ASESINATO EN EL ORIENT EXPRESS

EDITUM

Agatha Christie, novelista y dramaturga de éxito, es considerada una de las grandes escritoras del género policíaco. Esta prolífica autora, que se centra en la psicología de sus personajes y en el

móvil de los crímenes, sigue despertando la pasión de lectores de todo el mundo con obras tan conocidas como Asesinato en el Orient Express, Diez negritos o Se anuncia un asesinato. En tan solo 50 minutos te invitamos a descubrir: • La vida de Agatha Christie, marcada por un contexto turbulento y por sus viajes, que le sirven de inspiración a la hora de concebir sus obras • El contexto en el que vive la escritora, en un momento de crisis en el que se suceden períodos de progreso con conflictos bélicos de alcance mundial • Las características de las principales obras de Agatha Christie, en las que aparecen sus míticos héroes Hércules Poirot y Miss Marple, como Asesinato en el Orient Express o Se anuncia un asesinato SOBRE 50MINUTOS.ES | Arte y literatura 50MINUTOS.ES te invita a profundizar en el mundo del arte, para que te conviertas en un experto y lo sepas todo sobre la vida y obra de artistas de la talla de Francisco de Goya o Jan van Eyck y de célebres escritores como Albert Camus o Miguel de Cervantes, además de permitirte explorar grandes movimientos literarios que han transformado el universo cultural, como el romanticismo o el simbolismo. Nuestras obras analizan de forma clara y sencilla la trayectoria personal y artística de grandes figuras del mundo de la cultura y te dan la oportunidad de conocer los principales movimientos literarios. ¡Mejora tu cultura y deja a todos boquiabiertos! ¡Saberlo todo sobre el mundo de la cultura nunca fue tan sencillo!

Orient-Express Booket Argentina

Just after midnight, a snowdrift stops the Orient Express in its tracks. The luxurious train is surprisingly full for the time of the year, but by the morning it is one passenger fewer. An American tycoon lies dead in his compartment, stabbed a dozen times, his

door locked from the inside. Isolated and with a killer in their midst, detective Hercule Poirot must identify the murderer – in case he or she decides to strike again.

MURDER ON THE CANADIAN

Concord Theatricals

A man has been murdered. He is blond, blue-eyed and is wearing a white suit. His surname is White. The murdered man is dark, black-eyed and his suit is black...the same as his surname. And, as if that isn't enough, they look like perfect twins except for the details of eye colour and complexion. Two policemen are in charge of the hottest crime in London. They will cross a sea of intrigue to find out that two gangs in the city have declared war on each other and that more murders are to follow. A bizarre couple is at the epicentre of the mystery: an old man with violet-coloured eyes and a ten-year-old boy, who have the peculiar habit of only talking to each other and never addressing anybody else. Nothing is as it should be. Not everything is black or white.

Cataloguing and Classification introduces concepts and practices in cataloguing and classification, and common library standards. The book introduces and analyzes the principles and structures of library catalogues, including the application of AACR2, RDA, DDC, LCC, LCSH and MARC 21 standards, and conceptual models such as ISBD, FRBR and FRAD. The text also introduces DC, MODS, METS, EAD and VRA Core metadata schemes for annotating

digital resources. Explains the theory and practice of bibliographic control Offers a practical approach to the core topics of cataloguing and classification Includes step-by-step examples to illustrate application of the central cataloguing and classification standards Describes the new descriptive cataloguing standard RDA, and its conceptual ground, FRBR and FRAD Guides the reader towards cataloguing and classifying materials in a digital environment

Cita con la muerte Rba Publicaciones Editores revistas

Loli's mum keeps telling her she needs to lose weight. If she wants to get a boyfriend, she needs to be slim. And she needs to smile. Why does she always look sad? She needs to lose weight and smile more often. That's all she needs to be happy. This book is a Spanish Easy Reader for adult learners with an intermediate or upper-intermediate level of Spanish. It will help you learn, revise and consolidate the vocabulary and grammar of the level B2 on the Common European Framework of Reference. Reading is one of the most effective and pleasant ways to learn a language. By reading, you can learn or consolidate the vocabulary, expressions, verb tenses and grammar structures as part of a story, in context, without memorizing lists of isolated words or studying endless grammar rules. However, *UNA CHICA TRISTE* is not just a book to learn Spanish. It is also an interesting story that you will actually want to read. A story, which, I hope, will catch your attention from the beginning and will keep you motivated till the end. A story you won't put down easily. A story that may keep you so intrigued you may forget the main purpose you started reading it was to learn Spanish!

The Big Ben mystery CINTER divulgación técnica SLL

Mrs. Ferrari ha muerto víctima de una sobredosis de somníferos. Hace un año, su marido murió al parecer de una gastritis aguda. Caroline Sheppard, la hermana del médico del pueblo, sospecha que fue envenenado. Poco después, Roger Ackroyd, el terrateniente de la villa, aparece muerto con una daga tunecina clavada en la espalda. ¿Estarán las tres muertes relacionadas? ¿Tendrá Caroline razones para sospechar? Afortunadamente al pueblo ha llegado un nuevo vecino, un hombre bajito de grandes bigotes, que se ha retirado a descansar y a cultivar calabacines.

Asesinato en el "Oriente Expres" University-Press.org

On August 29, 2005, the worst natural disaster in the history of the United States devastated the city of New Orleans and the Gulf Coast of Louisiana and Mississippi. Like many others in America and around the world, Chris McLaughlin watched the tragedy of Katrina unfold on a television screen from the comfort of her living room on Cape Cod in Massachusetts. In the devastation afterwards, almost 2,000 people and an estimated 250,000 animals had perished. Miraculously, many pets did manage to survive. But in the months that followed the hurricane,

thousands of them were fending for themselves in the ruins of devastated neighborhoods. They roamed the streets in feral packs or struck out alone. Their plight triggered a grassroots rescue effort unlike any this country had ever seen, and while relief organizations such as the Red Cross were tending to the human survivors, and movie stars and celebrities were airlifting food and endorsing seven-figure checks, a much smaller and meagerly funded effort was underway to save the four-legged victims. With no prior experience in disaster response and no real grasp of the hell that awaited them, scores of animal lovers, including McLaughlin, made their way to the Gulf Coast to help in any way they could. Including photos from four-time Pulitzer Prize-winning photojournalist Carol Guzy, *Mississippi Barking* spans the course of two years as McLaughlin and others ventured into the wreckage of the Gulf Coast to rescue the animals left behind. McLaughlin tells the moving stories of the people she met along the way, both those who lost everything to the hurricane and those working beside her rescuing and transporting animals away from the neglected, derelict conditions in which they barely survived. Within this story of tragedy and cruelty, suffering and ignorance, *Mississippi Barking* also bears witness to selfless acts of bravery and compassion, and the beauty and heroics of those who risked everything to save the animals that could not save themselves.

ASESINATO EN LA VICARÍA

Acantilado

The intense interest aroused in the public by what was known at the time as "The Styles Case" has now somewhat subsided.

Nevertheless, in view of the world-wide notoriety which attended it, I have been asked, both by my friend Poirot and the family themselves, to write an account of the whole story. This, we trust, will effectually silence the sensational rumours which still persist. I will therefore briefly set down the circumstances which led to my being connected with the affair.

Asesinato en el Orient Express Turtleback Books

Agatha Christie's personal memoirs about her travels to Syria and Iraq in the 1930s with her archaeologist husband Max Mallowan, where she worked on the digs and wrote some of her most evocative novels. Think you know Agatha Christie? Think again! To the world she was Agatha Christie, legendary author of bestselling whodunits. But in the 1930s she wore a different hat, travelling with her husband, renowned archaeologist Max Mallowan, as he investigated the buried ruins and ancient wonders of Syria and Iraq. When friends asked what this strange 'other life' was like, she decided to answer their questions by writing down her adventures in this eye-opening book. Described by the author as a 'meandering chronicle of life on an archaeological dig', *Come, Tell Me How You Live* is Agatha Christie's very personal memoir of her time spent in this breathtaking corner of the globe, living among the working men in tents in the desert where recorded human history began. Acclaimed as 'a pure pleasure to read', it is an altogether remarkable and increasingly poignant narrative, a fascinating, vibrant and vivid portrait of everyday life in a world now long since vanished.

An Archaeological Memoir Berkley

La novela más popular del mítico detective Hércules Poirot. En

un lugar aislado de la antigua Yugoslavia, en plena madrugada, una fuerte tormenta de nieve obstaculiza la línea férrea por donde circula el Orient Express. Procedente de la exótica Estambul, en el viaje el detective Hercules Poirot, que repentinamente se topa con uno de los casos más desconcertantes de su carrera: en el compartimiento vecino ha sido asesinado Samuel E. Ratchett mientras dormía, pese a que ningún indicio trasluce un móvil concreto. Poirot aprovecha la situación para indagar entre los ocupantes del vagón, que a todas luces deberían ser los únicos posibles autores del crimen. Una víctima, doce sospechosos y una mente privilegiada en busca de la verdad.

Este volumen, el cuarto del Seminario Interdisciplinar de Historia y Literatura (SIHL), tiene como objeto de estudio la denominación misma de nuestro Seminario. Tras considerar los mitos, los libros de viaje y la utopía en los anteriores, desde el punto de vista histórico y literario; nos dirigimos directamente a nuestro punto de partida metodológico: las interrelaciones entre la Historia y la

Literatura

Learn Spanish with Stories (B2) Rba Publicaciones Editores revistas

From the author of *The Almost Nearly Perfect People* comes *Super Sushi Ramen Express*, a fascinating and funny culinary journey through Japan. Japan is arguably the preeminent food nation on earth; it's a mecca for the world's greatest chefs and has more Michelin stars than any other country. The Japanese go to extraordinary lengths and expense to eat food that is marked both by its exquisite preparation and exotic content. Their creativity, dedication, and courage in the face of dishes such as cod sperm and octopus ice cream are only now beginning to be fully appreciated in the sushi and ramen-saturated West, as are the remarkable health benefits of the traditional Japanese diet. Food and travel writer Michael Booth takes the culinary pulse of contemporary Japan, learning fascinating tips and recipes that few westerners have been privy to before. Accompanied by two fussy eaters under the age of six, he and his wife travel the length of the country, from bear-infested, beer-loving Hokkaido to snake-infested, seaweed-loving Okinawa. Along the way, they dine with—and score a surprising victory over—sumo wrestlers, pamper the world's most expensive cows with massage and beer, share a seaside lunch with free-diving female abalone hunters, and meet the greatest chefs working in Japan today. Less happily, they witness a mass fugu slaughter, are traumatized by an encounter with giant crabs, and attempt a calamitous cooking demonstration for the lunching ladies of Kyoto.

UNA PAREJA DE PELÍCULA

Univ. Press of Mississippi

"Agatha Christie must surely be the most imitated author in the entire canon of literature – what greater acclaim could there be?"

-Peter James Paul Renauld sends for Hercule Poirot, who arrives to find his host dead in a newly dug grave. Can the master sleuth sort through a bewildering array of clues and outfox an unfriendly police officer to find the almost perfectly hidden identity of the murderer? Agatha Christie's legendary sleuth Hercule Poirot returns only to find his would-be employer slain, too many suspects, and his refined investigative technique dismissed by the detective leading the local police investigation. The two butt heads, competing to solve the crime until a second corpse turns up, slain in the exact same fashion as the first. It takes Poirot's razor-keen insight and deep knowledge of the history of crime to tie both killings to another as he brilliantly works toward an unexpected conclusion. Upon its original publication in 1923, the novel was greeted with great acclaim as a superbly structured mystery that was all but certain to baffle readers. This, the second investigation of Hercule Poirot, follows *The Mysterious Affair at Styles*, which is also available from Mint Editions. With an eye-catching new cover, and professionally typeset manuscript, this edition of *Murder on the Links* is both modern and readable.

Una Chica Triste - Spanish Intermediate / Upper

Intermediate Graphic Arts Books

El Orient-Express fue durante décadas el símbolo de una Europa diversa llena de personajes variopintos, de olores, colores y sabores unida por este tren que, más que un medio de

transporte, fue una extraordinaria forma de civilización y de entendimiento entre los pueblos. Mauricio Wiesenthal, con su prosa envolvente y fragante, nos transporta a países y estaciones, narra sus historias y leyendas, y crea un relato vívido y evocador, a caballo entre las memorias y el ensayo. "La literatura del tren tiene que ser, por fuerza, impresionista y confusa. El tren nos da un destino, una distancia, un más allá sin trascendencia ni juicio final. Y eso hace más bellas y voluptuosas las historias que, como las noches del tren o las aventuras de amor, no tienen principio ni fin". "En Orient-Express hay asimismo relatos de espías, misteriosas desapariciones y crímenes sin resolver pero también historias de amor. Y, sin embargo, la gran protagonista es Europa. Una Europa derrotada, dice Wiesenthal, por los nacionalismos, el populismo, la masificación y la vulgaridad". Nuria Azancot, *El Cultural* "El Orient-Express, como casi todos los libros de Wiesenthal, hijo literario de Stefan Zweig, lo he disfrutado porque, como decía el clásico, enseña deleitando. Y porque te permite acceder a unos escenarios que nunca estuvieron al alcance de todos". Arturo San Agustín, *La Vanguardia* "Un hombre de increíble erudición, de cultura infinita–pero como la que no tiene hoy casi nadie: una cultura activa, crítica, punzante, que interpreta el pasado y lo convierte en reflexión del propio presente". Toni Montesinos, *La Razón* "El gran Mauricio Wiesenthal ha escrito uno de esos libros tan sutos que cifran en pocas páginas siglos de arte, lecturas, melodías e historias que podrían servirnos para reconstruir un mundo abolido que sólo existe en la memoria de escasos supervivientes como él. Orient-Express es un libro delicioso que Mauricio ha escrito para compartir gozoso las maravillas que ha contemplado".

Fernando Iwasaki, ABC "Este delicioso ensayo de Mauricio Wiesenthal recupera la memoria del símbolo de un tiempo que soñaba con vencer las barreras de las nacionalidades. Un pedacito de una historia de Europa que hoy se contempla con nostalgia". David Barreira, El Español "Hay libros que se descorchan como si fuesen un vino cosmopolita en la etiqueta de su bouquet y se beben despacio, dejando que el sabor despierte recuerdos de amor, lo mismo que hacen las memorias de viaje. Suceden ambas evocaciones con la lectura en movimiento de un hermoso libro de Mauricio Wiesenthal, Orient-Express". Guillermo Busutil, La Opinión de Málaga "Cuando uno acaba de leer el libro, parece que todos esos personajes han sido nuestros, en un diálogo hermoso con la cultura, que ahora parece quedar arrinconada por los oportunistas y por la tecnología. Dormimos ya en el paisaje que un gran escritor nos evoca y sentimos también que hemos viajado en el Orient-Express cuando la vida era un acto de delicadeza y la imaginación era más poderosa que la realidad. Aquellos tiempos vuelven de nuevo gracias a un hombre de otro tiempo, Mauricio Wiesenthal". Pedro Harcía Cueto, Letralia "En el tren de Europa subieron grandes personajes, y para todos ellos tiene Wiesenthal un comentario intenso y vívido, como es habitual en sus pasionales obras". Toni Montesinos, La Razón

PRIMEROS CASOS DE POIROT

Scholastic Inc.

Mrs. Boynton es una mujer entrada en años que más que gobernar, esclaviza a sus hijastros ya mayores. Pero ella es la dueña del dinero y, hasta su muerte, todos deberán girar a su alrededor. En el transcurso de un viaje a las ruinas de Petra, los Boynton coinciden con otros viajeros entre los que está Poirot. Cuando el grupo vuelve de la excursión, a la que la anciana no ha acudido, la encuentran muerta a la puerta de su tienda. Todos tienen motivos para desear su muerte, todos son sospechosos.

ASESINATO EN EL ORIENT EXPRESS

HarperCollins

Desde que Los hermanos Lumière proyectaron en público "La llegada del tren a la estación" en 1895, la obra civil y el cine han caminado de la mano. Este libro analiza esa relación desde distintos puntos de vista: mirando a la obra civil desde el cine, mirando al cine desde la obra civil, estudiando la evolución de la ciudad a través del cine e incluso descubriendo la capacidad interpretativa de algunas obras civiles. También, como divertimento, se plantean y resuelven algunos problemas de física, hidráulica y cálculo de estructuras a partir de datos extraídos de famosas escenas de películas.
