Post-Colonial Literatures in English, together with English Literature and American Literature, form one of the three major groupings of literature in English, and, as such, are widely studied around the world. Their significance derives from the richness and variety of experience which they reflect. In three volumes, this Encyclopedia documents the history and development of this body of work and includes original research relating to the literatures of some 50 countries and territories. In more than

1,600 entries written by more than 600 internationally recognized scholars, it explores the effect of the colonial and post-colonial experience on literatures in English worldwide.

In a rapidly changing New York, two forces battled for the city's soul: the pro-slavery New Yorkers who kept the illegal slave trade alive and well, and the abolitionists fighting for freedom. We

often think of slavery as a southern phenomenon, far removed from the booming cities of the North. But even though slavery had been outlawed in Gotham by the 1830s, Black New Yorkers were not safe. Not only was the city built on the backs of slaves; it was essential in keeping slavery and the slave trade alive. In *The Kidnapping Club*, historian Jonathan Daniel Wells tells the story of the powerful network of judges, lawyers, and police officers who circumvented anti-slavery laws by sanctioning the kidnapping of free and fugitive African Americans. Nicknamed "The New York Kidnapping Club," the group had the tacit support of institutions from Wall Street to Tammany Hall whose wealth depended on the Southern slave and cotton trade. But a small cohort of abolitionists, including Black journalist David Ruggles, organized tirelessly for the rights of Black New Yorkers, often risking their lives in the process. Taking readers into the bustling streets and ports of America's great Northern metropolis, *The Kidnapping Club* is a dramatic account of the ties between slavery and capitalism, the deeply corrupt roots of policing, and the strength of Black activism.

While on a visit to the United States, Pope Pius XIII is kidnapped by a terrorist cell calling itself the Soldiers of Islam. If the United States and its allies do not meet their demands, they will execute the pope. So when FBI Specialist Shari Cohen is called to duty to track down the terrorist cell responsible, she learns that she is not alone. Deep behind the Vatican walls a secret order dispatches a clandestine op group of elite commandos known as the Vatican Knights. Their mission: bring the pope back alive. As Cohen and the Knights work in tandem they uncover a White House conspiracy involving high-ranking members on Capitol Hill. When she begins to get too close to the truth about the pope's kidnapping, she becomes the target of indigenous forces trying to keep the conspiracy safe. However, in order to get to her they must go through the Vatican Knights.

Newbery honor winner, New York Times bestseller, Edgar Award Finalist, and E.B. White Read-Aloud Honor book. A hilarious Southern debut with the kind of characters you meet once in a lifetime Rising sixth grader Miss Moses LoBeau lives in the small

town of Tupelo Landing, NC, where everyone's business is fair game and no secret is sacred. She washed ashore in a hurricane eleven years ago, and she's been making waves ever since. Although Mo hopes someday to find her "upstream mother," she's found a home with the Colonel--a café owner with a forgotten past of his own--and Miss Lana, the fabulous café hostess. She will protect those she loves with every bit of her strong will and tough attitude. So when a lawman comes to town asking about a murder, Mo and her best friend, Dale Earnhardt Johnson III, set out to uncover the truth in hopes of saving the only family Mo has ever known. Full of wisdom, humor, and grit, this timeless yarn will melt the heart of even the sternest Yankee.

This book is filled with the truth and the uncut reality of everyday life - and death - in the projects. This book exposes the gangster lifestyle as it really is, without the fake glamour it is popularized with. Too many kids grow up being enticed into a criminal way of life because of the flash associated with the neighborhood gangsters, pimps, and hustlers: they have the money for the fancy clothes, cars, and for food on the table at dinner, while most other people in the neighborhood go around poor and underfed. This book will let you see how a young child can be turned into a criminal-minded thug before reaching his tenth birthday, culminating in a marriage to the streets filled with heartache, hatred, and eventually murder.

### THE BIG ONE

Dante Fortson

What happens when a child is kidnapped from home by his or her own parent? What are the emotional and psychological consequences of living in hiding for weeks, months, or even years for a child? How does the parent left behind cope with having no knowledge of the child's whereabouts or well-being? And what could lead a parent to inflict such a painful existence on his or her own child?

"He promised to kill me when he got out. I believed him. If I wanted justice, I had to fight both him and the courts...maybe kill him first. If I didn't do something, I was going to die." This is not a manufactured dialogue from a thriller but the words of attorney Sharon Muse. They came after she survived an attempted kidnapping, rape, and murder at the hands of Larry Morrison, a

former client. On April 7, 2006, Muse miraculously escaped from the sociopathic Morrison, only to find that the threat to her life was just beginning. Ineptitude in the justice system threatened to release Morrison and allow him the opportunity to finish the job, which he adamantly pledged to do. Muse would have to fight at every step to ensure her safety. Muse would act as her own advocate, investigator, legal counsel, and bodyguard in the years following the event. Kidnapped by a Client covers the brutal kidnapping, two trials, two appeals, procedural errors galore, one Supreme Court reversal, and even Muse's intricate plan to murder Morrison before he could get to her. Muse would not ultimately execute that plan, and she would emerge victorious in the legal battle thanks to her faith and her own determination and legal acumen. But her safety is not ensured: Morrison is up for parole in 2026. Muse regularly monitors his status. Muse recounts her stranger-than-fiction story in *Kidnapped by a Client*. Muse analyzes the failures of the legal system, the mistakes she made, the steps she took to protect herself, and how she has coped with trauma. Readers will find not only a compelling narrative, but also insight into how to protect oneself and ensure one's own safety and well-being.

Talk about unlucky sevens. An hour ago, seventeen-year-old, seven months pregnant Novalee Nation was heading for California with her boyfriend. Now she finds herself stranded at a Wal-Mart in Sequoyah, Oklahoma, with just \$7.77 in change. But Novalee is about to discover hidden treasures in this small Southwest town--a group of down-to-earth, deeply caring people willing to help a homeless, jobless girl living secretly in a Wal-

Mart. From Bible-thumping blue-haired Sister Thelma Husband to eccentric librarian Forney Hull who loves Novalee more than she loves herself, they are about to take her--and you, too--on a moving, funny, and unforgettable journey to . . . Where the Heart Is.

Twelve-year-old Eddie has always lived for fishing trips with his grandfather, idyllic day-long floats on the sweet waters of their home river. But now Gramps, the charismatic owner of a local sporting goods store, has himself been hooked by dementia: he's obsessed with catching the biggest fish in the river, and he's scaring everyone in Eddie's life half to death. This earthquake spawns numerous aftershocks, some comic: the unfortunate

incident of the deceased carp; how it comes about that Eddie's dad throws up at his mom's wedding. And some dark: the climactic 60-mile river journey--one voyager perhaps mad, the other perhaps kidnapped--launches deep in the night, carrying Eddie and his grandfather inexorably to a final, fateful encounter with the Big One.

Soon to be a major motion picture from Steven Spielberg. A National Book Award Finalist The extraordinary story of how the vatican's imprisonment of a six-year-old Jewish boy in 1858 helped to bring about the collapse of the popes' worldly power in Italy. Bologna: nightfall, June 1858. A knock sounds at the door of the Jewish merchant Momolo Mortara. Two officers of the Inquisition bust inside and seize Mortara's six-year-old son,

Edgardo. As the boy is wrenched from his father's arms, his mother collapses. The reason for his abduction: the boy had been secretly "baptized" by a family servant. According to papal law, the child is therefore a Catholic who can be taken from his family and delivered to a special monastery where his conversion will be completed. With this terrifying scene, prize-winning historian David I. Kertzer begins the true story of how one boy's kidnapping became a pivotal event in the collapse of the Vatican as a secular power. The book evokes the anguish of a modest merchant's family, the rhythms of daily life in a Jewish ghetto, and also explores, through the revolutionary campaigns of Mazzini and Garibaldi and such personages as Napoleon III, the emergence of Italy as a modern national state. Moving and informative, the *Kidnapping of Edgardo Mortara* reads as both a historical thriller and an authoritative analysis of how a single human tragedy changed the course of history.

'My son, I have nothing I can give, but this chance that you may live.' With these words, a Hebrew mother places her infant son, Moses, in a basket and sets him adrift on the Nile River. From his carefree days as a prince of Egypt to his flight into the desert, nothing can fully prepare Moses for what is to come. Lynne Reid Banks, author of the best-selling novel *The Indian in the Cupboard*, brings the timeless story of Moses to life in this spirited retelling. Enriched with a full-color insert depicting characters and scenes from the film, this is a popular format that will enable older children to experience the movie again and again.

Modern-day Rome: Two American archaeologists suddenly die in

an underground passageway in the Roman Forum leading to the buried rooms of Emperor Nero's Golden Palace. The Italian authorities conclude the deaths were caused by a devastating and highly contagious virus. Tom Stewart, an NYU forensic archaeologist who was present when the deaths occurred, becomes entangled in the race to find the supply of the virus—a race involving many powerful players desperately seeking the deadly contagion. Stewart must find and destroy the virus before others harness its sinister power. The Vatican, foreign groups, the world's largest genetic seed manufacturer—all have their reasons, and none will stop until they succeed, no matter the cost or risk to millions of people if the virus escapes and causes a pandemic.
