Working With Spirit Guides Wellspring/Ballantine

For thousands of years, mystics, masters, and sages from various world traditions have read the Akashic Records—a dynamic repository that holds information about every soul and its journey. Once reserved for a "spiritually gifted" few, this infinite source of wisdom and healing energy is now available for readers everywhere to answer questions big and small. How can I find freedom from my past? What are my life purposes? With *How to Read the Akashic Records*, healer and teacher Linda Howe offers the first book of its kind to help navigate these timeless "Records of the Soul." Drawing from more than 15 years' experience with the Akashic Records, Howe teaches us: *The Pathway Prayer Process*—a "password" for admittance into the Records How to work with your "MTLOs"—your Masters, Teachers, and Loved Ones—for assistance within the Records Insightful tips to glean the most critical information, whether you're reading for yourself, other individuals, or even your pet "The time has come for us to be our own spiritual authorities and access this illuminating, rich source directly," explains Howe. With *How to Read the Akashic Records*, anyone who desires to read the Records now has immediate access to this valuable life resource. "The Akashic Records contain everything that every soul has ever thought, said, and done over the course of its existence—as well as all its future possibilities. This valuable information can help you with any aspect of your life journey. And because the Records are also a dimension of consciousness, they are available anytime and everywhere." —Linda Howe The universe is alive—and it has a memory just like you. Known as the Akashic Records, this energetic archive of soul information stands ready to lovingly guide you. Once accessible to rare spiritual masters, now the Records are available to anyone—anytime, anywhere. After a lifelong search for truth, master teacher and healer Linda Howe has developed an infallible method for accessing this reservoir of

information: the Pathway Prayer Process. By lifting you to a divine level of consciousness, this sacred prayer opens the doors of the Records, where your "soul blueprint"—everything you need to know about your soul's destiny—awaits you. There you will work with your Masters, Teachers, and Loved Ones to cultivate a rich relationship with the Records and ultimately learn to unleash your highest potential. Grounded with the success stories of dozens whose lives have been touched by the Records, this comprehensive guidebook will help you confidently read the Records for yourself—or another—and find inspiration for your own spiritual path. "Accessing the Akashic Records provides an opportunity to align with your soul and develop your own spiritual authority," teaches Linda Howe. Now with *How to Read the Akashic Records* you can learn to connect with this divine source for infinite joy, inner peace, and fulfillment. Linda Howe is the founder and director of The Center for Akashic Studies, an organization dedicated to promoting the study of Akashic Records and other applicable spiritual wisdom. Active in healing arts for more than 20 years, Linda was moved and inspired by the power of the Records within herself and her clients. She began teaching this practice to students in 1996 and, today, she has successfully taught thousands of students to accurately read the Akashic Records.

Experience profound ways to achieve spiritual mastery in just five to ten minutes a day—whether you are a beginner or have been meditating for awhile. This Practical Guide has fourteen meditations, designed to meet numerous types of spirit guides, including angels and power animals. It teaches practical methods for interacting with guides and how to experience spiritual inner journeys with them. There are suggestions for good questions to ask of the guides that provide quality answers and insightful information. By practicing each meditation several times, it will become effortless to call on any guide “on demand.” A guide will appear instantly when spiritual help is wanted or needed. Besides learning brand new ways to communicate with spirit guides, angels and power animals that are already in one's awareness, meditations include ways to call upon guides for any project or goal, such as writing, healing, learning a new skill, and so on. Discover new spirit guides: Some of the meditations encourage guides to appear that one may never have thought about before, such as meeting with Higher Self, a money guide, a healing guide, and more! A bonus meditation: "Merge With a Power Animal" is a profound way to obtain an animal's power through the body's kinesthetic (feeling) system. One can then travel with the power animal as if seeing through its eyes. Some of the meditations include shamanic methods of healing, such as soul rescue (soul retrieval), which helps one travel into the subconscious, find a past traumatic memory and then rescue the younger self trapped within it. For those working on self-growth, abundance, creativity and/or healing, a unique meditation asks a spirit guide to lead them directly to a future self who has already become what they desire to be, or who has already achieved a goal. The future self will communicate and provide the steps necessary to achieve this

goal. The future self teaches the present self how to become this new self. This meditation includes merging with the future self to achieve the feeling of mastery. Children benefit from How to Meet your Spirit Guides. Children especially respond to angels and animal guides. Numerous stories are included of how children used the meditations to communicate with their spirit guides and the profoundly amazing results. This Practical Guide Book enables parents and grandparents to teach their children and grandchildren simple, effective ways to tune into Spirit and be able to get answers to troubling questions. Children have even been able to heal past traumas and transform negative emotions. The short meditations work well for children as young as four or five. Many of the longer meditations work great for pre-teens and teens. Intuition Development: Several chapters include in-depth intuition training. Intuition is the primary tool for deciphering symbols and metaphors, whether experienced within a meditation, or a dream. The INTUITION LOCATION-FINDER exercise is included, which helps readers discover their intuitive voice, intuitive vision and intuitive feelings in a way they never knew was possible. From then on, a simple, directed eye-movement is all it takes to access one's Voice of Intuition, which allows spiritual guidance on demand, within minutes. One can achieve spiritual mastery by practicing the simple methods given in this Practical Guide.

How can we experience god? God has communicated with his people throughout the ages in many ways. Adam and Eve encountered him directly in the Garden of Eden, Teresa of Avila experienced him through visions, and Francis of Assisi heard his voice in nature. This book gives practical advice for connecting on a deeply personal level with God. It uncovers new places to look for God, while providing reflection questions and activities to reinvigorate communication with God in such traditional areas as prayer and Bible study. Divided into twelve chapters conveniently organized for individual or group study, each section explores a different area in which we can deepen our individual communion with God. The Renovaré Spiritual Formation Guides, created by Richard J. Foster and the team that developed The Renovaré Spiritual Formation Bible and the longstanding A Spiritual Formation Workbook, provide tangible lessons that help us become spiritually formed, conformed, and transformed into the image of Jesus Christ. Geared for either individual study or use in small groups, each Renovaré Spiritual Formation Guide explores one facet of our life with God, providing readings from Scripture as well as classic and contemporary works of spirituality. The combination of readings, reflection questions, exercises, and activities makes these books invaluable interactive guides that prompt true spiritual growth.
