful love life. Here are the first six that I've found. So settle down somewhere comfortable, wear something loose, and savour the tiny morsels for as long as you can. Enjoy Alexis x PS: They contain graphic sexual content. **REVIEWS SEX WITH A LINGERING KISS** is an up close look into a couple's erotic fantasy and reality world, and was sizzling from start to finish. This erotic short is done in an amazingly unique way. The author writes blurbs to the reader, setting up erotic letters that a husband is writing to his wife. The author moves into a new house and finds these letters that detail a couple's erotic jaunts. It starts, as you may have guessed, with a kiss. Then the letters get

more erotically intense as the story progresses and it's like you are watching these scenarios unfold. The letters are written from the male point of view and are very sensual and steamy as well as romantic. Reading this book was like fulfilling all your voyeuristic and hedonistic fantasies in the comfort of your living room! I really enjoyed it because it was a very unique story. The way that the author wrote the letters was so realistic, I could really picture everything so vividly in my mind. This was a very short read (only about 40 pages), but it was filled to the brim with eroticism. The letters consisted of fantasies and memories, and had mostly M/F intercourse, but there was also an F/F scene in there that was really hot as well. It ended on a romantic note that made me wish my hubby

was a little more into love letters. SEX WITH A LINGERING KISS is an immensely erotic short that is sure to titillate your sensual side that featured a unique premise and steamy love scenes from an author who knows how to turn on the hot! (The Romance Reviews)
