We live in the Golden Age of publishing for spiritual, esoteric, and new age books of all conceivable stripes (and then there is the Internet). Amongst this wild proliferation of available information there has occurred a cheapening effect, in which many teachings have been watered down to make them palatable for a public with diminishing attention spans and suffering from information overload. For the sincere spiritual seeker there needs to be an awareness of the various ways we can go astray on the path, or fall off the path altogether. The whole idea of spirituality is to be awake, yet it is all too easy to simply end up in yet another dream world, thinking that we have found some higher truth.

Rude Awakening: Perils, Pitfalls, and Hard Truths of the Spiritual Path is dedicated to examining, under a sharp light, the many ways our spiritual development goes wrong, or disappears altogether in the sheer crush of books and the routine grind of daily life.

**** NEW YORK TIMES BESTSELLER! **** Ready to take the next step toward living in alignment with the Universe? The #1 New York Times best-selling author of *The Universe Has Your Back* shows you how. In *Super Attractor*, Gabrielle Bernstein lays out the essential steps for living in alignment with the Universe--more fully than you've ever done before. "I've always known that there is a nonphysical presence beyond my visible sight," Gabby writes. "All my life I've intuitively tuned in to it and used it as a source for good. . . . What we call it is irrelevant. Connecting to it is imperative." *Super Attractor* is a manifesto for making that connection and marrying your spiritual life with your day-to-day experience. In these pages, you'll learn to: * Move beyond dabbling in your practice, when it's convenient, to living a spiritual life all the time * Take practical steps to create a life filled with purpose, happiness, and freedom * Feel a sense of awe each day as you witness miracles unfold * Release the past and live without fear of the future * Tap into the infinite source of abundance, joy, and well-being that is your birthright * Bring more light to your own life and the world around you This book is a journey of remembering where your true power lies. You'll learn how to co-create the life you want. You'll accept that life can flow, that attracting is fun, and that you don't have to work so hard to get what you want. Most important, you'll feel good. And when you feel good, you'll give off a presence of joy that can elevate everyone around you. After reading this book, you will know how to fulfill your function: to be a force of love in the world.

The Spiritual Path Guidebook Harper Collins

For over thirty years, *Opening the Hand of Thought* has offered an introduction to Zen Buddhism and meditation unmatched in clarity and power. This is the revised edition of Kosho Uchiyama's singularly incisive classic. This new edition contains even more useful material: new prefaces, an index, and extended endnotes, in addition to a revised glossary. As Jisho Warner writes in her preface, *Opening the Hand of Thought* "goes directly to the heart of Zen practice... showing how Zen Buddhism can be a deep and life-sustaining activity." She goes on to say, "Uchiyama looks at what a person is, what a self is, how to develop a true self not separate from all things, one that can settle in peace in the midst of life." By turns humorous, philosophical, and personal, *Opening the Hand of Thought* is above all a great book for the Buddhist practitioner. It's a perfect follow-up for the reader who has read *Zen Meditation in Plain English* and is especially useful for those who have not yet encountered a Zen teacher.

Julia Cameron returns to the spiritual roots of the Artist's Way in

this 6-week Program Author Julia Cameron changed the way the world thinks about creativity when she first published *The Artist's Way: A Spiritual Path to Higher Creativity* thirty years ago. Over five million copies later, Cameron now turns her attention to creative prayer, which she believes is a key facet of the creative life. In *Seeking Wisdom*, a 6 Week Artist's Way Program, readers, too, will learn to pray. Tracing her own creative journey, Cameron reveals that prayer led her forward at a time of personal crisis. Unexpectedly, prayer became an indispensable support to her artistic life. The tools she created to save herself in her darkest hour became the tools she would share with the world through *The Artist's Way*. *Seeking Wisdom* details the origin of these tools, and by Cameron's example, the central role that prayer plays in sustaining a life as an artist. In this volume, Cameron shares a mindful collection of prayer practices that open our creative souls. This path takes us beyond traditional religious rituals, welcoming readers regardless of their beliefs and backgrounds. As you journey through each week of the program you'll explore prayers of petition, gratitude, creativity, and more. Along the way, the three beloved tools of *The Artist's Way*—Morning Pages, Artist Dates, and Walks—are refreshed and reintroduced, to provide a proven, grounded framework for growth and development. Additionally, Cameron introduces a fourth tool, *Writing Out Guidance*. She believes this powerful practice will greatly aid aspiring artists. *Seeking Wisdom* issues an invitation to step further into exciting creative practice.

THE 21-DAY CONSCIOUSNESS CLEANSE

Valley of the Sun Publishing

The term "spiritual transmission" refers to the passing of the

state of enlightenment from teacher to student, which takes place in many spiritual traditions. In itself, the transmission is synonymous with the experience of enlightenment. But the fact that the student's experience is rooted in a relationship with a human teacher who is perceived to possess absolute knowledge lends the experience much of its intrinsic, yet hidden, nature. Following the breakup of his 21-year relationship with his own spiritual teacher, Amir Freimann launched a quest to discover the deeper realities of the student teacher relationship, logging over 1,000 hours of interviews with students and teachers. These interviews reveal the promises and perils of the guru-to-student relationship and explore hot-button topics such as the differences and similarities between therapists and gurus; the role of trust vs. rationality in the spiritual quest; and how money, power and sex are dealt with during the course of a student's training. *Spiritual Transmission* includes never-before-published dialogues with many prominent spiritual teachers, plus a revelatory afterword by renowned integral theorist Ken Wilber. If you have ever been involved with a spiritual teacher or know someone who has, you need this book. Interviewees in *Spiritual Transmission* include Peter (Hakim) Young, Andrew Cohen, Stephen Fulder, Christopher Titmuss, James Finley, Llewellyn Vaughan-Lee, Shaykh Fadhlalla Haeri, Sanial Bonder, Mariana Caplan, Mooji, Lakshmi, Barry Magid, Claire Slemmer, James Swartz, Diane Hamilton, Bill Epperly, Aliya Haeri, Thomas Steininger, Peter Bampton, Carolyn Lee, Terry Patten, Steve Brett and Mary Adams.

Just Another Spiritual Book Garzanti

Due to the sheer number of Wicca 101 books on the market, many newcomers to the Craft find themselves piecing together their Wiccan education by reading a chapter from one book, a few pages from another. Rather than depending on snippets of wisdom to build a new faith, *Wicca for Beginners* provides a solid foundation to Wicca without limiting the reader to one tradition or path. Embracing both the spiritual and the practical, *Wicca for Beginners* is a primer on the philosophies, culture, and beliefs behind the religion, without losing the mystery that draws many students to want to learn. Detailing practices such as grounding, raising energy, visualization, and meditation, this book offers exercises for core techniques before launching into more complicated rituals and spellwork. Finalist for the Coalition of Visionary Resources Award for Best Wiccan/Pagan Book "In her first book-length work, Sabin presents a first-rate, fresh, and thorough addition to the burgeoning field of earth-based spiritual practice volumes...written in a light, informative style that magically mines depth, breadth and brevity."—Publishers Weekly (starred review)
