Brought to life by colourful and endearing illustrations, this nursery song and rhyme are presented in an infant-friendly cloth book format.

**Film Themes: The Piano Collection** Hal Leonard Corporation George Lawrence Stone's Stick Control is the original classic, often called the bible of drumming. In 1993, Modern Drummer magazine named it one of the top 25 drumming books of all-time. In the words of the author, this is the ideal book for improving "control, speed, flexibility, touch, rhythm, lightness, delicacy, power, endurance, preciseness of execution, and muscular coordination," with extra attention given to the development of the weak hand. This indispensable book for drummers of all types includes hundreds of basic to advanced rhythms and moves through categories of single-beat combinations, triplets, short roll combinations, flam beats, flam triplets and dotted notes, and short roll progressions.

Every chapter features brand-new artistic interpretations from the minds and hearts of an incredible cast of illustrators, tattooers, printmakers, and painters Pike has been trusted since the beginning to depict his vision. The cast of artists are Arik Roper, David V. D'Andrea, Santos, Brian Mercer, Skinner, Jondix, Stash, Tim Lehi, Jordan Barlow, and Derrick Snodgrass created brand new, never before seen works specifically inspired by each album, including one large illustration to define the chapter ahead and two additional vignettes that are directly inspired by the songs. Each has their own bold and iconic style that perfectly compliments the breadth of Pike's various works. These prolific artists transport the reader further into a far-away landscape of ominous Lovcraftian entities, shrouded in wondrous and esoteric darkness. Together, they have redefined the way we perceive Underground Doom Metal these past twenty years and it is our honor to showcase them together along with the incredible written word of Pike.
