DILLON WILEY

Macmillan English Practice Book Ernst Klett Sprachen Teaching Grammar, Structure and Meaning introduces teachers to some basic ideas from the increasingly popular field of cognitive linguistics as a way of explaining and teaching key grammatical concepts. Particularly suitable for those teaching post-16 English Language, this book offers a methodology for teaching key aspects of linguistic form and an extensive set of learning activities. Written by an experienced linguist and teacher, this book contains: · an evaluation of current approaches to the teaching of grammar and linguistic form · a revised pedagogy based on principles from cognitive science and cognitive linguistics · a comprehensive set of activities and

resources to support the teaching of key linguistic topics and text types · a detailed set of suggestions for further reading and a guide to available resources Arguing for the use of drama, role play, gesture, energy dynamics, and visual and spatial representations as ways of enabling students to understand grammatical features, this book explores and analyses language use in a range of text types, genres and contexts. This innovative approach to teaching aspects of grammar is aimed at English teachers, student teachers and teacher trainers.

Grammar Alive! Heinle & Heinle Pub

Weaver extends her philosophy by offering teachers a rationale and practical ideas for teaching grammar not in isolation but in the context of writing.

Teaching Grammar, Structure and Meaning Amz Jay

Unlike other textbooks, it helps students to understand grammar rather than see it as a set of facts and rules.

Macmillan English Grammar Heinle ELT

Interactive Grammar is a comprehensive book which enables the learners to use the knowledge of grammar functionally. The book has a Communicative English Approach. The grammar is interactive in nature and functional in approach. In this, the learners are not just expected to know grammatical definitions and rules but also their application.

Key Features: Grammar explanations with traditional practice activities and contextual examples Cross-curricular content areas include: literature science, geography, history and social sc

ELEMENTARY LANGUAGE PRACTICE WITH KEY

Independently Published

A few years ago, a magazine sponsored a contest for the comment most likely to end a conversation. The winning entry? "I teach English grammar." Just throw that line out at a party; everyone around you will clam up or start saying "whom." Why does grammar make everyone so nervous? Probably because English teachers, for decades – no, for centuries – have been making a big deal out of grammar in classrooms, diagramming sentences and drilling the parts of speech, clauses, and verbals into students until they beg for mercy. Happily, you don't have to learn all those technical terms of English grammar – and you certainly don't have to diagram sentences – in order to speak and write correct English. So rest assured – English Grammar For Dummies will probably never make your English teacher's top-ten list of must-read books, because you won't have to diagram a single sentence. What you will discover are fun and easy strategies that can help you when you're faced with such grammatical dilemmas as the choice between "I" and "me," "had gone" and "went," and "who" and "whom." With English Grammar For Dummies, you won't have to memorize a long list of meaningless rules (well, maybe a couple in the punctuation chapter!), because when you understand the reason for a particular word choice, you'll pick the correct word automatically. English Grammar For Dummies covers many other topics as well, such as the following: Verbs, adjectives, and adverbs – oh my! Preposition propositions and pronoun pronouncements Punctuation: The lowdown on periods, commas, colons, and all those other squiggly marks Possession: It's nine-tenths of grammatical law Avoiding those double negative vibes How to spice up really boring sentences (like this one) Top Ten lists on improving your proofreading skills and ways to learn better grammar Just think how improving your speaking and writing skills will help you in everyday situations, such as writing a paper for school, giving a presentation to your

company's big wigs, or communicating effectively with your family. You will not only gain the confidence in knowing you're speaking or writing well, but you'll also make a good impression on those around you!

Grammar in Context Routledge

This popular text is part of a series that provides an in-depth, detailed approach to English grammar and vocabulary. Grammar is clearly presented in the first half of the book, and vocabulary input offered in the second half. It is a thorough and comprehensive series that ensures students confidence with language through the progressive levels. Students gain a wider view of grammar and vocabulary in context, in a variety of immediately useful, everyday situations Vocabulary development in us

The Gift of the Magi (Illustrated) Cambridge University Press

GRAMMAR IN CONTEXT

Cambridge University Press

The original contextualized approach brings grammar to life. Grammar in Context brings grammar alive through engaging and informative readings that are relevant to learners' lives. National Geographic photography and stories deliver real-world content to improve grammar awareness and retention. Students learn more, remember more, and use language more effectively when they learn grammar in context.

Words and the Grammar of Context Learners Publishing Pte Limited

This practical grammar book is the result of 16 years of teaching online to adults and young students located all over the world. I believe that French grammar should not been a stumbling block to learning the language and should not discourage learners of French to embrace the beautiful journey of becoming fluent. Hence, I felt that it was important to explain the grammar rules in English and in the simplest way possible without including too much grammar jargon, so that a beginner could grasp the essential elements of grammar to build sentences. Every grammar point is followed with exercises to practice what has been taught. Whenever possible, the answers are included in the back of the book (some answers are open ended questions and therefore have no right or wrong answers). This grammar book is aimed to teach A1 levels (total beginners) to the B1 level (intermediate level). Perfect for self-study, but also ideal for supplementary grammar activities in the classroom. Step by step with a teacher or on their own, French learners can learn to construct their sentences and gain plenty of practice.

Grammar in Context Cambridge University Press

A practical step-by-step introduction to the analysis of English grammar, taking an integrated

approach to function and structure.

The Blue Book of Grammar and Punctuation Cambridge Scholars Publishing

"The Gift of the Magi" is a short story by O. Henry first published in 1905. The story tells of a young husband and wife and how they deal with the challenge of buying secret Christmas gifts for each other with very little money. The main idea of "The Gift of the Magi" is that the value of a gift is in the giver, rather than the gift itself. Jim and Della, out of their love for each other, purchased a gift that required them to sacrifice something that was precious to them.

Basic English Grammar Center for the Study of Language and Information Publications

In Grammar Form and Function, high-interest photos provide a visual context within the grammar charts for learning and retaining new vocabulary and grammar. FEATURES: Flexible approach to grammar instruction integrates study of new structures (form) with information on how to use them and what they mean (function). High-interest photos contextualize new grammar and vocabulary and reinforce student recall. Comprehensive grammar coverage ensures thorough and effective presentation of all basic structures. Extensive practice guides students to accurate production and fluent use of new grammar. Your Turn Activities encourage students to draw from personal experiences and practice grammar in natural conversations. Writing Assignments incorporate grammar into step-by-step tasks for a variety of writing purposes, such as narrating and describing. Self-Tests and Unit Quizzes offer multiple assessment tools in both print and Web formats. Companion Website activities develop real-world listening skills. This workbook is designed to accompany the beginning level student book.

GRAMMAR IN CONTEXT 2

Pearson Education ESL

This book offers a whole school approach to the teaching of grammar and punctuation that is fully matched to the demands of the English grammar and punctuation test and the new curriculum. With the shift towards elegant, well-constructed sentences, it offers the busy teacher three simple steps to motivate and engage children, through: • explicit teaching and modelling; • over forty practical games and activities; • application and improvement within editing and proof reading. This book draws on recent research but also is based on many years of classroom practice and a number of case studies. Practical examples develop teachers' understanding of grammatical terms and progression and show how it is possible to have a significant impact on vocabulary, sentence structure and children's writing in general. A balance is found where skills are explicitly taught but within the context of an exciting and interesting curriculum.

TEACHING GRAMMAR TO A GRAMMAR-FREE GENERATION

Macmillan ELT

This 1999 reference grammar, written for advanced students of French, their teachers, and others who want a better understanding of the French language, combines the best of modern and traditional approaches. Its objective is not only practical mastery of the language, but familiarity with its structure. Taking into account modern linguistic research, *Advanced French Grammar* approaches the French language primarily through the study of syntactic structures, but without

excessive emphasis on formalism. It provides a generous number of examples, based on the author's own experience of teaching French to English-speakers, to help the student to understand the different meanings of apparently similar syntactic alternatives. The norms of 'correct expression' are given together with current usage and deviations, and appendixes provide information on the 1990 spelling reforms and on numbers. A substantial index of French and English words and of topics provides easy access to the text itself.

Advanced French Grammar Boynton/Cook

German Grammar in Context, 3rd Edition includes updated textual examples which provide the basis for an accessible and engaging approach to learning grammar. Using authentic texts from a variety of contemporary sources such as newspapers, magazines, poems, TV and film scripts, books or online sources, each chapter explores a key aspect of German grammar. Following each text, exercises are provided to reinforce understanding and build effective comprehension and communication skills. Helpful keyword boxes translate difficult vocabulary in the texts, and recommended reading sections offer advice on additional grammar resources and website links. *German Grammar in Context* is an essential resource for students at CEFR level B1-C2 and Intermediate-Advanced High on the ACTFL scale. It is suitable for both classroom use and independent study.

DEVELOPING GRAMMAR IN CONTEXT : INTERMEDIATE WITH ANSWERS

Routledge

This is a unique book that covers innovative grammar teaching approaches and techniques for a modern generation of EFL/ESL students. It juxtaposes traditional grammar teaching methods with newer ones, and reveals the advantages and disadvantages of each. Moreover, it provides free and controlled grammar activities which offer instructors an ample variety of tasks that facilitate EFL/ESL teachers' work to practice certain grammatical patterns.
